## PREAMBLE

The District and the Federation share the belief that providing a high-quality education for the children of Albuquerque is the paramount objective of the District.

Both parties affirm that all educational programs must be sensitive to the needs and aspirations of students. We believe that all students can learn and we have a responsibility to educate all of them well. Student success must not be predictable by a student's circumstances, background, race or socioeconomic status.

We believe that a collaborative partnership between the District and the Federation embodies the notion that an educational system based on the involvement of teachers in the decision-making process will lead to the highest quality of education, enhance the practice of teaching and foster human dignity for all at the school site. Furthermore, the parties believe that by working together, an atmosphere which promotes professional growth will be established.

To meet the objective above and formally establish a collaborative partnership that redefines and improves upon its collective bargaining relationship, the Federation and the District agree to the Living Contract, a concept and a process that will allow the parties to collaborate in addressing the following issues:

- Policy matters that affect teaching and learning
- District-wide matters that affect teachers, students and the community
- Instructional and curriculum issues
- Teaching and learning issues
- Long-term planning

The living contract agreement is essential to furthering the desired partnership between the District and the Federation. Working in partnership makes it possible to address challenges that individual entities could not effectively address through separate efforts. Quality partnerships can be recognized by the following characteristics:

- Partners make a formal, sustained commitment to accomplish a shared mission.
- Partners recognize and respect each partner's responsibilities and constraints.
- Partners work to know and acknowledge each other's strengths and interests.
- Partners recognize and respect each other as separate entities, with differing cultures, values and communication styles.
- Partners enhance trust by sharing knowledge, disclosing self-interest and attempting to satisfy the needs of each partner.
- Partners affirm the shared vision of the partnership by keeping others informed of related activities that affect the partners.
- Partners identify specific goals so all partners can work effectively.
- Partners make decisions collaboratively and support those decisions within the partner organizations.
- Partners specify what each entity is expected to contribute to the partnership.
- Partners commit the resources – human, financial, and physical – necessary to accomplish the shared mission.
- Partners alter organizational policies and procedures to the best of their ability to help effectuate recommendations made by the partnership.
- Partners make the collaborative effort visible, when appropriate, publicizing and promoting results.

- Partners periodically reassess the mission and progress toward accomplishing it.

Attaining the educational goals of the Albuquerque Public Schools requires mutual understanding and cooperation between the District and the Federation. To this end, good-faith negotiations between the District and the Federation with a free and open exchange of views are desirable.

Change requires intensive, carefully planned, and skillfully executed implementation. We acknowledge that strong, consistent leadership, trusting collaboration, system-wide communication, quality teaching and high teacher morale promote positive learning environments for students.

As part of its collective bargaining relationship and partnership, the Albuquerque Teachers Federation and Albuquerque Public Schools agree to the following:

- A. The purpose of the Living Contract is to enable the parties to respond more quickly to issues that demand immediate attention while working within the framework of collective bargaining. The Living Contract is not a document, but rather a process that may result in written agreements.
- B. Pursuant to this Preamble, the parties agree to establish a joint committee(s) to provide for regular, on-going discussions and decision-making on matters germane to improved union-management relations and more effective overall system operations.
- C. The District and the Federation are committed to supporting the Living Contract and have established the following joint goals:
  - Maintain open lines of communication between the District and the Federation;
  - Conduct on-going negotiations as timely problem solving;
  - View collective bargaining as collaboration;
  - Provide flexibility in dealing with issues as they arise.
  - Discuss future district initiatives that have a potential impact on teachers' work and workload.
- D. Nothing herein shall be deemed to impair the authority of the Superintendent, or preclude the Superintendent from consulting informally with members of the bargaining unit.

The parties agree to establish three (3) joint committees. The overall charge of each committee is summarized as follows:

- **Living Contract Committee**  
Policy/District-wide issues, instructional issues, long-term planning
- **Supporting Quality Teachers (SQT) Team**  
Teaching and learning issues
- **Contract Administration Committee/Negotiations**  
Dispute resolution, contract implementation, working conditions, interim negotiations

In addition, the joint committee(s) may:

- 1) Set up temporary sub-committees, task forces or design teams to address particular issues;
- 2) Recommend revisions to the Negotiated Agreement to clarify language and meaning, correct contradictions or inconsistencies, remove outdated language and organize and streamline it;
- 3) Train District and Federation staff regarding the Agreement and best practices with respect thereto; and
- 4) Recommend joint communications to clarify particular issues.

7. Failure to follow this provision may result in suspension of this privilege for the representative involved. In the event the representational business involves the principal, prior arrangement of such visits shall be made through the Office of Labor Relations.
8. The Board shall grant the elected Local President and the elected State President (provided the elected State President is on leave from APS) leave with pay during their term of office. This leave may be terminated at the end of a semester. Upon return from such leave, the President will be placed on the salary schedule at the level which would have been achieved had there not been an absence. The Federation shall pay to the District an amount equal to the level, step and lane on the teacher's salary schedule and all employee related expenditures such as insurances and retirement benefits for the locally elected President and the State President for the duration of the leave. 8. The Federation agrees to render the District harmless for any actions resulting from compliance with this provision of the Agreement and assumes total responsibility for the disposition of the funds so deducted once the funds have been received by the Treasurer of the Federation.
9. Dues deductions may be discontinued or revoked by the teacher by filing such notice with the Treasurer of the Federation with a copy to the District Payroll Department duly signed by the teacher. Such revocation must be received by the District Payroll Department no later than nine (9) days prior to the pay date on which it is to become effective.

**Article 7, INSTRUCTIONAL COUNCILS (ICs)**

A. The District and the Federation agree to support the work of each school’s Instructional Council (IC). ICs are established as part of a collaborative effort to improve and support the teaching and learning process in the Albuquerque Public Schools. It is the intent of the District and the Federation to allow the individuals on each council to use their collective expertise and experience concerning their site and community to address school issues that fall within the scope of instructional improvement. The following requirements and recommendations set limited parameters.

- The IC includes the Principal, a Federation representative elected by Federation members at the school, teachers elected by teachers, and parents representative of the school parent body recognized by the school, and may include representatives of other bargaining units as defined in their respective negotiated agreements, and any other personnel and/or students deemed appropriate by the IC and elected by their constituent group.
- Teachers shall comprise at least fifty percent (50%) of the IC.
- Meetings shall be open to any member of the school staff or school community.
- The IC shall comply with Negotiated Agreements, Board policies, District procedures/directives, New Mexico laws/regulations and Federal laws/regulations when addressing issues. Issues shall be addressed in a collaborative manner.

5. Specific structure and protocol for the IC shall be developed by the IC and published for the school community.
6. If a decision concerning an issue cannot be reached, and a decision must be made because the issue at hand is time sensitive, then the IC will defer to the principal.
7. IC members have certain obligations, rights and responsibilities of membership, including attending and actively participating on the IC; reaching out to the diversity of the represented group to hear their opinions and ideas; communicating those opinions to the IC; supporting goals and strategies to implement the school's Educational Plan for Student Success (EPSS); checking with supportive documents such as Board Policy and the Negotiated Agreement; and collectively supporting the school improvement process.
8. IC Development. IC members should receive training to build capacity of the group in the concepts and skills of joint problem solving, team building and teamwork, parental involvement and decision making.
9. ICs may desire team facilitation or development services from time to time and may access joint training and facilitation support services from the Federation and the District. Requests for training and/or facilitation support services shall be made by the Chairperson of the IC to the District's Labor Relations Director and/or the Federation President.

*Note: The term "Instructional Council" is a generic term for all leadership/management teams at a school. Individual sites may choose different titles for their Instructional Council.*

**B. Leadership Councils: At large Constituent Groups**

1. Employees may create district-wide at-large Leadership Councils when employees with common areas of interest and expertise are assigned at different schools throughout the district. Constituent Leadership Councils will include administrators and employees and shall be recognized by the District and the Federation.
2. APS and ATF recognize the following Leadership Councils:
  - a. Nurses
  - b. Social Workers
  - c. Speech and Language Therapists
  - d. Transition Specialists
  - e. Diagnosticians
  - f. Special Education Department Head Teachers
  - g. School Psychologists

**C. Instructional Councils: Process and Content**

1. The Instructional Council is concerned with both process and content. The process will be similar at all sites. It is collaboration among stakeholders working together to develop common visions for their sites. The content or issues addressed by each IC will vary in nature. What may be an instructional priority for one school community may not be for another.
2. There are two strategies usually associated with this process: site based management and shared decision-making. These strategies are dependent upon collaboration and consensus building. For shared decision making to work, the issues to be decided must be meaningful and not merely symbolic. Important decisions must be reached in a collaborative manner. Participants can readily discern the difference between involvement and influence. Without experiencing influence, participants may soon choose not to be involved.
3. IC's are empowered to address school issues that fall within the scope of instructional improvement.

**D. Instructional Councils: Decision-Making Processes**

1. Consensus Decision-Making: The primary decision-making model is a consensus process, especially when the issue affects the entire staff.
  - a. Definition of Consensus Decision-Making: Consensus decision-making is a process in which participants make decisions by agreement rather than by majority vote. A consensus process is where representatives of the affected parties with a stake in an issue work together to find a mutually acceptable solution. Decisions are reached through a consensus process that includes the following:

- 1.) There has been communication with and input from constituents.
  - 2.) Participants have reached a meeting of the minds sufficient to make a decision and carry it out.
  - 3.) There is agreement that no one who could block or obstruct the decision or its implementation will exercise that power.
  - 4.) There is agreement that everyone needed to support the decision and put it into effect will do so.
- b. This definition does not mean unanimity of thought. The resulting agreement may be a package of various levels of enthusiasm and support, but the agreement is one that each party can accept and live with.
2. Alternative Decision-Making Models
    - a. There may be alternative decision-making processes that are appropriate at times. IC's must determine which decision-making model is best suited for the issue at hand (i.e.: consensus, majority vote of the IC, vote of the entire staff, adoption of committee recommendations, etc.).
    - b. Determination of the model to be used needs to be made through consensus. The model used may change from issue to issue.
  3. Decisions reached by the IC must be *collaborative* in nature among the role groups participating in the IC process. Collaborative problem solving provides more resources, more diversity of ideas and more social support for the decision.
- D. Instructional Councils: Considerations for a Successful Collaborative Structure
1. IC representatives are elected.
  2. The representatives are elected to serve a specific constituency.
  3. The selected representatives constantly communicate with their constituents.
  4. Communication with constituents is focused on giving information and getting their constituents' perspectives in order to represent all points of view at the meeting.
  5. The IC has taken the time necessary to be clear about:
    - a. What decisions it makes and;
    - b. How it makes those decisions.
  6. All members of the Instructional Council openly discuss and share all information pertaining to an issue so that the best decision can be reached.

If the employee has fewer than three years of directly related experience they will be placed at Level 1 and the step will correspond with their completed years in that field.
  2. New hires will be placed at their appropriate level and step according to their credentials and experience. Movement to the next CPS level is contingent upon completion of at least three years at the current level of placement and successful completion of a required portfolio.
- H. Placement on career pathway system and teacher salary schedule for individuals moving between job categories

## **Article 24, CONFLICT RESOLUTION**

The District and the Federation recognize that there are workplace issues that may not constitute a violation of the Negotiated Agreement and therefore do not fit into a “grievable” or actionable category under Article 25 herein. The District and the Federation believe that such workplace issues are best addressed by an interest-based process, such as mediation or direct negotiation that utilizes problem-solving techniques to address the perceived needs of the complainant or other parties. To that end, the parties have established an interest-based program for resolving such disputes.

## **Article 25, GRIEVANCE PROCEDURES**

- A. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise. All grievances shall be processed as provided herein.
- B. A grievance shall mean an allegation by a teacher, a group of teachers with the same grievance or the Federation that there has been a violation of any provision(s) of this Agreement.
  - 1. The term "workday" when used in this Article shall mean working school days. During the summer months, "workday" shall be defined as Monday through Friday excluding Independence Day.
  - 2. The "aggrieved party" shall mean a teacher or a group of teachers in the bargaining unit or the Federation.
- C. No grievance shall be initiated at Level One unless it has been discussed by the aggrieved party with the immediate supervisor prior to filing. No grievance shall be initiated at Level Two unless it has been discussed by the aggrieved party and/or the aggrieved party's Federation representative with the Office of Labor Relations.
- D. A grievance shall be filed at Level One if the remedy sought is within the authority of the principal. If it is a remedy on which the principal has no authority, it shall be filed at Level Two.
- E. The District and the Federation agree that these proceedings and all information relating to a grievance will be kept informal and confidential.
- F. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be maximums, and every effort shall be made to proceed as quickly as possible.
  - 1. The time limits specified will be extended or shortened if mutually agreed to in writing by the parties to the grievance.
  - 2. The aggrieved must file a written grievance within ten (10) workdays of the act or discovery of the act that caused the grievance.
  - 3. Failure to file the grievance within time limits specified shall result in the dismissal of the issues.
  - 4. Failure to submit the decision in writing within ten (10) workdays will cause the grievance to proceed automatically to the next level.
- G. If a grievance affects a group of teachers at two (2) or more work locations, the Federation must file a written grievance within fifteen (15) workdays on behalf of the teachers affected directly to the Office of Labor Relations. The Federation shall identify the teachers and work locations and submit the names of teachers where feasible.
- H. All written and printed matter dealing with the processing of a grievance will be filed separately from the official personnel file of the participants in a file maintained by the Office of Labor Relations. No reprisal shall be taken by the Board or any member of the administration against any teacher participating in the processing of a grievance.
- I. The parties shall develop all forms to be used in grievance processing. All grievances and appeals of such must be filed on appropriate forms as provided by the Office of Labor Relations.
- J. The District agrees to make available to the aggrieved party and representative all pertinent information, not privileged, in its possession or control which is relevant to the issues raised by the grievance.
- K. Leave with pay will be granted to a teacher whose absence from duty is required by the parties to the grievance as part of a grievance meeting. The Office of Labor Relations shall notify the principal(s) of the teacher(s) designated to appear at such meeting.
- L. Nothing contained herein shall limit the right of any teacher to process a grievance as an individual.

- M. The interpretation of conflict, as provided in Article 1, B.2., shall be subject to the grievance process at Level Two.
- N. Any grievance decision shall be provided to the Federation at the time of the decision.
- O. Level One
1. The aggrieved party shall submit the grievance in writing to the teacher's immediate supervisor. The immediate supervisor shall, within ten (10) workdays after presentation of the grievance in writing by the aggrieved, submit to the aggrieved the immediate supervisor's decision in writing.
  2. If the aggrieved is not satisfied with the disposition of the grievance, the aggrieved may appeal the decision to Level Two within ten (10) workdays of receipt of the decision by filing said appeal with the Office of Labor Relations.
  3. Failure to appeal the grievance within ten (10) workdays after receipt of the response shall result in dismissal of the grievance.
  4. In the event a teacher believes it to be necessary to have a Federation representative present at a Level One grievance meeting, such request shall be made in advance and through the Office of Labor Relations. The request will be honored upon notification to the immediate supervisor.
- P. Level Two
1. The Superintendent or designee shall meet with the aggrieved and/or representative of the Federation within ten (10) workdays after receipt of the appeal of the Level One decision by the Office of Labor Relations in an effort to resolve said grievance. Parties to the grievance or their representatives shall have the right to submit evidence, give testimony and call witnesses.
  2. The Superintendent or designee shall, within ten (10) workdays after such meeting provided above, render the decision in writing setting forth the decision and reason(s) therefore and shall transmit same to all parties.
  3. If the Federation and the aggrieved party are not satisfied with the disposition of the grievance, the aggrieved party may appeal the grievance to Level Three. Failure to appeal the grievance within fifteen (15) workdays after receipt of the response to Level Two shall result in dismissal of the grievance.
- Q. Level Three
1. A grievance appealed to this level shall be heard by an Arbitrator who shall be selected as follows: The parties may mutually agree upon an Arbitrator. Alternatively, the parties may jointly request a list of Arbitrators from the Federal Mediation and Conciliation Service ("FMCS"). The parties will strive to mutually agree upon an Arbitrator from that list. If the parties cannot agree, the parties will follow the FMCS arbitrator selection procedures.
  2. The Arbitrator shall schedule the hearing as soon as possible following acceptance of the appointment. The parties agree to make available all pertinent non-privileged information in their possession or control which is relevant to the issues raised by the grievance.
  3. The Arbitrator may establish the rules of procedure and, at the Arbitrator's discretion, may require the parties or witnesses to testify under oath or, upon demand of either party, shall require the parties or witnesses to testify under oath.
  4. The Arbitrator's report shall be prepared and submitted in writing only to the District and aggrieved, within thirty (30) calendar days after the first meeting, and shall set forth the findings of the fact, rationale, conclusions, and the determination on the issues submitted. The determination shall be consistent with law and with the terms of this Agreement.
  5. The Arbitrator shall have no power to alter, amend, add to or subtract from the terms of this Agreement.
  6. The determination of the Arbitrator on matters set forth in this Agreement shall be final and binding.
  7. The determination of the Arbitrator shall be acted upon within thirty (30) calendar days.
  8. The cost for the service of the Arbitrator shall be shared equally by the District and the aggrieved. Unless the aggrieved party is represented by the Federation, the District may require that the aggrieved party post the party's share of the expenses in advance of the hearing.

## **Article 26, DISCIPLINARY ACTION**

- A. Teachers have the right to be accompanied by a Federation representative to advise or represent them during meetings where a suspension, reprimand, disciplinary action and/or pay reduction is/are being considered. Teachers may request to be accompanied by a Federation representative to advise them during a meeting with their principal or supervisor on related matters. Such request shall not be unreasonably denied. Teachers may be suspended, reprimanded, disciplined or have their pay reduced only for good and just cause.
- B. The superintendent may suspend, reprimand, transfer, discipline or reduce a teacher's pay only for good and just cause.
  - 1. If action is taken to discipline and/or reprimand in writing, transfer or suspend or reduce pay, the teacher shall be notified and upon request have the right to notification in writing with the reason(s) therefore and shall have the right of appeal as provided in Article 25, P. if requested within ten (10) workdays after the action is taken.
  - 2. Any teacher suspended shall be suspended with pay until determination of the action to be taken is made. In the event a teacher is suspended with pay pending an investigation, the District shall conduct an administrative meeting with the teacher as soon as practicable but no later than ten (10) workdays after the investigation is completed. If it is determined following the investigation that loss of pay to the teacher is warranted, such reduction shall become effective retroactive to the first day of suspension.

## **Article 27, SEPARATION RIGHTS**

- A. Teachers may be refused renewal of employment, discharged or terminated only in accordance with law. However, teachers who have not signed three (3) consecutive full year contracts with the District may be refused reemployment by the District and, in that event, will receive written notice of the reason(s) for such refusal of reemployment. Those teachers have the right to a meeting with the Superintendent or his/her designee if requested within five (5) working days after receiving the notice. A meeting will be held within ten (10) days after the Superintendent receives such request.

- C. Teacher complaints of unsafe or unhealthy conditions shall be reported by the principal to the Loss Control Manager. Before a grievance may be filed, the District's Loss Control Manager shall have ten (10) duty days from the day the principal was informed to act on the complaint. The time line for the filing of a grievance shall commence at the conclusion of the Loss Control Manager's ten (10) day period for action.
- D. The parties agree that there shall be a health and safety committee in each school. Composition of the committee shall be determined by the principal and faculty. Said committee shall:

If a successor Agreement is not agreed to and ratified by July 1, 2012, this Agreement shall remain in effect until agreement and ratification occur or either party gives notice in writing of its desire to terminate such Agreement.

- B. Salaries, pay differentials and insurance premiums shall be opened each year of this Agreement. Such negotiation shall begin on or before April 1 of each year or as agreed to by the parties.

## APPENDIX D TIME CHART

The Negotiated Agreement and District practices allow for additional time and flexible scheduling to be used for professional development and other school-specific functions. The chart below clarifies how the time can be used and who determines how it is used.

<b>Article of agreement and/or description</b>	<b>What</b>	<b>Who decides</b>
5, C.4. Lengthening of the duty day (see page 12 )	The duty day can be extended up to two (2) hours every twenty workdays. The time must be used for school business and must be attached to the duty day. In other words, teachers cannot be required to return to work in the evenings.	<i>Principal/Supervisor can use these hours at his/her discretion</i>
5, C.6. Federal, state or judicial training requirements (see page 12)	Up to fourteen (14) hours per school year can be used if required by a federal, state or judicial mandate.	<i>The district notifies teachers of the training and the entity requiring the training.</i>
“Banking” of instructional time	Schools sometimes extend the student instructional day in order to get blocks of time for school- or cluster-specific activities. By extending the instructional day, schools meet state requirements concerning instructional time. This provides time when students are excused from school so that staff can have time for professional development, in-service, training etc.	<i>It is the Instructional Council’s responsibility to:</i> <ul style="list-style-type: none"> <li>• <i>Decide in collaboration with the whole staff whether or not to bank between 1-4 days;</i></li> <li>• <i>Coordinate with the cluster on the dates for the professional development days;</i></li> <li>• <i>Work collaboratively with the whole staff to decide the content of the professional development and the date or dates it will be held.</i></li> </ul>
<i>Open House/Curriculum Night</i>	<i>It is a professional responsibility of teachers to attend one (1) open house or curriculum night.</i>	<i>ATF and APS mutually agreed that it is the responsibility of the teacher to attend one of these functions. It is the principal who decides when the function will occur.</i>

## **APPENDIX G REVIEW OF TEACHER PERFORMANCE EVALUATION WITHIN THE 3-TIERED LICENSURE SYSTEM**

### **Purpose**

“Teacher evaluation has as its primary purpose the improvement of teacher performance” (APS/ATF Negotiated Agreement). One of the purposes of performance evaluation within the context of the 3-Tiered Licensure System is to establish a means to verify that teachers are meeting the 9 approved Public Education Department competencies for teachers in the state of New Mexico at a specific licensure level. Both principals and teachers have roles and responsibilities within this evaluation process.

### **Process**

- All teachers are evaluated yearly.
- The summative evaluation form, the progressive documentation of teacher performance form, and the PDP form are used to document the evaluation of teachers.
- All teachers are responsible for all 9 competencies yearly.
- Teachers meet competencies; not indicators. Indicators describe each competency. There is not a number or percentage of indicators that a teacher must meet in order to be proficient in a competency.

Principals should draw from all the indicators as descriptors of teacher proficiency in each competency area.

Teachers should draw from all the indicators to demonstrate proficiency in each competency area.

- In order for a principal to check “does not meet” for any competency, one of the following must have occurred:
  1. The teacher has been placed on an improvement plan by the principal; or
  2. The teacher was disciplined for a conduct issue related to a competency and was previously placed on an improvement plan due to the misconduct. For the specific policies and procedures regarding disciplinary action, contact the Labor Relations Office, the Director of Labor Relations, or the Teachers Federation.
- If during the year, a teacher is not meeting a competency, then the principal must place the teacher on an improvement plan at that point. The principal must also contact Human Resources so that the APS process for an improvement plan is followed.
- To place a teacher on an improvement plan, there must exist specific documentation indicating a teacher is failing to meet one or more competencies. The documentation must be tied to the competencies.
- If a teacher is on an improvement plan and at the end of the year the documentation shows he/she did not improve, then the principal checks “does not meet” for a particular competency.
- If a teacher is on an improvement plan and at the end of the year, the documentation shows he/she did improve, then the principal would check “meets” for a particular competency.
- Should a Level 3 teacher not meet competencies at level 3 for a 2-year period and there is sufficient documentation to prove this, there exists a process through which a teacher may be moved to level 2. The Secretary of Education is the only person who can make this decision. The Secretary of Education would base this decision on the information provided by the local school district. Depending on that decision, there also exists an appeal process.
- This process does not apply to a Level 2 teacher since moving to Level 1 is not an option.

## **Roles and Responsibilities for Evaluation**

### **Teacher**

- Demonstrate proficiency in all 9 New Mexico teacher competencies.
- Draw from all the indicators to demonstrate proficiency in each competency area.

### **Principal**

- Verify that teachers are meeting the 9 New Mexico teacher competencies.
- Draw from all the indicators as descriptors of teacher proficiency in each competency area.
- Reminder: Teachers meet competencies; not indicators.

## **Roles and Responsibilities under an Improvement Plan**

### **Teacher**

- Review with the principal the improvement plan provided by principal.
- Acknowledge that it is the teacher's professional responsibility to meet the goals and expectations as outlined in the improvement plan.
- Utilize indicators from competencies and expectations outlined in the improvement plan given by the principal to improve.
- Request and utilize support that will lead to improvement.

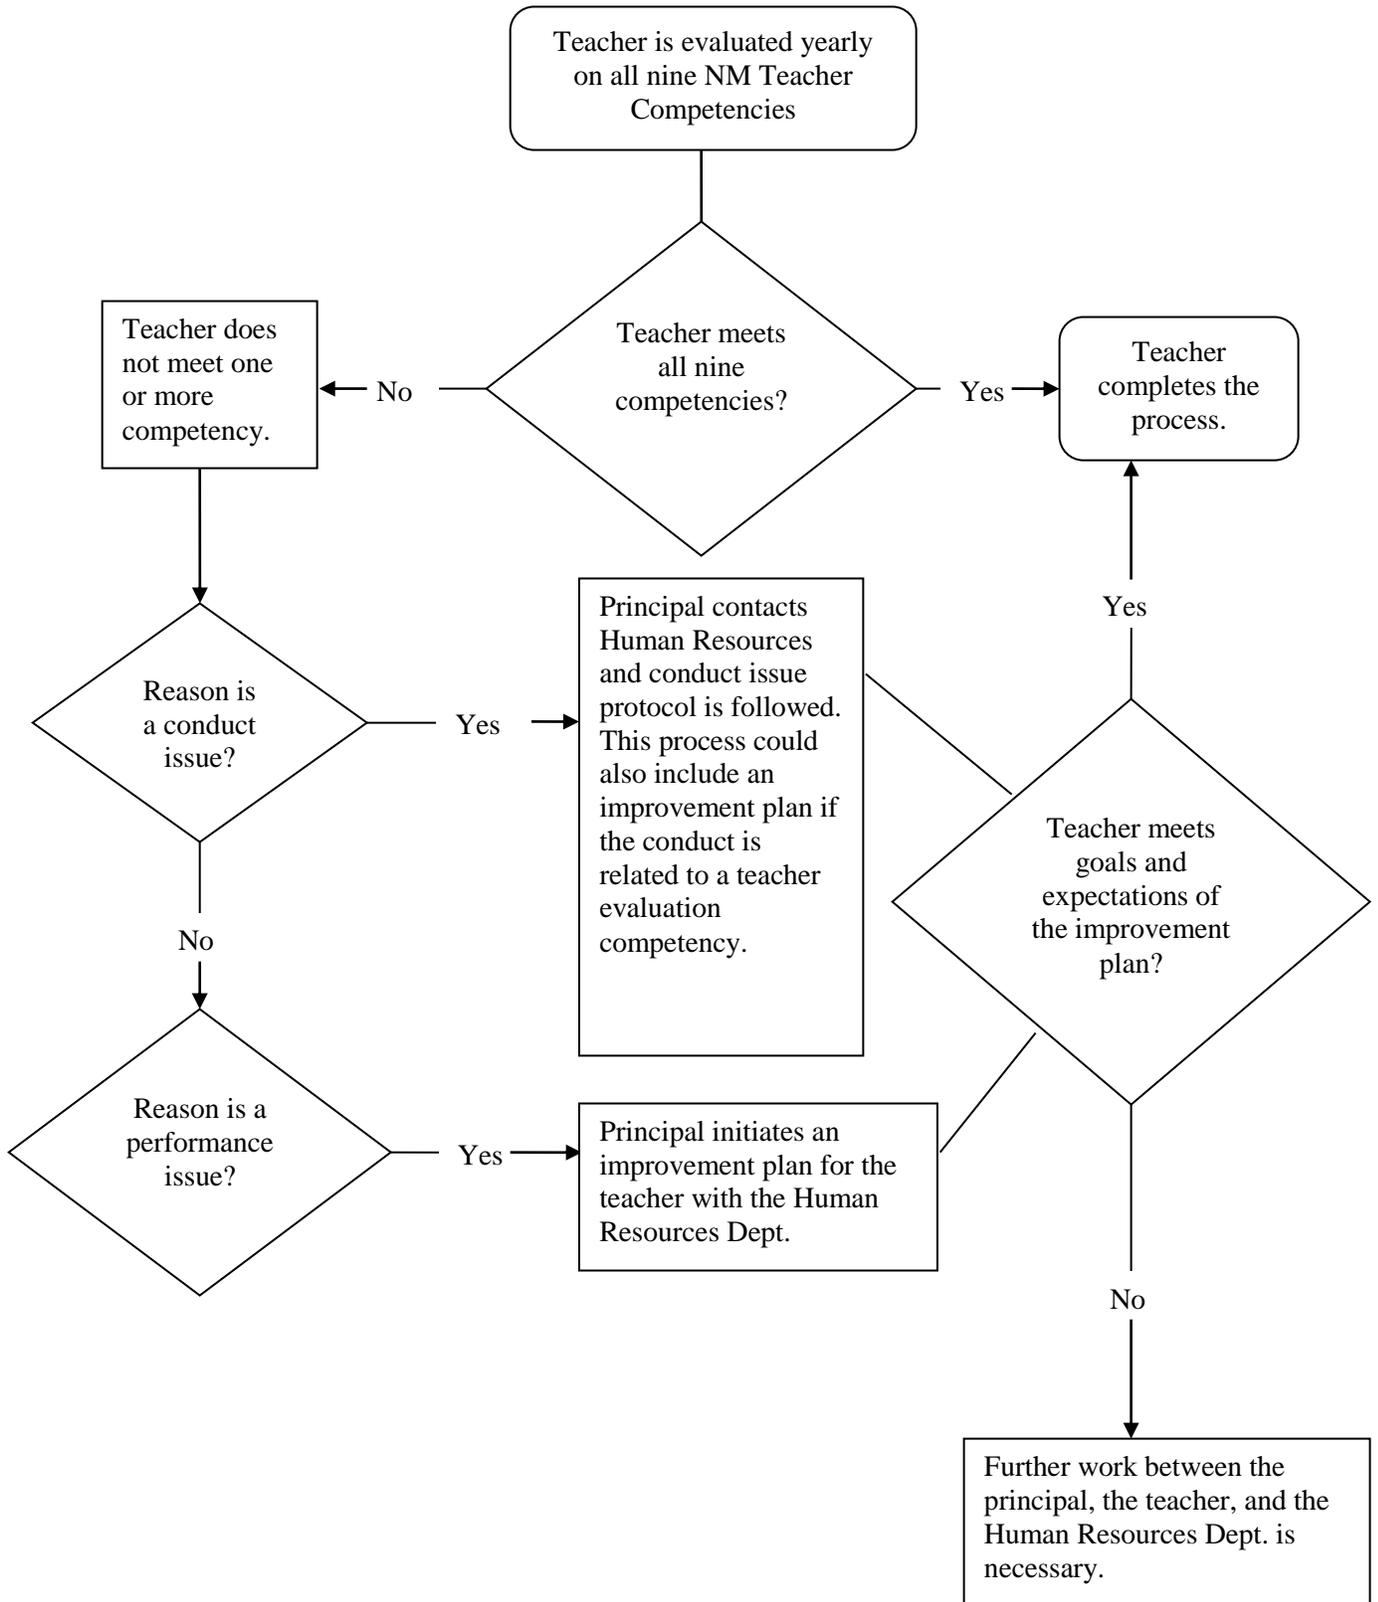

### **Principal**

- Contact Human Resources so that the process is followed according to APS guidelines/Negotiated Agreement.
- Provide teacher with documentation tied to competency(ies) that the teacher is not meeting.
- Be descriptive and non-judgmental.
- Be accurate with facts, dates, times, names, etc.
- Provide teacher, in the improvement plan, clear expectations that will demonstrate improvement.
- Provide teacher with regular feedback. (Summary memos of observations, parent conferences, teacher conferences, etc.) The teacher must know how he/she is doing during the process.
- Provide teacher with support to help improve.
- Provide teacher a specific timeline to improve.
- Monitor on a regular basis so that verification of improvement or lack of improvement is easily documented.

### **Resources**

- Evaluation Steps for Improvement available on the APS intranet at [aps.edu](http://aps.edu)
- Assessment Guidelines for the New Mexico Teacher Competencies and Indicators available at [www.teachnm.org](http://www.teachnm.org).

FLOW CHART**

## **APPENDIX H**

### **ATF/APS CONFLICT RESOLUTION PROCEDURE**

*Refer to Article 24 of the Negotiated Agreement*

The following process is an available option that may be used when a conflict exists between a supervisor and employee which the two parties have not been able to resolve on their own and the issue:

1. does not rise to the level of a grievable matter, but does warrant resolution, or
2. is grievable, but the employee does not wish to begin resolution efforts through the formal grievance procedure. If the grievance procedure would normally be available, any applicable timelines involved in the formal grievance procedure would be frozen or held in abeyance until such time as one or both parties voluntarily withdraw from the conflict resolution procedure.

It is understood that the conflict resolution procedure is voluntary and that both parties would have to agree to enter into the process in order to seek a remedy in the manner outlined below.

Stage 1. Face to face meeting between the parties occurs at a location off-site if requested by one or both parties. At this meeting, each party is given the opportunity to state the problem as they see it and respond to the other individual's issue and or perspective. At this point, the parties involved in the conflict may each ask for the assistance of a representative to assist in attempting to resolve the matter.

Either party or both parties may ask to have a third party ombudsman (trained in conflict resolution strategies) accompany them at this time—not as an advocate—but as a facilitator, with the purpose being to find a resolution to the conflict. The ombudsman would be selected from a cadre of trained facilitators.

Process: Allow for adequate time to resolve the matter. This could be limited to a set number of days or end with a notice from one party to another that they want to move on to mediation.

If resolution occurs – matter closed.

If problem is not resolved, then both parties agree to move to the second stage.

Stage 2. Mediation between the parties occurs with one or more trained mediators from EAP with the goal of reaching a resolution to the conflict.

Process: To activate the mediation process, indicate in writing on a form, developed for this purpose, that there is a dispute needing resolution through mediation. Submit copy of form to Employee Assistance Program to request the mediation process formally begin.

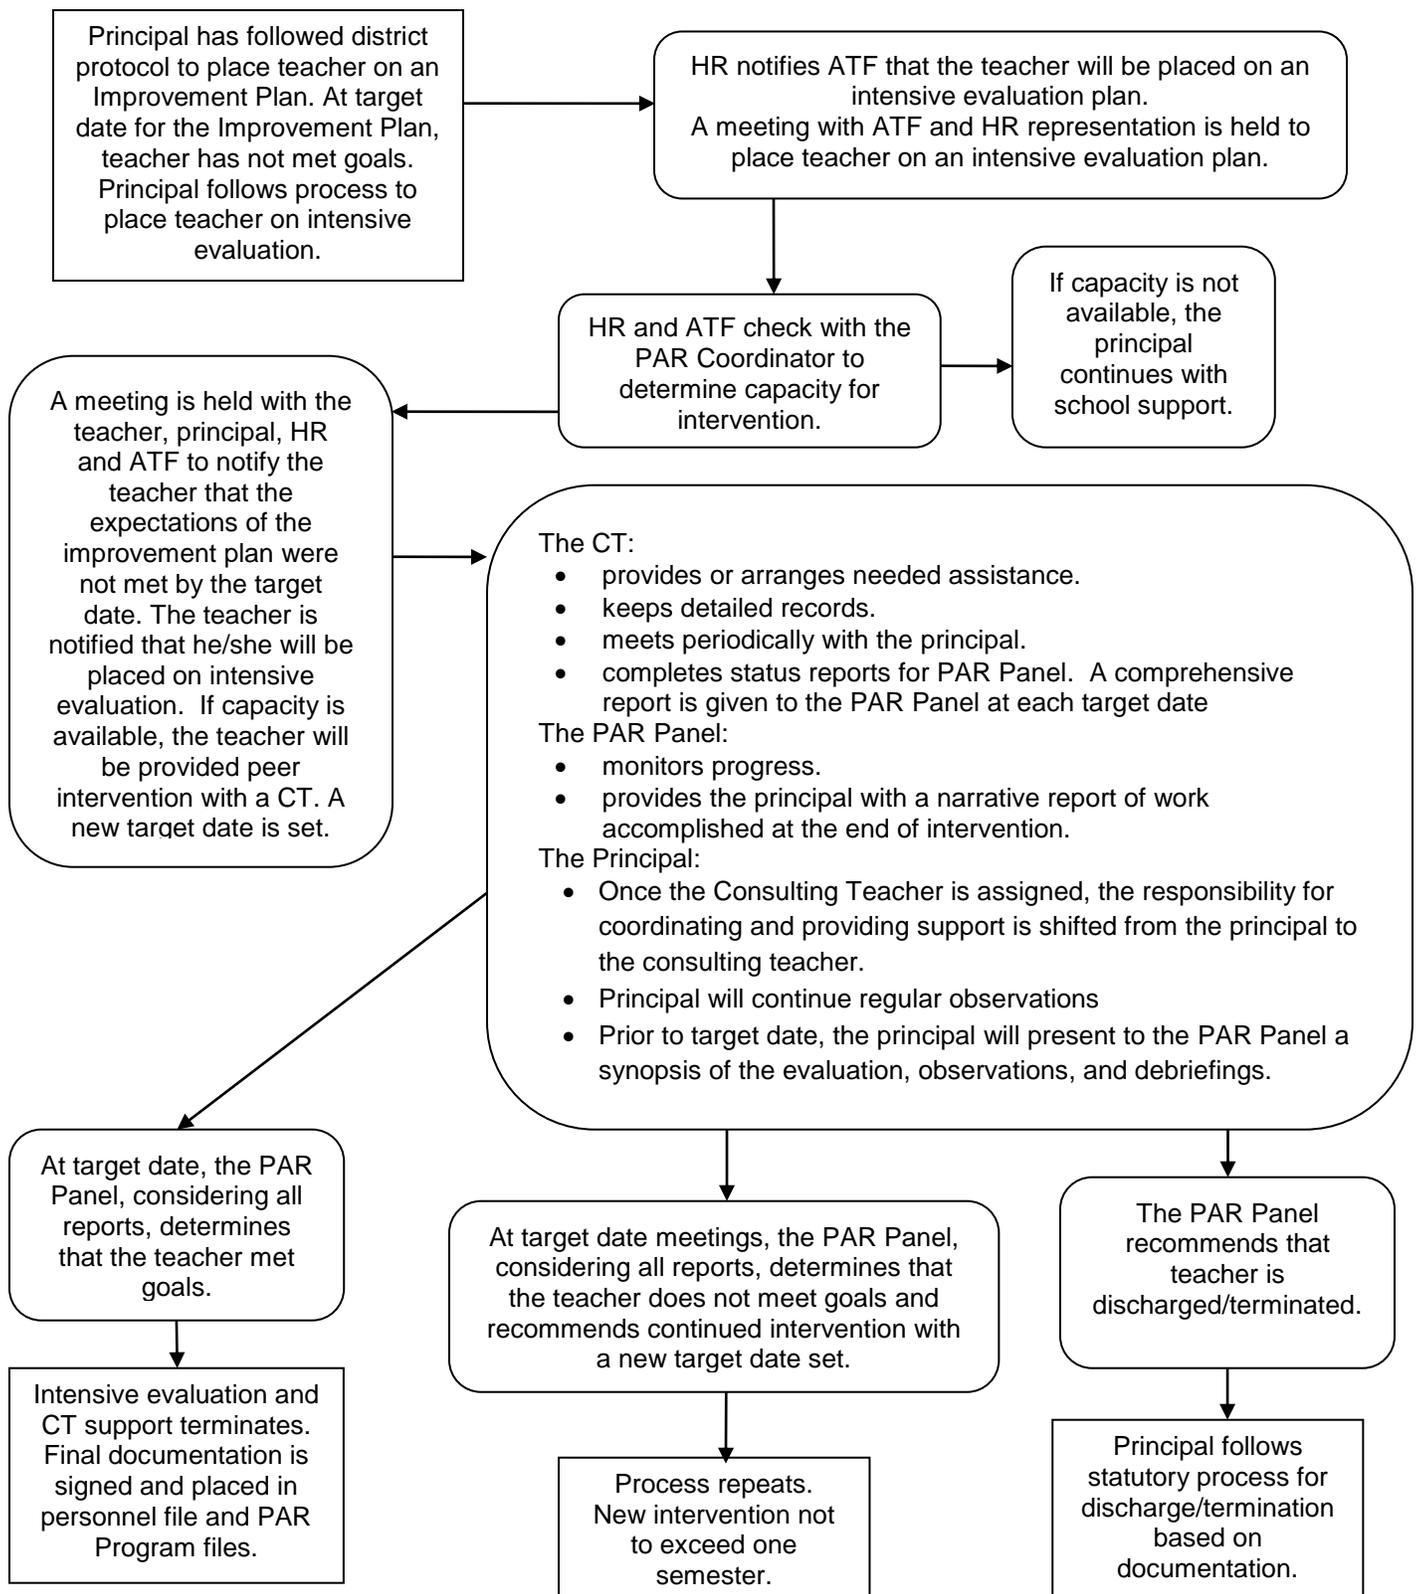

Protocol: Mediate in good faith

- This includes a requirement of confidentiality
- Open sharing of information
- Promptness / observation of timelines
- No steps are taken toward grievance or arbitration until the whole mediation process is completed.

If resolution is reached through mediation, a written agreement is signed by both parties with both parties agreeing to abide by the resolution. If no resolution is reached, a written statement to that effect is signed by both parties. Other avenues for resolution may be pursued if available.

  - b. The APS/ATF Panel will consider the needs of the school's Special Education students and the background and qualifications of the Special Education staff in a multi-sensory reading program.

The parties agree to restore all differential amounts identified in Article 6 of the 2011-2012 Negotiated Agreement which were reduced by the amount of 15% for school year 2010-2011 back to 2009-2010 levels.

**APPENDIX J.6

**CONTINUING THE ONE DAY REDUCTION IN LENGTH OF CONTRACT YEAR FROM 184  
DAYS TO 183 DAYS FOR SCHOOL YEAR 2011-2012**

The parties acknowledge the continuing budgetary challenges currently facing the District. In light of that fact, the parties agree to reduce the length of the contract year by one (1) day for all bargaining unit members currently employed for a 184 day contract. The day to be eliminated shall be the day (6.5 hours)

identified for site directed and controlled professional development. This reduction shall result in a 183 day contract year for those individuals affected. This reduction shall be for School Year 2011 – 2012 only. If the parties mutually agree that the need exists beyond the 2011-2012 school year to extend this reduction, then it shall be a subject for negotiation during the 2012-2013 contract talks.

The parties further agree that because state law establishes minimum salary levels for employees based on licensure levels held, that no employee regardless of licensure level will be reduced below statutory minimums as a result of the one day reduction in contracts from 184 to 183 days. In addition, those individuals who, for salary purposes, are on the ATF-APS negotiated Career Pathway salary systems shall not be reduced in salary below the 30,000 dollar minimum for those on the Level 1 Career Pathway, the 40,000 dollar minimum for those on the Level 2 Career Pathway or the 50,000 dollar minimum for those on the Level 3 Career Pathway.

The parties further agree to eliminate the 13 hours identified in Article 5.C.5. of the negotiated agreement available to schools to be utilized annually for professional development activities collaboratively planned through the Instructional Council for School Year 2011 – 2012 only. If the parties mutually agree that the need exists beyond the 2011-2012 school year to extend the reduction of the contract year by one day, then the continued elimination of the 13 hours shall also be a subject for negotiation during the 2012-2013 contract talks.

The parties agree to eliminate the Literacy, Math and Early Childhood Leader Differentials identified in Article 6. E. 4. b. of the 2009-2011 Negotiated Agreement.

At such time as money becomes available to restore differentials, a determination shall be made through the negotiations process as to how this money shall be utilized for the purposes of compensating teachers for new teacher leadership roles to be established at the elementary school level.

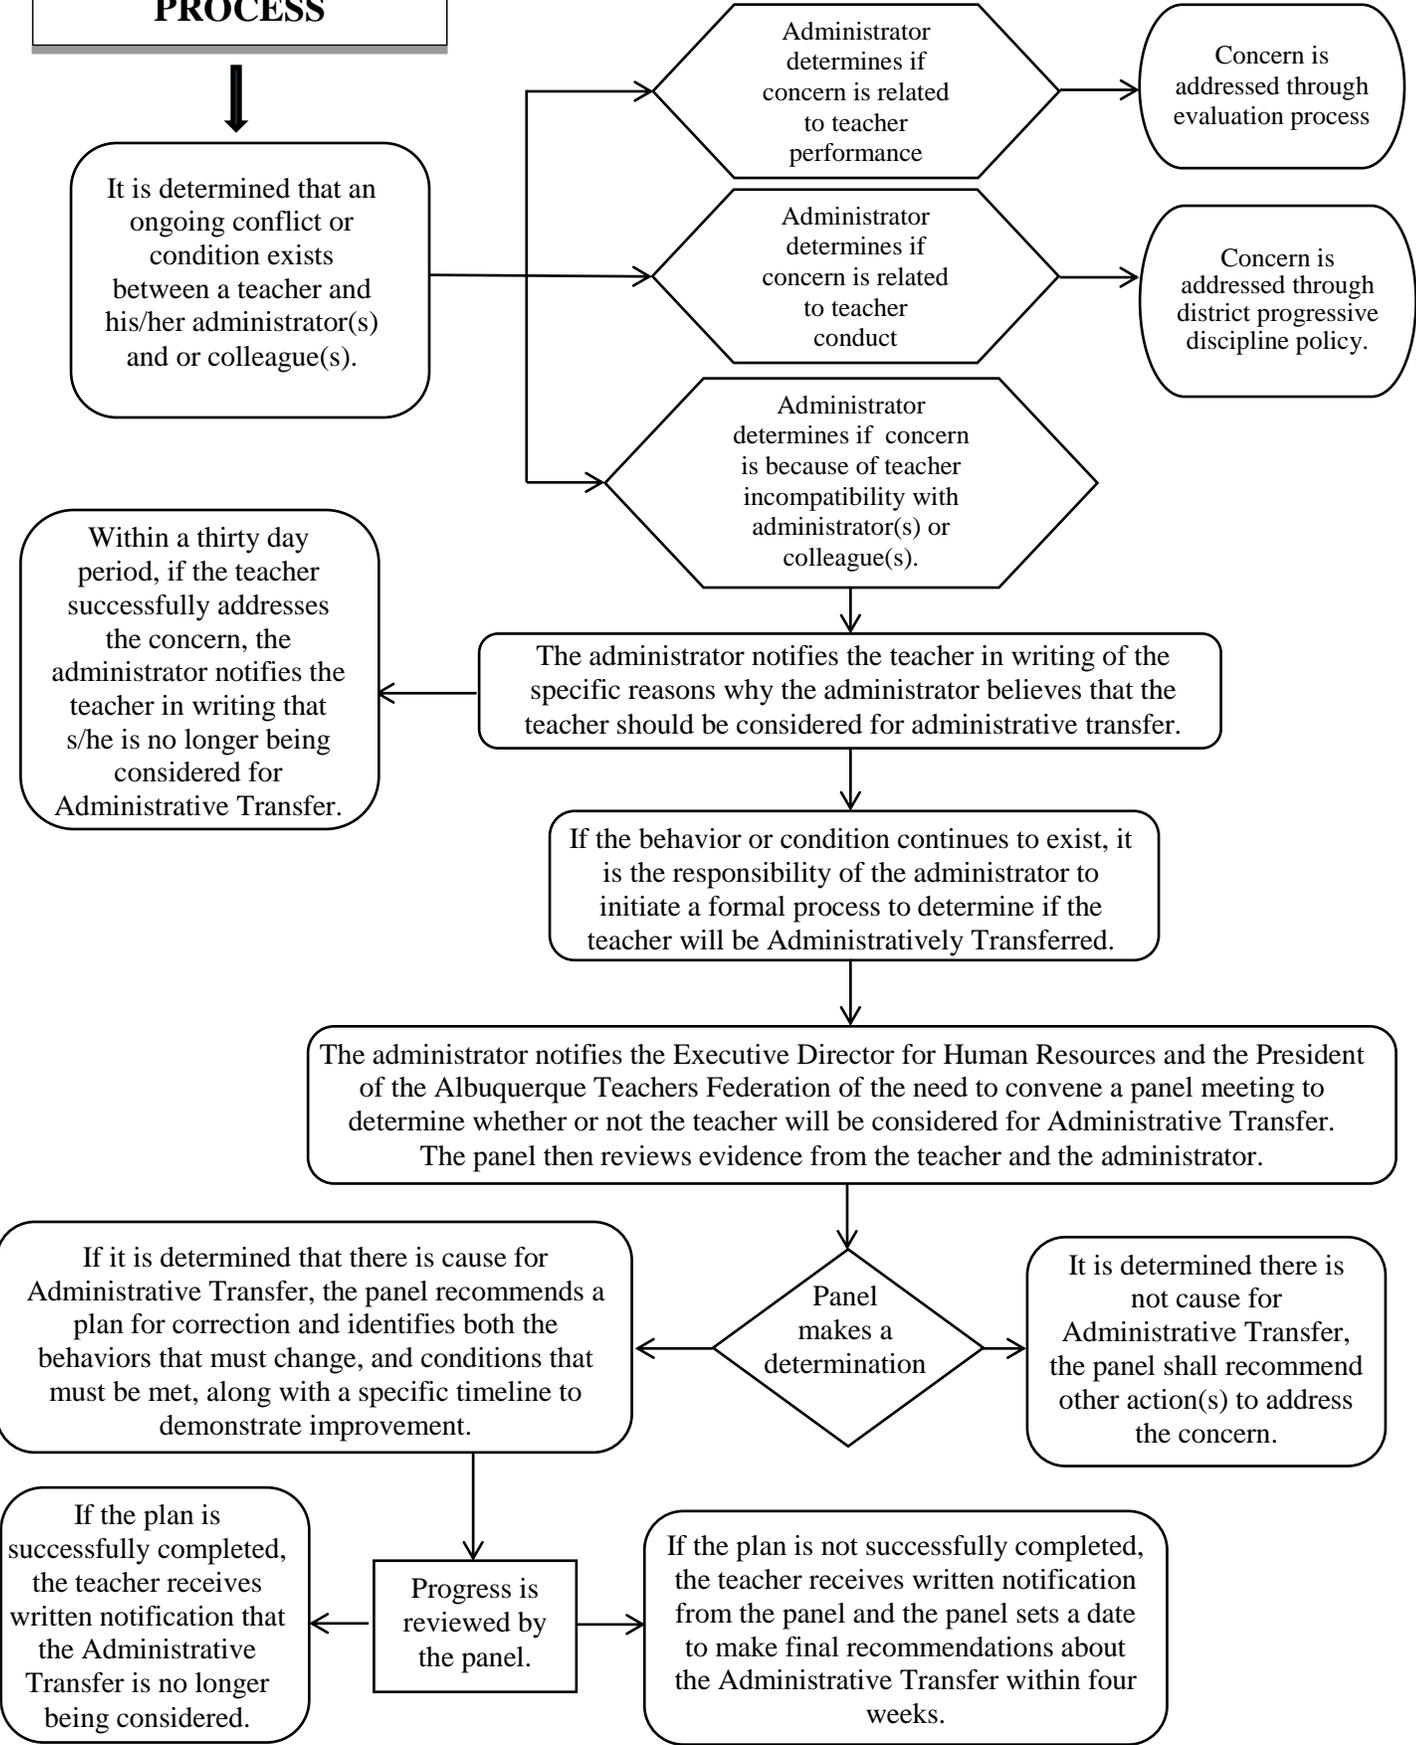

**APPENDIX J. 9**  
**MEMORANDUM OF UNDERSTANDING**

**ADMINISTRATIVE TRANSFERS**

  - 3. As part of the process in this provision, the parties agree to establish a panel consisting of one member from the District, one member from the Federation, and, if one or both parties deem it necessary, one member from the Federal Mediation and Conciliation Service (FMCS).
- B. Administrative Transfer Process
  - 1. If there is an ongoing conflict or other condition that exists between a teacher and his or her administrator(s) and/or colleague(s), it is the administrator's responsibility to determine if the concerns about a teacher are related to teaching performance that should be addressed through the evaluation procedure or specific conduct that should be subject to the district's progressive discipline policy.
  - 2. If the administrator determines that the actions of the teacher or other conditions result in the teacher being incompatible with the administrator or colleagues at the school, the administrator will notify the teacher of the specific reason(s) in writing why the administrator believes that the teacher should be considered for Administrative Transfer.
    - a. Employees will have a minimum of one month to demonstrate that the concerns have been addressed.

    - d. If the case does not meet the panel's criteria the panel shall notify the administrator and the teacher why and recommend action the administrator could consider to better address the concerns. These could include, but not be limited to, using the evaluation process to correct behavior or the district's progressive discipline process to address conduct issues. The panel could also recommend that the teacher and administrator seek mediation services from the district's Employee Assistance Program.
    - e. If the behavior or condition meets the criteria for an administrative transfer, the panel will recommend a plan delineating specific behaviors and conditions that must change and establish a timeline for improvement that shall be no longer than six (6) weeks in duration.
    - f. The plan shall be provided to the teacher, the site administrator, HR and ATF.

- g. At the end of the established timeline, the panel shall reconvene to hear of the progress or lack of progress made. The panel shall determine if the behaviors and conditions are the same or similar to those that led to the panel placing the teacher in the process. If so, the panel shall convene a meeting to hear evidence and determine if the teacher should be transferred.

PROCESS**

**APPENDIX J.10  
MEMORANDUM OF UNDERSTANDING**

**SPECIAL EDUCATION CONTINUUM OF SERVICE DELIVERY OPTIONS**

As the Albuquerque Public Schools (APS) and the Albuquerque Teachers Federation (ATF) seek to improve the quality of services provided, many innovative models of service delivery have emerged. Any model for service delivery needs to accommodate all services as indicated on an individual student's IEP.

Special Education requires that a school provide a continuum of service delivery options in order to meet the varied individual needs of students who are eligible to receive special education services. Such a continuum would include the following:

- Full participation in the general education class - the student pursues the same objectives within the same activities
- Multi-level instruction - students attend the general classroom but pursue different objectives at multiple levels based on individual need
- Curriculum overlapping - a group of students is involved in the same lesson in the general education classroom but pursuing goals and objectives from different curricular areas
- Alternative participation - students pursue alternative activities if the general education class does not address student needs through strategies described above
- Participation in general education classes and alternative special settings
- Self-contained special education services

Some models of service delivery within this continuum are part of an overarching strategy called "co-teaching":

- Supportive Teaching - one teacher presents content, another provides enrichment
- Parallel Teaching - teachers sometimes work in separate groups in the classroom
- Complementary Teaching - certain learning strategies within the context of a content lesson
- Team Teaching - both teachers share the whole class instruction; lessons can be divided and there may be simultaneous instruction

The intent of the Individuals with Disabilities Education Act (IDEA) is to serve all children within the general education setting (whenever possible) with the use of supplemental aids and services. Removal from general education can occur only after the District can justify that the student's needs cannot be satisfactorily met in the general education setting. The District and the Federation support all schools in their endeavors to achieve the least restrictive environment for each student.

**DEFINITIONS**

Often, the differing interpretations of terms are so varied that meaningful dialogue becomes hampered. The following definitions are offered in order to develop a common vocabulary. The following terms have a basis in state and federal regulations.

**Special Education**: The Individuals with Disabilities Act (IDEA) guarantees that students with disabilities will have "a free appropriate public education (FAPE) that emphasizes special education and related services designed to meet their unique needs and prepare them for employment and independent living" (1997 amendments)

**Least Restrictive Environment**: A term referred to in IDEA that requires:  
To the maximum extent appropriate, children with disabilities, including children in public or private

institutions or other care facilities, are educated with children who are not disabled and that placement in special classes, separate schooling or other removal of children with disabilities from the regular educational environment occur only when the nature or severity of the child's disability is such that education in general education classes, with the use of supplementary aids and services cannot be achieved satisfactorily.

**Inclusion**: Not a term used in regulation but is a philosophy (not a program or strategy) that believes all students in a school should have equal access to all program and services in an integrated setting. It is a belief that each individual is valued and belongs to the school and the surrounding community.

### **SPECIAL CONSIDERATIONS AND SUGGESTIONS**

The following considerations and suggestions are provided to assist schools in structuring programs to meet special education students' individual needs:

1. Special education is an integral part of the total educational enterprise, not a separate entity nor a place. It is a means of enhancing the capacity of the educational system to serve the needs of all students.
2. Decisions about the appropriate education for students with disabilities must be made on an individual student basis. Each decision must be a cooperative venture involving educators, parents and, when appropriate, the student.
3. The aim of any service must be to facilitate the provision of an appropriate education for the student. A clearly stated educational rationale is necessary to remove a student from his or her current educational setting to a more or less restrictive environment within the continuum of services.
4. The commitment to educate a student with disabilities in the general education classroom setting should continue to the degree that is consistent with meeting the specific needs of that student.

### **SUMMARY**

The planning, selection, and availability of service options must be based solely on individually identified student needs. In all cases, the general education setting must be considered first, especially given the strategies available to general and special education personnel. If, after special consideration, it is determined that the student will not benefit from full inclusion in the general education setting, a variety of other settings may be considered with the least restrictive educational setting identified as a guiding principle.

There have been proposals by some schools to eliminate all self-contained or segregated special education service options. This would obviously result in a continuum of services not being made available to students in those schools. The District and the Federation support individual children being served in a general education classroom 100% of the time with appropriate support as just one option within the continuum of services. The District and the Federation cannot support full inclusion as a policy/practice in which all students with disabilities receive their total education within the general classroom, without regard for their individual needs. All schools are expected to meet the individual needs of their students unless the district has created a specially designed program to meet the needs of a low incidence population of students.

**HEAD SPECIAL EDUCATION TEACHER POSITIONS**

Starting in the 2011-12 school year the District and Federation agree to begin funding the position of Head Special Education Teacher as a separate FTE.

The funding of the Head Special Education Teacher will be phased-in and start with schools that have the largest special education programs and need.

For those schools in which the Head Special Education Teacher is a funded position, the principal may hire/appoint a qualified teacher, who is interested, to that position in lieu of a departmental election.

APS and ATF will work collaboratively, through the Head Teacher Leadership Committee, to phase in the Head Special Education position as funds become available.

**APPENDIX J.12  
MEMORANDUM OF UNDERSTANDING**

**SPECIAL EDUCATION TEACHER PREPARATION TIME**

The parties have a mutual interest in ensuring that special education teachers receive sufficient preparation and planning time.

- A. The parties agree to the following:
1. Before the beginning of each school year, secondary schools will submit a plan detailing how preparation periods/times are scheduled. In the event preparation time is scheduled for teachers through coverage by non-licensed employees, the lesson or activity should be associated with the class curriculum and/or students' IEPs.
  2. Teachers shall not be required to send classes to another teacher (who has a class of students) in order to get their prep period.
  3. Each elementary school shall strive to equalize the amount of prep time general and special education teachers receive. Each elementary school shall submit a plan detailing how it has tried to equalize the amount of prep time general and special education teachers receive.
  4. The establishment of a joint panel to make determinations or offer recommendations about conflicts or problems associated with issues related to this memorandum of understanding and any future agreements related to the topic of special education preparation time.
- B. The parties agree to discuss and attempt to reach conceptual agreements on the following issues prior to the start of 2012-13 negotiations:
1. Ways in which special education licensed personnel can be assigned to school sites (either one school site or, if funding is not available, multiple sites) to free up time for preparation and planning for teachers. Increasing licensed personnel would allow teachers to get preparation time and ensure that students receive instruction from a licensed teacher.
  2. Assuring that scheduled recess times at elementary schools designated as preparation time include all special education teachers.
- C. The parties agree to jointly research the financial impact of creating elementary school schedules that allow for meaningful and educational activities and/or lessons to be conducted by an educational assistant during specials and physical education instruction.

**ELEMENTARY RECESS**

ATF and APS recognize that recess for elementary students provides children with opportunities to engage in physical activity that helps to develop healthy bodies and practice life skills such as conflict resolution, cooperation, respect for rules, taking turns, sharing, using language to communicate and problem solving in real life situations.

In addition, research shows:

- An unmistakable link between movement and thinking because performing complex movements like dancing, throwing a ball or playing tag engage the same area of the brain, the cerebellum, as those used for problem solving, planning and sequencing.
- A person's capacity to master new and remember old information is improved by biological and chemical changes in the brain caused by exercise.
- Brain functioning, attention, memory, social and emotional development, and language development all reveal the unmistakable advantages of physical exercise.

ATF and APS agree to encourage all elementary schools to reestablish recess time for children in the morning, at lunch and in the afternoon.

**TERM LIMITS FOR SPECIAL EDUCATION RESOURCE TEACHERS IN THE MENTOR  
PROGRAM: AN APS/ATF/UNM PARTNERSHIP**

Positions for Special Education Resource Teachers in The Mentor Program: An APS/ATF/UNM Partnership will be rotated to maximize professional development opportunities for eligible participants. A special education teacher may serve as a resource teacher for one (1) three-year term. A resource teacher who has completed one (1) three-year term may apply annually for an additional one-year assignment, not to exceed three (3) additional years. A teacher may serve as a resource teacher in The Mentor Program: An APS/ATF/UNM Partnership a maximum of six (6) years.

Current resource teachers who have completed three (3) or more years in The Mentor Program: An APS/ATF/UNM Partnership as of May 28, 2010 will be considered as having completed one (1) three-year term and may apply annually for an additional one-year assignment beginning with the 2010-2011 school year, not to exceed three (3) additional years [maximum of six years].

MEMORANDUM OF UNDERSTANDING**

**ESL DIFFERENTIALS**

If the number of volunteers exceeds the positions available at a grade level/department, ask for volunteers first. Then the assignment should be made on a rotational basis starting with an impartial selection process, such as a drawing.

Note: If a school has more TESOL-endorsed teachers than ELL groupings and uses a rotation as suggested above, teachers on an improvement plan or intensive evaluation would not be eligible to participate.

## APPENDIX K DEPARTMENT CHAIR ELECTION GUIDELINES

### **GENERAL CONSIDERATIONS**

*Below are questions to be answered by the department, **before** the first nomination is made and certainly before the first ballot is cast. Each school may have a different view on each question, but there should be agreement on these issues before the process continues.*

- 1. Determine the method of election/selection outlined in the Negotiated Agreement under Article 6.E.** Will an election be conducted, or will the names of two or more persons be submitted to the principal for his/her selection?
- 2. Determine the universe of voters. Who is eligible to participate in the election?**
  - All certified staff who work in the department?
  - Does this include part-time employees? Contract employees? All ancillary personnel? Itinerant ancillary persons, such as OTs, PTs, who may visit the school only once or twice a week?
  - What about employees who teach in two or more departments, e.g. language arts and social studies? Do they vote in the department even if they only teach one class in that particular department?
  - If a teacher will be transferring or retiring before the start of the following school year, should that person be eligible to vote?
- 3. Determine the definition of vote.**
  - One person, one vote? This is the usual practice.
  - Does the "vote" of someone who is part-time (e.g. a .2 FTE) count the same as someone who is full-time?
  - Should there be a "weighted" vote? Should a "vote" be based on the number of periods a person is in the department? For example, someone who teaches six periods per day in a department would have six votes. One who teaches two periods per day would have two votes. How would this apply to itinerant people like Adaptive PE teachers and OTs?
- 4. Specify how a winner is determined.**
  - Should the winner be elected by a simple majority of the votes cast, that is 50% + one?
  - If there are multiple candidates, should a runoff election be held, or should the winner be the candidate that receives a plurality of the votes?
- 5. Determine, publish and distribute the timeline and procedures for the election.**

### **PROCEDURAL RECOMMENDATIONS**

- **Decide on a calendar for the election.** In highly contested elections, it is recommended that the following take place:
  1. Have a nomination period of several days.
  2. Post the nominations in the lounge during and after the nomination period.
  3. Conduct a department meeting in which each candidate can make a statement of their reasons for seeking the position and to answer questions by dept. members.
  4. Election Day(s) – Announce when the voting day(s) will be well in advance.
- **Post or distribute the election calendar, voting procedures AND the list of eligible voters, as decided by the department.**
- **It is recommended to conduct voting for at least two days and to develop a procedure for absentee voting, in case someone is sick or will be off-campus during the election period.**

- **Print official ballots and secure a ballot box.** If you are able to do so, obtain the use of a ballot box that can be locked. Place the ballot box in a public location for the voting period.
- **Make sure to clarify the times for voting and for counting the votes.** At the close of balloting, count the votes in the same public location. Invite everyone to the vote count.
- **The election procedures should specify what will happen in the event of a tie.** Will a tie be broken by a coin toss, or drawing high card or other chance drawing? The tie-breaker method should be agreed upon by both candidates, and understood by everyone, before the first vote is cast.

**These guidelines have been developed from past experiences where voter eligibility and procedures have been at issue. It is strongly recommended that you plan for every contingency to ensure the integrity of the election.**

## APPENDIX L

### THE ATF CODE OF PROFESSIONAL RESPONSIBILITIES FOR TEACHERS

The Code of Professional Responsibilities was written by teachers for teachers. It is included solely as a statement to reinforce the Albuquerque Teachers Federation's commitment to the profession of teaching.

#### Categories of Responsibility:

**Teaching:** Classroom instruction is the primary responsibility of the teacher. Included in that instruction is:

- the planning and implementation of daily classroom experiences
- an understanding and awareness of student development
- a command of content knowledge
- a knowledge of and ability to implement appropriate methodology
- the ability to think both deeply and broadly about subject areas and the pedagogy of teaching
- the knowledge of and responsiveness to students
- the ongoing assessment of student's progress and one's own teaching

**Professional Development:** It is necessary for teachers to engage in ongoing professional development in order to maintain, gain and enhance their knowledge and implement current best practice in their field of expertise. Currently teachers pursue professional development through:

- a self-directed PDP
- district staff development offerings
- school based staff development
- university course work on their own time
- collaboration with peers
- work on various school, district and union committees
- presenting at and attending conferences and workshops

**Parent Relationships:** Teachers maintain ongoing communication with parents of their students.

Teachers communicate through some or all of the following ways:

- newsletters
- phone conversations
- individual notes
- weekly reports
- student contracts
- daily feedback about a student's work through grades and comments
- conferences
- report cards

Relationships between teachers and parents are extended through joint work on school and district related committees.

**Peer Relationships:** As part of a school community teachers participate in many committees and task forces in which they work collaboratively with their peers. As they network with each other, teachers share:

- curriculum ideas
- materials
- knowledge and expertise
- students and information about them

Teachers work collaboratively in order to plan the best possible educational programs for students. Teachers work in conjunction with the administration and staff in order to provide a cohesive school experience.

**Public Image:** Teachers are spokespeople for public education. Teachers represent their profession to the community at large and as such model behavior and appearance appropriate to the profession.

## APPENDIX M

### PROCESS FOR OBTAINING A WAIVER TO THE NEGOTIATED AGREEMENT

A provision of the Negotiated Agreement may be waived or altered only with the written consent of both the District and the Federation (Article 30 C.). A request for a waiver of a provision of the Agreement shall be granted or denied using the following procedure:

#### **Waiver Request Specific to an Employee**

Request for a waiver limited to the individual requesting the waiver must be made, in writing to the President of the Federation and the Director of Labor Relations for the District. The request shall specify the provision to be waived and the reason(s) for the request.

#### **Waiver Request Affecting More than One Employee**

Request for a waiver which affects two or more employees must be made, in writing, to the President of the Federation and the Director of Labor Relations for the District. The request shall include the provision to be waived and the reason(s) for the request.

#### **Process for Federation Approval of Waiver Request Affecting More than One Employee**

The Federation has established, by action of its policy making body, the ATF Fed Rep Council, its own internal procedure for granting approval of a waiver request from a school or work site or employees at a school or work site. This procedure has not been approved by the District and the District did not participate in formulating this procedure. The procedure is an internal union matter and is governed by the Federation's regulations and bylaws.

In order for the union to approve a waiver request, seventy-five percent (75%) of the Federation membership at the school or site must agree with the request (not seventy-five percent (75%) of those actually voting.) The Federation representative at the affected school or site shall conduct a vote of the membership. Requests for a waiver, with verification that seventy-five percent (75%) of the site membership has approved the request, shall be sent to the President of the Federation. The Federation will review the waiver request and then advise the District, in writing, of its decision.

#### **Process for APS Approval of a Waiver**

Waiver requests are reviewed by District administration, the site(s) and/or department(s) affected by the request. The guiding criteria are the "best interests" of students and staff. This procedure is an internal District process. This procedure has not been approved by the Federation and the Federation did not participate in formulating this procedure. The procedure is an internal District matter and is governed by the District's policies and procedures.
