Notwithstanding any provision of this Agreement, the Board reserves the right to make all employment decisions necessary to comply with federal and state laws.

## **ARTICLE IV Grievance and Arbitration**

### **4.1 Objective**

It is the declared objective of the Board and the Union to encourage prompt resolution of grievances. The Board and the Union recognize the importance of prompt and equitable disposition of any complaint at the lowest organizational level possible.

### **4.2 Definition**

A grievance is a violation, misapplication or misinterpretation of any provision of this Agreement or of a policy of the Board of School Commissioners which affects the terms and conditions of employment.

### **4.3 Procedures**

#### **Step 1: School or Office**

An employee shall present their complaint orally to the appropriate administrator, within ten (10) school days after knowledge by the employee of the facts giving rise to the act or condition which is the basis of the complaint. The employee, or their representative, and the administrator shall confer with the view of arriving at a mutually satisfactory resolution. All matters, whether or not they meet the definition of a grievance as defined in Section 4.2, may be discussed at this stage.

The administrator shall render a written decision which shall be communicated to the employee or Union representative within five (5) school days of the conference. Only grievances as defined in Section 4.2 may be pursued to Step 2.

## **Step 2: Appropriate Executive Director or designee**

If the dispute is not resolved at Step 1, the grievant may appeal by forwarding in writing to the Executive Director of Elementary/Middle or Secondary Schools, as appropriate, or next appropriate supervisor, in writing within five (5) school days after they have received the Step 1 decision.

The Step 2 administrator shall schedule a meeting with the parties concerned within seven (7) school days of the receipt of the appeal at which time the aggrieved employee shall be afforded an opportunity to be heard. The Step 2 administrator shall issue a written decision within five (5) school days after the meeting.

## **Step 3: CEO**

The Step 2 decision may be appealed in writing to the CEO within five (5) school days after the Step 2 decision has been received.

The CEO, or their designated representative shall meet with the aggrieved employee within ten (10) school days of the appeal. The aggrieved employee will receive at least two (2) school days notice of the meeting and shall be afforded an opportunity to be heard. The CEO, or their designated representative, shall communicate their written decision to the aggrieved employee not later than ten (10) school days after the meeting.

## **Step 4: Board of School Commissioners**

The Step 3 decision may be appealed in writing to the Board within five (5) school days after the Step 3 decision has been received. The Board, sitting as a whole, by committee, or by designee, shall hear the grievance within fifteen (15) school days following receipt of the appeal and shall render its decision not later than ten (10) school days following said hearing. The Board, at its option, may waive Step 4, in which case the Union may press the matter to arbitration.

## **Step 5: Arbitration**

Within ten (10) days following receipt of the Step 4 decision, the union may move any unresolved grievance to arbitration by notifying the Board in writing of its intention to do so. Thereafter either party may request the Federal Mediation and Conciliation Service to provide a list of seven (7) arbitrators who each are members of the National Academy of Arbitrators, FMCS Maryland Sub-Regional or Regional Area. An arbitrator shall be chosen by alternately striking names from the list, with the last name remaining being the arbitrator chosen. The decision of the arbitrator shall be final and binding on all parties to the arbitration.

The arbitrator shall be without power to add to, subtract from, change or alter any provision of the Agreement, Board Policy or of applicable State or local law. The Arbitrator shall confine themselves to the precise issue submitted for arbitration and shall have no authority to determine any other issues nor shall they submit observations or declarations of opinion which are not essential in reaching the determination.

The arbitrator shall not hear or decide more than one (1) grievance unless mutually agreed otherwise.

The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Union.

## **4.4 Time Limits**

- A. Except for Step 1, time limits shall begin for both parties upon the day after receipt of the grievance or the day after receipt of the response.
- B. To avoid any disputes as to the date of submission or receipt of a grievance, appeal, decision, or notice of hearing, all notices of hearings and/or decisions shall be mailed by school officials by certified or registered mail return receipt requested, with the date of mailing or postmark and the date of receipt recorded thereon. As an option, such correspondence may be hand delivered but must be signed, timed, and dated by the receiver.
- C. By mutual agreement in writing, time limits may be extended.
- D. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure to submit a grievance within the specified time limits or to appeal a grievance to the next successive step or to arbitration within the specified time limits shall be deemed to be a waiver of the grievance and/or acceptance of the decision rendered at that step.
- E. In the event a grievance is filed after May 15 of any year, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is mutually agreeable to the parties. All other grievances filed on or after May 15 will be considered at a time mutually agreeable to the parties, but no later than the beginning of the next school term.
- F. If a grievant fails to appeal a decision at any level within the prescribed time limit, they shall have been deemed to have waived further processing of that grievance.

#### **4.5 General Provisions**

- A. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all participants to be present.
- B. Meetings are to be scheduled at mutually convenient times. Attendance by an aggrieved employee or employee witnesses at grievance meetings held during school hours shall constitute authorized absence without loss of pay. Either party may have such witnesses or persons in interest in attendance as the party shall deem necessary.
- C. The Union shall have the right to initiate or appeal a grievance at any step of the grievance procedure. Only the Union may appeal a grievance to the Board and to Arbitration.
- D. If a grievance arises from the action of an authority higher than a Step 1 administrator, such grievance may be initiated at the next appropriate step of the grievance procedure.
- E. Any grievance not commenced under the provisions herein stipulated within eighteen (18) school days after the grievant knew (or should have known) of the conditions upon which such grievance is based shall be null and void.
- F. No reprisals of any kind shall be taken by the Board or the School Administration against any teacher because of their participation in this Grievance Procedure.
- G. The administration shall furnish the Union with such information that is requested which is directly related to the grievance.
- H. If a grievance affects a group or class of teachers, the Union may submit such a grievance in writing to the CEO directly and the processing of such a grievance will begin at Step 3.

#### **4.6 Grievance Forms**

The grievance shall be filed on the mutually agreed upon grievance form which shall contain the following information:

- Name and position of the aggrieved employee;
- A statement of the grievance and the facts involved, including relevant dates;
- A reference to the applicable provisions of the Board Policy, if any;
- The corrective action requested;
- Signature of the aggrieved employee; and,
- Date and time submitted.

#### **4.7 Joint Grievance Meeting**

- A. Once each month, the Labor Relations Associate, and any other representative(s) of BCPSS that the CEO and/or Board may find appropriate, shall meet with the Union President(s) to discuss specific grievances which are pending at Steps 3, 4, & 5.
- B. Should it become apparent at a Joint Grievance Meeting conducted under Sec. 4.7.A. that BCPSS and the Union shall be unable to agree on how a particular grievance is to be resolved, the Union may advance the grievance directly to arbitration at Step 5, without first completing either Step 3 or 4. Notice of an intent to arbitrate a particular grievance that has been discussed shall be given in writing within five (5) days after the Joint Grievance Meeting; if notice is not given, then the grievance shall proceed through the steps of the grievance procedure before being submitted to arbitration.

# **ARTICLE X**

## **Transfers**

### **10.1 Voluntary Transfers**

There shall be a voluntary transfer process each year. It shall contain a period (window of mutual consent) of at least sixty (60) days which shall not end prior to May 1 and during which principals and worksite managers with vacancies and transfer-eligible employees seeking a transfer can mutually agree to a transfer for the upcoming school year. The Board will communicate through various tools, including the BTU website, the dates of the window of mutual consent. All bargaining unit members who have received a rating other than the lowest possible rating on their most recent performance evaluation shall be eligible for a voluntary transfer. Qualifying employees

interested in a voluntary transfer will use the electronic process identified by the Human Capital Office to indicate that they are interested in transferring. The Board will provide all principals and worksite managers access to an electronic list of all employees interested in transferring. Employees will have access to a list of all schools and worksites with vacant positions for the upcoming school year. Applications for voluntary transfers shall be accepted by the Human Capital Office for a period beginning with the opening of the window of mutual consent and extending for no less than 70% of the duration of the full window.

The Human Capital Office shall host at least one talent fair during the window of mutual consent to facilitate mutual consent between principals/worksite managers and transfer-eligible employees.

No voluntary transfer shall be denied because the employee's current position is locked in the school or worksite budget. Employees are eligible for voluntary transfer whether they are in positions for which the Hiring Manager is a Principal (i.e., unlocked positions) or positions for which the Hiring Manager is a District Office staff member (i.e., locked positions, including Pre-K program staff, certain Special Education program staff, ESOL program staff, and related service providers).

No voluntary transfer shall be denied for reasons that are arbitrary, capricious, unreasonable or based on personal preference.

Subject to the provisions of Article VI, Section 6.3 (Reductions in Force), the Human Capital Office will identify a funded position for all surplus employees who are not placed using the voluntary transfer process. Such placement is contingent upon the employee having at least a developing evaluation rating for the current school year.

## **10.2 Involuntary Transfers**

Involuntary transfers shall be made in such a way as to prevent undue disruptions of the instructional programs. Such transfers may result from a Principal's recommendation, as appropriate, and then to the Chief Human Capital Officer, a directive of other governmental agencies, compliance with staffing requirements defined by the Board of School Commissioners, or judicially imposed.

When an involuntary transfer results from directives of other governmental agencies, it shall be made on the basis of the system-wide seniority of the teachers within the affected school. Teachers shall be notified of a transfer at least ten (10) school days prior to the effective date of the transfer, unless by law, the special education teacher is required to be transferred in less than ten (10) school days. A teacher may request a meeting with the persons responsible for the transfer. This meeting (the three (3) day meeting), if requested, shall take place within three (3) school days of the transfer notice. The teacher shall be provided with the reasons for the transfer at this meeting. If unsatisfied with this meeting, the Union may request an additional meeting with the appropriate administrator to further discuss the reasons for the transfer. Reasons shall not be arbitrary, capricious or unreasonable. The Board and Administration will make every effort to minimize the number of involuntary transfers. Both parties will strive to accomplish all meeting requirements within the same ten (10) day period. If a three-day meeting is requested, the transfer shall not be carried out until after the three-day meeting and subsequent appeal meeting with the Instructional Leader Executive Director, the Executive Director of Secondary Schools, or appropriate BCPSS administrator have taken place.

Bargaining unit members involuntarily transferred or placed in a surplus status shall be personally

notified prior to notification to any bargaining unit member and any non-supervisory staff whose roles do not permit knowledge of such transfer or surplus status.

- D. Notice of all promotional and professional opportunities during the school year shall be posted in all schools and/or the BCPSS website. Notice shall be posted in all schools and/or the BCPSS website at least fifteen (15) work days prior to the closing date for applications. In the event such opportunities arise outside the school year, the Board shall notify the Union twenty (20) calendar days prior to the closing date for the application.
- E. The posting shall include a description of the duties, the required qualifications, location, salary range, deadline for submission of application, and any other pertinent information.

## **ARTICLE XII Academic Freedom**

### **12.1 Academic Freedom**

The Board will continue to recognize that the personal life of a teacher is not an appropriate concern and shall not warrant the attention of the Board except as it may directly prevent the teacher from performing properly their assigned functions during the work day. Teachers will be assured freedom of individual expression and protection from censorship or restraint which might interfere with their obligation to present fairly all sides of issues in their teaching functions.

## **ARTICLE XIII Teacher Protection**

### **13.1 Teacher Protection**

- A. If a teacher, in connection with their employment, is subjected to assault or battery, they shall immediately report the incident and the circumstances to their Principal. The teacher has the right to have a conference with the appropriate Executive Director prior to a decision relating to the student's placement in the school. If there is an objection to the placement decision, the teacher has the right to request a fair hearing.

- D. If the assault is by a pupil or a non-pupil and the teacher wishes to file criminal charges, the Principal or their appropriate staff will promptly report the incident to the proper law enforcement authorities.

There is a strong connection between discipline and academic success. Students who experience continuing behavior problems may be recommended for an alternate education program suited to the student's specific needs and in compliance with federal and state special education mandates.

BCPSS shall continue to monitor schools in an effort to improve safety and security in the schools, and to take such action as may be appropriate such as its recent allocation of funds for school security. ### **Section 13.9 Right to Representation**

When a teacher is notified to appear for a meeting or an investigatory interview which may lead to discipline, including, but not limited to, reprimand, suspension, or dismissal, the teacher shall be advised of their right to representation prior to the beginning of any such meeting or interview and shall be given a reasonable time to arrange for representation.

### **Section 13.10 Negative Comments and Respectful Work Environments**

## **14.2 Professional Development**

A. The Board and the Union mutually recognize the importance of professional development, and that it must be designed and delivered to teachers at all levels. To that end, the parties agree to work together to provide professional development for teachers that is focused on content and pedagogy, is research-based, work related, continuous and consistent with the goals and objectives of the Master Plan of BCPSS. Professional development must be designed and delivered to assure/promote:

1. Individual and school improvement;
2. Improved student achievement;
3. Implementation of strategic plans;
4. Compliance with MSDE mandates; and
5. Achieving goals and objectives of the Board's Master Plan.

B. Important to the success of professional development and the performance based evaluation system is the commitment of each teacher to meet or exceed the requirements and criteria set forth by the Board. It is understood that all teachers are mandated to participate in the ten (10) days of scheduled professional development activities as designated in the approved school calendar. Clearly, the commitment of each teacher to meet or exceed the Board's criteria is essential to the success of the professional development program and to the performance based evaluation system.

C. A Joint Committee of no more than three (3) employees designated by the Board and three (3) Union representatives shall be formed to make educationally appropriate decisions regarding teacher professional development. The first meeting of the Joint Committee shall be convened by August 15th.

1. The Joint Committee will work cooperatively to develop a system-wide menu of recommended professional development opportunities.

The IDP shall be updated annually and must demonstrate improved levels of skill and knowledge in subject content and classroom practice.

- B. If a teacher's observation(s) include specific recommendations designed to address an identified area(s) of needed improvement in the teacher's performance, the IDP must address the identified area(s) of need through the performance improvement process. ## **ARTICLE XV**

### **Leaves of Absence**

#### **15.1 Communicable Disease**

- A. An employee who is absent because of contact with a communicable disease which requires isolation under the City Health Code, but who does not have the disease themselves, shall be paid full salary for such time as the Health Commissioner of Baltimore City declares the staff member subject to isolation.
- B. When an employee has contracted a communicable disease as defined above including Tuberculosis, Chicken Pox, Hepatitis and Measles and there exists a number of cases of that disease among those students with whom the employee has had direct contact, as determined by the School System's Medical Officer, that employee shall suffer no loss of pay or accumulated sick leave for any days that the employee is absent from school. Prior to approval of this leave with pay, medical verification of the employee's illness shall be required.
- C. Tests required by the Board to vaccinate or diagnose such diseases shall be paid for by the Board.

#### **15.2 Sick Leave**

- A. Each employee shall be granted sick leave with pay during leaves of absence because of personal illness. Teachers shall at the beginning of each school year be credited with fifteen (15) work days of sick leave. Any unused sick leave shall be carried forward from year to year and accumulated up to a maximum of 315 days.
- B. Teachers shall, at their request, be allowed to use sick leave for absence due to disability connected with or resulting from childbirth. The Board and the Union recognize that there is a presumption that this disability will occur in most cases for a period of four (4) weeks before and six (6) weeks after delivery. Upon termination of such disability, the teacher must return to work unless they resign or requests a leave of absence.
- C. A full time teacher shall have four (4) weeks for adoption beginning with the day the child is received. The absence shall be charged to accumulated sick leave. In the event that both parents are Board employees, they may divide the use of paid adoption leave between themselves or either one may use the full four (4) weeks. In order to receive this leave, an employee must complete a Request for Leave Form and attach documentation from the adoption agency.
- D. Up to five (5) days of accumulated sick leave may be used by the teacher in the case of illness in the teacher's immediate family as defined in Board rules.
- E. Whenever medical verification is required as a result of the present Board policy, said verification shall only state that the employee was absent for medical reasons and is now capable of returning to work.
- F. Sick Leave for new teachers shall be at the rate of 10 days per year for the first three years. When the new teacher receives their election to tenure they will receive 5 days for each of the

three years (a total of 15 days) added to their sick leave total. Teachers transferring from another Maryland public school system in which they were tenured and had received a satisfactory or above rating on their most recent evaluation shall receive ten (10) days of sick leave for each probationary year of employment with BCPSS; when such teacher receives tenure in BCPSS, five (5) days will be added to their sick leave for each year of their probationary employment with BCPSS.

### **15.3 Sick Leave Conversion**

#### **A. Annual**

1. The sick leave year for conversion purposes begins on the day immediately following the last payroll period in November and extends through the last payroll period in November of the following year.
2. For conversion purposes, a teacher's annual sick leave allotment will be treated as if the total number of sick leave days given for the year were divided by the total months of employment during a year and subsequently credited monthly. The posting of the full allotment of sick leave days on September 1<sup>st</sup> has no effect on this process.
3. For every four days of sick leave accumulated during the sick leave year, an employee may convert one (1) day to cash, at their rate of pay at the time of conversion, and retain the remaining three (3) days in their sick leave account. A maximum of three (3) days of sick leave may be converted to cash. An employee's days of personal business leave which, unused, have been accumulated as sick leave is not subject to annual sick leave conversion.
4. An employee may convert to cash either all or none of the days to which he is entitled. Conversion of only some of the days to which an employee is entitled is not allowed.
5. Payment for sick leave conversion will not be included in the employee's regular salary check, but will be made by a separate check. These checks will be issued no later than December 24 each year, and will include the usual deduction for taxes and Social Security.

#### **B. Upon Termination**

In addition to the above sick leave conversion, employees who are pensioned or who elect to terminate their BCPSS service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to convert one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from BCPSS service.

  1. Filing application with the Sick Leave Bank Committee;
  2. Submitting satisfactory medical evidence of the illness;
  3. Submitting evidence of having exhausted all accumulated leave;
  4. Satisfying such other criteria as may be established by the joint committee which includes an evaluation of the teacher's past sick leave usage record.
- D. A joint committee of six (6) members, half named by the Board and half named by the Union, will administer the Sick Leave Bank and establish specific procedures for its utilization.
- E. Any employee who contributed one day to the Sick Leave Bank shall not be charged a sick leave day for the purpose of sick leave conversion. The day will be drawn from the prior year's

accumulated sick leave, except in the event that the employee has no sick leave, in which case that day will be drawn from the current year.

- F. New employees must join the Sick Leave Bank within the first thirty (30) days of their employment or lose their right to do so.
- G. Employees may relinquish their membership in the sick leave bank at any time; if they do so, however, they will lose both their contribution in the Sick Leave Bank and their right to rejoin the bank at a later date.
- H. A member will lose the right to utilize the Sick Leave Bank if their employment with the Baltimore City Public School System is terminated.
- I. All contributions will remain in force and cannot be returned even upon cancellation of a membership. In no case will the granting of leave from the bank cause a member to receive more than their annual salary.
- J. All unused sick leave days in the bank at the end of a school year shall be carried over to the next school year.

### **15.5 Job-Related Injury**

- A. Employees who sustain injuries occurring in connection with their assigned duties and not as a result of their own negligence shall be eligible for leave of absence without loss of pay up to a maximum of one year from the date of the job-related injury. The leave is subject to the approval of the Board's MRO or designee. The employee shall submit to re-examination by the Board's MRO or designee periodically as required, but at least every three (3) months. In any case where the injury requires an extended leave of absence the Board may request that the employee be considered for retirement because of accidental disability.

No employee shall be entitled to receive Workers' Compensation benefits for temporary total disability during the time, or covering the period, that said employee is receiving their full salary for job injury leave as outlined above.

- B. Absence due to disability resulting from an assault will be covered by an assault leave. This leave will not be charged to sick leave. The teacher will be in full pay status for the duration of the disability.
- C. There will be a Joint Union/BCPSS Oversight Committee established to review all employees rejected or released on the basis of decisions made by the Board's MRO or designee.

- B. Each employee shall be permitted to use up to three (3) days per year of accumulated sick leave for necessary personal business which shall be non-cumulative from year-to-year and shall be treated as sick leave.
- C. A request for personal business leave either on the day before or after a holiday or on the two (2) days preceding the last day for students in June may be honored only upon satisfactory justification by the employee that said business cannot be rescheduled to a day other than those mentioned above. Recommendation for approval of the personal business leave mentioned in the above paragraph will be made by the school Principal to the Executive Director of Elementary/Middle or Secondary Schools, as appropriate.

- D. Personal leave shall not be unreasonably denied provided that the employee requests such leave at least two (2) working days in advance. In bona fide emergency situations, the two (2) days' notice may be waived. Except as stipulated in paragraph C above, employees shall not be required to give explanation other than that the leave is being requested for personal business.

### **15.7 Field Trips**

It is not the policy, when permission has been granted, to require teachers to use sick or personal leave when they take students on field trips.

### **15.8 Other Leaves of Absence Without Pay**

Employees may be granted leaves of absence without pay upon recommendation by the CEO and approval of the Board of School Commissioners, according to the policies and procedures of the Rules of the Board of School Commissioners.

### **15.9 Sabbatical Leave**

- A. Employees who have served as full-time employees for a period of seven (7) or more consecutive years, including probationary or elected service, in BCPSS may be granted sabbatical leaves of absence. The first such leave may be granted after the seventh (7<sup>th</sup>) consecutive year of active service, and additional leaves after each successive period of seven (7) years of active service. Accrued service shall not entitle any person to more than two (2) semesters of sabbatical leave in a period of eight (8) consecutive years.
- B. A study leave of one (1) year in length or a military leave of two (2) years in length shall not be construed as breaking the continuity of services, but neither is to be counted as part of the seven (7) years service requirement.
- C. A sabbatical leave shall be granted only to those persons who have been on active duty during the year immediately preceding the sabbatical leave year and who are on active duty at the time the leave is to be effective.
- D. For purposes of determining eligibility for sabbatical leave, active service shall be construed as service of such length and quality as to qualify for a full service salary increment for each year. Time spent on sabbatical leave shall count towards eligibility for further movement on the salary scale but shall not count as active service for purposes of determining eligibility for a subsequent sabbatical leave.
- E. Fully-degreed provisional teachers who subsequently are elected to tenure shall be permitted to count the two (2) years of provisional service to election as part of the period of seven (7) consecutive years of service.
- F. Sabbatical leave may be granted for the purpose of study and travel or for such other purposes as may be recommended by the CEO and approved by the Board. Employees on sabbatical leaves may not enter into gainful employment except upon the approval of the CEO.
- G. During the period of sabbatical leave, each staff member shall receive one-half (1/2) of their regular salary. In the cases of persons receiving salary differentials, an additional deduction of fifty percent (50%) of the salary differential shall be made for the period of the leave.
- H. During the period of sabbatical leave, each employee shall be entitled to all of the privileges and opportunities which they would enjoy if they were on active duty. Upon their return from leave, they shall have the same right of returning to the position they occupied prior to their leave which they would enjoy had they remained on active duty. They shall not be transferred in the normal course of administrative operation.
- I. The method of selecting staff members to be granted sabbatical leaves shall be as follows: In order to continue the services of the schools at a high level, the number of staff members to whom sabbatical leave is granted shall be determined at any time by the number of qualified substitutes who are available for replacement purposes. From among all those staff members

eligible for leave by virtue of their service, those individuals who have served longest in BCPSS without receiving any sabbatical leave shall be given first consideration. The Board shall grant sabbatical leave to some qualified applicants. The sum of individuals on leave in any one (1) year is not to exceed three percent (3%) of the unit. This maximum quota of three percent (3%) shall be distributed throughout the system so as to prevent any undue absence from any one (1) school, from any single department within a school, or from any single division of the school system.

- J. Any employee to whom sabbatical leave is granted shall be required, as a condition of the granting of the leave, to agree to return to BCPSS for at least one (1) year following the expiration of their leave. As an option to this service requirement, any individual may, if he they so, return to the BCPSS the salary which they received during the period of leave.

**Side Letter #3 between the Baltimore Teachers Union, American Federation of Teachers Local 340, AFL-CIO and the Baltimore City Board of School Commissioners**

SST/504

The Board acknowledges that the function of the SST/504 chair is vital and time must be dedicated to the work in support of students. As outlined in the current budget guidance, in order for a Social Worker to serve in the role of the SST/504 chair a school must provide funding to increase the hours of the Social Worker above and beyond the time allocated by the district. The Board will issue updated guidance within the Fair Student Funding process that denotes guidelines on the approximate number of additional days of time that should be allocated based on school enrollment in order for a Social Worker to serve in the role of SST/504 chair beginning in the FY18 budget cycle.

Emergency Petition

The expertise brought by Social Workers when a student is experiencing trauma that necessitates an emergency petition is documented and appreciated by the Board. The Board recognizes that Social Workers may not always be the only representative that accompanies a student if such action is necessary and will issue guidance to schools regarding appropriate supervision when these circumstances arise.

**Literacy Coaches**

The position of Literacy Coach, which was formerly classified as unaffiliated, has become a bargaining unit position commencing July 1, 2023. For the 2023-2024 school year only, all literacy coaches who were previously classified as unaffiliated and paid on the GSS Pay Scale, shall continue to work in 12-month positions and shall be paid on the Calendar Year Associate Salary Scale, with no loss of pay. They have been placed on the Professional pathway pay scale or the Model pathway pay scale if they had earned Model status prior to holding the position of Literacy Coach.

Individuals who are assigned as new Literacy Coaches in the 2023-2024 school year, and all Literacy Coaches for the 2024-2025 school year and beyond, shall be placed on either the Support Teacher Salary Scale, if assigned to a 10-month position, or the Calendar Year Associate Salary Scale, if assigned to a 12-month position. If an employee moves from a 12-month position to a 10-month position in the 2024-2025 school year, they shall be placed on the Support Teacher Salary Scale at an interval based on the reduction applied from moving from the Calendar Year Associate Salary Scale to the Support Teacher Salary Scale.
