K. Extended Contracts

- (1) When a licensed employee assumes an extended contractual responsibility for the District in an area of professional competence, the District will pay that teacher for services at a rate consistent with the current Teachers' Salary Schedule in the District computed at a daily rate. The job description and number of days will be agreed on prior to the commencement of the extended contract.

Payment will be computed utilizing the individual per diem for those days. However, it is understood that the contract applies to the completion of the job description, and is not limited to the specified days.

- (2) Reimbursement for extension of contract may be made in reduced time requirements, as well as, or in addition to, other forms of financial consideration.
- (3) Budget questions will be important in determining the number of extended contracts that can be offered, however:
 - (a) The quality of the program and the professional skill a person can bring to the situation should be the determining factor - not per diem rate.
 - (b) All persons interested in extended contracts are encouraged to apply.
- (4) The services of the recognized employee negotiation agent must be solicited at times when agreement concerning compensation does not exist.
- (5) Extended contracts which produce a teacher overload should be drawn only in emergency cases. The instructional program may be impaired by this practice. Thus, efforts will be made to employ other licensed personnel to meet an overload situation.
