It is further agreed that the Board shall not discriminate against a teacher on the basis of membership, non-membership, or official position in any teacher organization.
- 2.2 This Agreement shall be a part of each individual teacher's contract.
- 2.3 The Board, the Association, all teachers covered by this Agreement, and all provisions of this Agreement are subject to the laws and Constitution of the State of Utah and of the United States, and to the regulations and orders of state and federal governmental agencies. Any provisions of this Agreement found to be in violation of such laws, regulations, and orders shall be null and void; however, this section shall not operate to impair any agreement or contract during the term of the Agreement of contract.
- 2.4 Pursuant to state law, the Board may enter into individual employment contracts without violating this Agreement.

ARTICLE 3
BOARD OF EDUCATION RIGHTS AND RESPONSIBILITIES

- 3.1 Except as otherwise specifically provided in this Agreement, the Board retains and reserves unto itself the sole and exclusive right to the executive management and administrative control of the school system, along with all other rights, powers, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Utah and the United States, including, but not limited to, the following rights and responsibilities:
- 3.1.1 to determine and administer policy;
- 3.1.2 to establish courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students;

- 4.3 **Continued Recognition.** The Board shall continue to recognize the Association as the exclusive representative for the term of this Agreement or any renewal thereof, provided, however, that if the Board has cause to believe that a majority of the members of the bargaining unit have not designated or selected the Association as their representative, the Board may request and shall be furnished (by the Association) with proof of such designation or selection by such majority. If the Association fails to provide such proof, it shall not be recognized as the exclusive representative of the teachers.

ARTICLE 5 NEGOTIATIONS

- 5.1 **Negotiating Teams.** The Board, or designated representatives appointed to serve on its team, will meet with representatives designated by the Association for the purpose of establishing procedures for negotiating and reaching mutually satisfactory agreements. Each party's negotiating team shall consist of not more than five members.
- 5.2 A meeting to open negotiations will be held no later than the first day of April unless mutually agreed upon by both parties.
- 5.3 **Schedule of Meetings.** Negotiations will be conducted at times and places mutually agreeable to the negotiators named by each party.
- 5.4 Interest Based Bargaining (IBB) is the preferred negotiations process. If either party does not agree to this process (IBB), the process outlined in 5.5 will be followed. Before negotiations begin on specific items, the Association shall submit, in writing, specific initial proposals on any items it wishes to negotiate. The Board shall respond within two weeks with specific written proposals to open for negotiation any items the Board wishes to negotiate that may not have been included among the initial proposals of the Association. After this initial exchange of proposals, no new subjects for negotiation may be introduced by either party without mutual consent. The initial proposals of both parties shall constitute the agenda, with the discussion order to be jointly agreed upon before negotiations begin on specific items.
- 5.5 **Conducting Negotiations.** The negotiation teams will meet in closed sessions, unless otherwise agreed upon mutually in advance. All proposals must be channeled through the negotiation teams at the table. The teams will present relevant data, exchange points of view, and make proposals and counter proposals. Upon request by either party, the other shall make available for inspection its public records and data pertinent to the subject under negotiation.
- 5.6 **Consultants.** Either party may utilize the services of consultants to assist in negotiations.
- 5.7 **Release from other Duties.** If negotiations are scheduled during the school day, the negotiators shall be released from regular duties without loss of pay.

- 5.8 **Adopting Agreement.** To reach tentative agreement, all understandings must be produced in writing, dated, and signed by both parties at the time tentative agreement is reached. All such agreements achieved in process will remain tentative pending completion of an agreement on the entire package. Tentative agreement on the entire package must also be produced in writing and signed by both parties at the time the complete tentative agreement is reached. Such agreements shall be recommended to the Board and the Association for approval by both negotiating teams. The complete agreement shall become final upon ratification by the Board and the Association.
- 5.9 **Impasse.** If agreement is not reached on all items, either party may declare to the other in writing that an impasse exists and call for a mediator. A written request for mediation shall be considered a joint request, and the other party shall join in the request.
- 5.9.1 **Mediation.**
- 5.9.1.1 Within ten days after declaration of an impasse, both parties shall submit the items at impasse to a mediator through the Federal Mediation and Conciliation Service.
 - 5.9.1.2 The mediator shall endeavor to assist the parties in overcoming the impasse and reaching agreement on the issues at impasse. The mediator's efforts shall be limited to the issues at impasse.
 - 5.9.1.3 The parties agree to cooperate by meeting with the mediator promptly and making available at the mediator's request any public records and data pertinent to the issues at impasse.
 - 5.9.1.4 In the event that mediation efforts are not successful in resolving the issues, both parties shall make such further efforts to reach agreement as mutually agreed to by both negotiating teams.
- 5.10 The rules of procedure listed in this article may be changed at any time by mutual consent of both teams.

ARTICLE 6

GRIEVANCE PROCEDURE

- 6.1 **Definition.** Grievance shall mean a complaint by a teacher that there has been an alleged violation, misinterpretation, or misapplication of any of the provisions of this Agreement affecting that teacher.

6.2 **Procedure.** It is the intent of the District and the Association to attempt to resolve all grievances promptly, informally, and confidentially, at the lowest possible administrative level, in accordance with the following procedure:

6.2.1 **Step One - Oral Grievance**

6.2.1.1 The teacher with a grievance must first attempt to resolve it informally by discussing the issue with their direct supervisor (school level principal or district office director) within ten working days after the teacher became aware of the act or condition upon which the grievance is based.

6.2.1.2 The principal or district office director shall have up to 10 working days after learning of the grievance to consider the matter and give the principal's or district office director's answer orally to the employee.

6.2.2 **Step Two - Written Grievance**

6.2.2.1 If the grievance is not resolved informally in step one, the teacher may file the grievance with the principal or district office director in writing within ten working days after receiving the answer in step one.

6.2.2.2 The written grievance shall:

- A. describe the nature of the grievance and the facts giving rise to it;
- B. note the provisions alleged to be violated, misinterpreted, or misapplied and the position of the teacher with respect to such provisions; and
- C. state the specific remedy requested to resolve the grievance.

6.2.2.3 The principal or district office director shall have up to 10 working days after receiving the written grievance to investigate the matter, make a decision, and communicate the decision in writing to the teacher.

6.2.3 **Step Three - Appeal of Written Grievance**

6.2.3.1 If no mutually agreeable settlement is reached in step two, the teacher may file the grievance with the Association, and the Association may submit the written grievance to the Superintendent within 10 working days after receiving the answer in step two, requesting that the principal's or district office director's decision be reviewed.

6.2.3.2 The Superintendent or the Superintendent's designee shall assign a grievance examiner within ten working days after receiving the written grievance from the Association.

- 6.2.3.3 The grievance examiner shall schedule a hearing not fewer than ten working days or more than 20 working days after receiving the assignment, except upon mutual agreement between the parties.
- 6.2.3.4 The grievance examiner shall receive and review such evidence as the parties present that is relevant to the grievance and shall thereupon determine the facts of the matter; whether the Agreement has been violated, misinterpreted, or misapplied; and report these determinations with recommendations to the Superintendent or the Superintendent's designee within five working days following the meeting.
- 6.2.3.5 The Superintendent or the Superintendent's designee shall make a decision within ten working days after receiving the grievance examiner's report and communicate the decision in writing to the parties concerned.

6.2.4 Step Four - Impartial Third-Party Hearing

- 6.2.4.1 In the event that no mutually agreeable settlement is reached in the foregoing procedure, the teacher may, within 15 working days after receiving the decision of the Superintendent or the Superintendent's designee in step three, request that the Association file a petition in the Superintendent's office requesting that the matter be referred to an impartial third party from outside the District for review and recommendations.
- 6.2.4.2 Representatives of the Superintendent and the Association shall agree upon an impartial third-party hearing examiner from outside the District within ten working days after receipt of notice of referral. The hearing examiner shall be notified of their selection by a joint letter from the District and the Association stating the issue(s) and requesting that the hearing examiner a date and time for the hearing.
- 6.2.4.3 The hearing examiner shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The hearing examiner's authority shall be strictly limited to making a recommendation to the Board regarding only the specific issue or issues submitted to the hearing examiner in writing by the District and the Association. The examiner shall have no authority to make recommendations on any other issue not so submitted. The examiner shall have no power to make recommendations contrary to or inconsistent with the law. The recommendations to the Board must be based solely upon the examiner's interpretation of the meaning or application of the express relevant language of this Agreement to the facts of the grievance presented. The hearing examiner shall submit recommendations in writing

to the teacher, the District, and the Association within 20 working days after the close of the hearing or the submission of agreed-upon briefs by the parties, whichever is later, unless the parties agree to an extension thereof.

6.2.4.4 In the hearing, neither party shall be permitted to introduce any evidence which was not presented in steps one through three. If new evidence is discovered that might have bearing on the grievance, the grievance will return to step two.

6.2.4.5 The recommendation of the hearing examiner to the Board shall be advisory only. The Board shall make a final disposition of the case within 20 working days after receiving the recommendation(s) of the hearing examiner unless the parties agree to an extension. The decision of the Board shall be submitted in writing to all parties and shall be final and binding on all parties to the grievance, provided the Board in its decision does not exceed its authority as established in the law.

6.2.4.6 Expenses for the hearing examiner's services shall be shared equally by the District and the Association for grievances brought by the Association but not for grievances brought by teachers or other associations on their own behalf. In those situations, the teacher, or association representing the teacher, will be responsible to share the costs with the District.

6.2.4.7 Nothing herein shall be construed to limit the right of the teacher to appeal the Board's decision to an appropriate court of law.

6.3 General Provisions

6.3.1 **Group Grievance.** A grievance may be initiated on behalf of a group of teachers by the Association or by any member of the group designated by them to serve as their representative. Whoever initiates a grievance on behalf of a group shall begin at step one if all members of the group are in the same school. If the members of the group are in different schools, the group grievance may begin at step three. Group grievances shall list by name the teachers on whose behalf and with whose consent the grievance is filed.

6.3.2 **Individual Complaint.** Nothing contained herein may be construed as limiting the right of a teacher with a complaint to have the complaint adjusted without recourse to the grievance procedure and with or without representation by the Association, provided that the adjustment is consistent with the terms of this Agreement. When a teacher is not represented by the Association, the Association will have the opportunity to be present beyond the level of the principal or immediate supervisor.

- 6.3.3 **Time Limits.** No grievance shall be entertained or processed unless it is submitted within 10 working days after the teacher became aware of the act or condition upon which the grievance is based. If the principal or the District does not answer a grievance or an appeal thereof within the specified time limit, or mutually agreed extension thereof, the teacher involved may move the grievance to the next step. If the teacher does not advance a grievance to the next step within the specified time limit, or mutually agreed extension thereof, following the date when a district decision was due or given, the grievance shall be considered withdrawn without prejudice.
- 6.3.4 **Meetings and Representation**
- 6.3.4.1 Meetings specified under this procedure shall be conducted at times and places which will afford a fair and reasonable opportunity for all necessary persons, including witnesses, to attend. Such meetings shall be conducted during non-working hours unless there is mutual agreement for other arrangements.
- 6.3.4.2 In any grievance meetings, all of the parties directly involved shall have the right to be accompanied, advised, or represented by a person of their own choosing.
- 6.3.4.3 Meetings beyond step one, specified under this procedure, will not be held without prior notification to the Association or without providing the opportunity for an Association representative to be present.
- 6.3.5 **Reprisals.** No reprisal of any kind will be taken by the Board, the administration, the Association, or by a teacher against any of the participants in a grievance procedure by reason of such participation.
- 6.3.6 **Grievance File.** All documents, communications, and records dealing with grievances will be filed in a separate grievance file and will not be kept in the District personnel file of any of the participants.
- 6.3.7 **Sharing of Information.** The Board and the Association agree to make available to all parties in interest any information in their possession which is not privileged under law, but which may have a bearing on decisions reached at any step of the grievance procedure.
- 6.3.8 **Grievance Forms.** See Appendix B for sample grievance forms. Grievance forms may be obtained at the Human Resources office, the Association office, and at each school.

6.4 **Informal Hearing Procedures**

- 6.4.1 An informal hearing means a meeting between a teacher covered by the Agreement and the Assistant Superintendent or the Assistant Superintendent's designee (other than the direct supervisor of the teacher's administrator) of the teacher's division.
- 6.4.2 Teachers claiming that records in their personnel files are inaccurate are entitled to an informal hearing pursuant to Article 15.3.5. Teachers who are suspended with or without pay are entitled to an informal hearing pursuant to Article 19.3.
- 6.4.3 In informal hearings, all parties directly involved shall have the right to be accompanied, advised, or represented by a person of their own choosing. Informal hearings shall not be held without providing adequate notice of the hearing to the Association and opportunity for the Association to participate in the hearing. The Assistant Superintendent or the Assistant Superintendent's designee who will conduct the informal hearing, may establish reasonable procedures to facilitate clarity and order. Such procedures may include time allotments, order of presentation, etc. If the Assistant Superintendent, or the Assistant Superintendent's designee, elects to establish procedures for a particular informal hearing, those procedures shall be communicated to all parties in a timely manner.
- 6.4.4 The Assistant Superintendent or the Assistant Superintendent's designee shall make a decision within ten working days after the informal hearing and communicate the decision in writing to the teacher.

ARTICLE 7 EMPLOYMENT

- 7.1 **Periods of Employment.** The days of employment within the period set out in the contract shall be designated by the Board in the official school calendar.
- 7.2 **Basis for Determining Salaries.** Each teacher's annual contract salary shall be determined by placement on the salary schedule according to verified experience and training as follows:
- 7.2.1 **Salary Credit for Experience**
- 7.2.1.1 **Salary Step Placement upon Employment.** An experienced teacher shall receive full step credit on the salary schedule for the first ten years of public or regionally accredited private K-12-school teaching experience. Half-time (.50 FTE or more) regular contract teaching experience will be figured cumulatively in arriving at proper step placement. When there is a shortage of qualified candidates for a specific position, additional step credit for

verified experience beyond ten years may be allowed by the Human Resources office.

7.2.1.2 Salary schedule credit for teaching experience under 7.2.1.1 above shall be granted automatically for full-time contracted teaching in a public school. All other teaching experience shall be evaluated by the Human Resources office and the amount of credit granted shall depend upon the extent to which such experience is equivalent to public school teaching. All credited teaching experience must be officially verified.

7.2.1.3 **Annual Increments.** Continuing teachers shall receive a one-step salary increment on the salary schedule for each year of successful teaching in the District until they reach the maximum step of their salary lane. Such salary increments shall be given at the beginning of each contract year by moving forward one step on the salary schedule. Educators who have not taught a minimum of a full semester, shall not be eligible for a step advancement.

7.2.1.4 Contract teachers returning from military leave shall be granted credit on the salary schedule in accordance with the Uniformed Services Employment and Reemployment Rights Act, USERRA.

7.2.2 **Salary Credit for Professional Learning**

7.2.2.1 Within thirty days following the beginning date of employment, a teacher new to the District must supply the District Human Resources office with official up-to-date transcripts of all college credits. Transcripts become the property of the District and are not returned upon termination of employment.

7.2.2.2 Placement on the A Lane (Bachelor's), D Lane (Master's), or G Lane (Doctorate) is dependent upon verification of the degree and a professional teaching license. Credit to be applied toward the B Lane (Bachelor's plus 20 semester hours) and the C Lane (Bachelor's plus 40 semester hours) must have been earned subsequent to meeting the requirements for the bachelor's degree and a teaching certificate. Credit to be applied toward the E Lane (Master's plus 20 semester hours) and the F Lane (Master's plus 40 semester hours) must have been earned subsequent to meeting the requirements for the master's degree and a teaching certificate. The employee must furnish evidence that all of the degree requirements have been met. All college credit must be granted by a four-year college or university which has been accredited by the National Council for the Accreditation of Teacher Education (NCATE), or by one of the six regional accrediting associations, including continuing education and distance learning (Exception: Salt Lake Community College). Initial micro-

credentials credits, issued by the USBE and NEA, will be accepted for lane change credit.

7.2.2.3 Application for lane advancement on the salary schedule must be made on the official form provided by the Human Resources office (see Appendix C.) Applications must be supported by complete official transcripts of credit (report cards will not suffice), verifying the credit requested. Lane change will become effective on the date the completed application form, and all official documentation forms, are received by the Human Resources office. The lane change will be made on the next payroll cutoff date, and the salary increase will be reflected on the paycheck following that payroll cutoff date. The total amount paid for the year from the new lane will be prorated based upon the number of contract working days remaining as of the date when all necessary materials are received by the Human Resources office.

7.2.2.4 **Prior Approval Credit.** Upon recommendation of the School Leadership and Improvement office, Prior Approval credit may be used toward lane advancement on the salary schedule. Prior Approval forms must be submitted and approved prior to the professional learning activity. See Appendix D.

7.2.2.5 **Professional learning credit** may be used in qualifying for salary lane advancement according to the following provisions:

- A. All USBE approved professional learning credit will count towards lane change. USBE and NEA initial micro-credentials credits will count towards lane change.
- B. Evidence of credit (e.g., transcripts, USBE report, Prior Approval form, etc.) is to be submitted to Human Resources, and is the responsibility of the teacher.
- C. Lane change appeals will be directed to the Human Resources office.

7.3 **Payment of Salaries**

7.3.1 Paychecks will be made available to employees twice per month on the 15th and the last district working day per month, as per the district twelve-month calendar.

7.3.2 When paychecks are given out prior to the end of the month in accordance with the above provisions, payments of withholdings to the credit union, annuity companies, and various other insurance agencies will not necessarily be remitted on the day paychecks are issued.

7.3.3 All employees paid from the teacher salary schedule, who by regular assignment, must travel between two or more district schools or approved locations on the same day, will receive an automobile allowance each month for the term of their contract. Itinerant employees hired by district directors are not eligible for car allowance. The amount of the monthly car allowance for each qualifying teacher will depend on the number of days each week that the teacher is regularly assigned to two or more locations:

| | | | |
|-----------------|---------|-----------------|---------|
| 5 Days Per Week | \$90.00 | 2 Days Per Week | \$36.00 |
| 4 Days Per Week | \$72.00 | 1 Day Per Week | \$18.00 |
| 3 Days Per Week | \$54.00 | | |

In addition to the above automobile allowances, all employees of the District are entitled to mileage reimbursement according to the terms of Administrative Memorandum Number Thirty-Five.

7.4 **Teaching License**

7.4.1 Before reporting for duty, teachers employed under this Agreement shall comply with all necessary licensure and/or endorsement requirements of the Utah State Board of Education.

7.4.2 The licenses specified above must be registered with Human Resources within thirty days following the beginning date of employment.

7.5 **Performance of Duties**

7.5.1 The teacher agrees to follow the rules, regulations, and policies of the Board and to perform the duties assigned to the teacher under the direction of the principal and the Superintendent, at the time and place appointed by the Board or the Board's designee. Duties may not be assigned arbitrarily or capriciously.

7.5.2 Acts in violation of this Agreement, or of the rules, regulations, and policies of the Board, or failure to perform duties assigned to the teacher, may constitute a breach of contract and subject the teacher to disciplinary action.

7.5.3 If a teacher is required to follow a Board policy or perform a duty that the teacher believes to be in violation of this Agreement, the appropriate course of action for the teacher is to use the grievance procedure provided herein.

7.6 **Continued Employment**

7.6.1 Except as otherwise specifically provided in this Agreement, regular contract teachers doing satisfactory work will be continued in employment on a year-to-year basis until they retire.

- 7.6.2 Provisional contract teachers and specially funded program teachers shall sign the District's Special Employment Contract.
- 7.6.3 Provisional contract teachers are employed for a specified period of time only, as defined in the Special Employment Contract that they sign. Provisional contract teachers shall have no right or expectation of continued employment beyond the term specified in their Special Employment Contract. (See Appendix E.)
- 7.6.4 Specially Funded Program teachers doing satisfactory work, who have completed their three-year provisional period, may expect continued employment in successive years unless there is a curtailment or discontinuance of funds in their program. Any such curtailment or discontinuance of funds shall justify non-renewal of teacher contracts in that program. Such non-renewals shall not be considered a violation of this Agreement, and the teachers involved shall not be entitled to a formal hearing under Utah Administrative Code 53G.

7.7 Determination of Contract Full-Time Equivalency (FTE) for Secondary Teachers

- 7.7.1 The determination of contract FTE for secondary teachers shall be based on the number of teaching periods assigned. In a school with a seven-period day, the normal full-time load is six (6) teaching periods plus one consultation/preparation period per day. (See 9.8.)
- 7.7.2 In a school with a four-period block day, the normal full-time load is three (3) teaching periods and one (1) consultation/preparation period per day.
- 7.7.3 In a school with a five-period block day, the normal full-time load is four (4) teaching periods and one (1) consultation/preparation period per day.

Seven-Period Traditional Schedule

Full-time teaching consists of six (6) periods out of seven (7) periods with one (1) consultation.

| Teaching Periods | Proportion of Full-time | FTE | Contract Status | Consultation Periods |
|------------------|-------------------------|------|-----------------|----------------------|
| 1 | $1/6 = 0.17$ | 0.17 | No | No |
| 2 | $2/6 = 0.34$ | 0.34 | No | No |
| 3 | $3/6 = 0.50$ | 0.50 | Yes | Yes – One |
| 4 | $4/6 = 0.67$ | 0.67 | Yes | Yes – One |
| 5 | $5/6 = 0.83$ | 0.83 | Yes | Yes – One |
| 6 | $6/6 = 1.0$ | 1.0 | Yes | Yes – One |

Four-Period A/B Block Schedule

Full-time teaching consists of six (6) periods out of eight (8) periods with two (2) consultations.

| Teaching Periods | Proportion of Full time | FTE | Contract Status | Consultation Periods |
|------------------|-------------------------|------|-----------------|----------------------|
| 1 | $1/6 = 0.17$ | 0.17 | No | No |
| 2 | $2/6 = 0.34$ | 0.34 | No | No |
| 3 | $3/6 = 0.50$ | 0.50 | Yes | Yes – One prorated |
| 4 | $4/6 = 0.67$ | 0.67 | Yes | Yes – Two prorated |
| 5 | $5/6 = 0.83$ | 0.83 | Yes | Yes – Two prorated |
| 6 | $6/6 = 1.0$ | 1.0 | Yes | Yes – Two full |

Five Period A/B Block Schedule

Full-time teaching consists of eight (8) periods out of ten (10) periods and two (2) consultation periods.

| Teaching Periods | Proportion of Full-time | FTE | Contract Status | Consultation Periods |
|------------------|-------------------------|-------|-----------------|----------------------|
| 1 | $1/8 = 0.125$ | 0.125 | No | No |
| 2 | $2/8 = 0.25$ | 0.25 | No | No |
| 3 | $3/8 = 0.375$ | 0.375 | No | No |
| 4 | $4/8 = 0.50$ | 0.50 | Yes | Yes – one full |
| 5 | $5/8 = 0.625$ | 0.625 | Yes | Yes – two prorated |
| 6 | $6/8 = 0.75$ | 0.75 | Yes | Yes – two prorated |
| 7 | $7/8 = 0.875$ | 0.875 | Yes | Yes – two prorated |
| 8 | $8/8 = 1.0$ | 1.0 | Yes | Yes – two full |

7.7.4 This approach has the effect of pro-rating the consultation/preparation period for teachers working less than full-time. Contract teachers with less than full-time FTE will be expected to perform their prorated share of consultation/preparation time and to assume their pro-rated share of necessary professional duties.

7.7.5 Contractual leave benefits will be extended to cover the extra period for teachers who have agreed to teach an extra period during the regular school day.

7.7.6 In the event the Board of Education approves a school-day schedule different from the day described in 7.7.1., 7.7.2., or 7.7.3, the District and Association will jointly develop an FTE calculation grid.

TEACHER FACILITIES

- 8.1 Each school will be provided with well-ventilated, clean, adequate, separate restrooms for teachers.
- 8.2 There shall be a furnished room in each school to be used as a faculty lounge.
- 8.3 Each teacher will have a district provided method to contact the school's main office during contract hours.
 - 8.3.1 A teacher's personal cell phone is not considered a District provided device, but the teacher may choose to use it as a means for communication.
- 8.4 Space in the parking lot at each school will be reserved for the parking of teachers' cars.

ARTICLE 9
TEACHING HOURS AND TEACHING LOAD

- 9.1 Teachers shall be required to work on the days specified in the official school calendar and according to the schedule of opening and closing schools as determined by the Board. Mandatory professional development days shall not be scheduled on Saturdays or Sundays. Except for special orientation meetings for new teachers, teachers who are required to work extra days before or after the dates specified in the official calendar shall receive additional compensation at their appropriate daily rate.
- 9.2 Teaching hours do not apply to extra duty assignments, see "UHSAA and/or Extra Compensation Program."
- 9.3 **School Day**
 - 9.3.1 Elementary teachers shall report to work no less than 20 minutes before the district published start times of the school day and shall remain on duty for at least 15 minutes after the district published closing time of school.
 - 9.3.1.1 Elementary PLC time will occur for 45 minutes, each Tuesday before or after school. School Building Committee and School Leadership Committee will determine if PLC time is held before the start of school or after.
 - 9.3.2 Secondary teachers shall report to work no less than 30 minutes before the district published start times of the school day and shall remain on duty for at least 20 minutes after the district published closing time of school. In schools starting before 8:00 a.m., these time provisions may be reversed.

- 9.4 **Faculty Meeting.** The principal, in consultation with the School Building Professional Committee, will make decisions relating to faculty meetings.
- 9.4.1 Faculty meetings shall not exceed sixty minutes once per month, except when cleared by a School Leadership and Improvement Director in collaboration with the Executive Director of the Association and/or in the event of an emergency.
- 9.4.2 Faculty meetings are to be used to manage the logistical operations of the school, enhance communication with the faculty, and for professional development.
- 9.5 **Duty Free Lunch.** All teachers shall have an uninterrupted, duty-free lunch period of at least 30 minutes daily, not counting passing time, except for teachers with assigned lunch-time responsibilities. Assigned supervisory duty, or other duty, shall not exceed 10 minutes in any lunch period.
- 9.5.1 In order to assist in lunch-time supervisory duties, and to reduce and minimize the number of lunch-time duties for teachers, the District will budget an amount of money annually for lunch supervision programs. The total amount will be determined in negotiations and will be allocated to the schools on an as-needed basis.
- 9.5.2 **At the elementary level,** principals will use allocated funds to hire part-time teacher aides (if available) to assist in lunch-time supervisory duties. If no aides can be hired for this purpose, teachers who agree to perform the duties otherwise assigned to the aides will be compensated at the Secondary Lunch Monitor rate (Classified Lane dd) until an aide can be hired.
- 9.5.3 **At the secondary level,** teachers who agree to perform extra lunch-time duties in order to reduce lunch-time duties for other teachers will be compensated at the Secondary Lunch Monitor rate (Classified Lane dd).
- 9.6 Normally, secondary teachers will spend preparation and consultation periods at the school; however, teachers may on occasion be excused by the principal, or the principal's designee, to utilize other facilities for school-related professional purposes to aid the teacher in meeting the needs of students.
- 9.7 When another teacher is in charge of an elementary teacher's class, the regularly assigned teacher, under guidelines formulated by the staff and approved by the principal, may leave the classroom and use that time as a preparation period, or for other professional purposes.
- 9.8 Only in case of emergency will teachers be required to serve as substitutes and/or students split up and placed in other teachers' classrooms. Insofar as administratively possible, such emergency substituting assignments will be distributed among all faculty members. Emergency in this subsection shall mean an unscheduled or unplanned event, or an unforeseen combination of circumstances, that calls for immediate action.

If a substitute teacher is not provided for a contract teacher who has requested a substitute the absence will result in a failed-to-fill. When contract classroom teachers are asked to cover the failed-to-fill, they shall be paid a prorated share of the Level F substitute teacher rate. Principals shall reassign substitute teachers, who are scheduled for PLCs or school/district level professional learning, to failed-to-fill classrooms. Secondary teachers who cover the failed-to-fill classroom during what would have been their paid consultation period will coordinate with their supervisor to fulfill the contractual obligation.

- 9.9 The teaching load for secondary teachers is defined in Article 7.7. The normal teaching assignment for secondary teachers is not more than three teaching preparations and not more than two subject areas. The consultation period(s) shall be used for consultation, preparation, or other professional purposes.

ARTICLE 10

CLASS-FREE PLANNING & PREPARATION TIME FOR ELEMENTARY TEACHERS

- 10.1 Students in Elementary schools will be dismissed from school one hour and forty minutes early one day a week.
- 10.2 Class-free planning and preparation time shall be used by teachers for planning and preparation activities, with the objective of improving instruction, meeting the needs of individual students, and improving the coordination of school programs and activities.

An increase in elementary planning and collaboration time will be added to the one (1) hour per week currently allotted to teachers. Each teacher will be given an additional 45-minute block of time weekly. If the 45-minute planning time falls during an assembly, or other scheduled activities, the principal will arrange coverage for the teacher’s students, thus guaranteeing that the teacher will still receive planning time. This will be accomplished without burdening another teacher with supervision.

| Regular Week | Short Day |
|--|---|
| During the day + 45 min planning time | + 15 min after-school contract time + 60 min planning time |

- 10.3 Normally, elementary teachers will spend planning and preparation time at the school, however, teachers may on occasion be excused by the principal, or the principal's designee, to utilize other facilities for school-related professional purposes to aid the teacher in meeting the needs of students.

- 10.4 Planning time shall not be used for faculty meetings.
- 10.5 Professional learning shall not be held during planning time.
- 10.6 Special education teachers and resource teachers, whose contract and work assignments are the same hours as those of regular classroom teachers, will participate in (student) class-free planning and preparation times during the same hours and on the same basis as regular classroom teachers. Building principals will verify that prep time for Special Education teachers is built into the schedule as it is for all other teachers.
- 10.7 Fine arts (Art) and physical education (PE) teachers assigned to an elementary school on planning and preparation time will participate in planning and preparation times at the school. In elementary schools, the Board requires Art education and physical education to meet the state core standards; therefore, individual planning and preparation for regular classroom teacher shall take place while elementary students attend PE and Art classes. PE and Art specialists shall have regularly scheduled planning time and a designated workspace, as they are like any other educator in the building.
- 10.8 At the elementary level, 30-minutes a week of Library will be for class-free, teacher directed planning time.
 - 10.8.1 Unlike the other guaranteed planning times, if the Librarian is absent, a substitute will not be provided since the Librarian is not a licensed teacher.

ARTICLE 11
TEACHING ASSIGNMENTS

- 11.1 With the exception of teachers being transferred, or in the event of district program or staffing adjustments, returning teachers shall be notified in writing of their school assignment, program, schedule, or grade level assignment for the ensuing year not later than April 15 (elementary) and May 1 (secondary). Consultation with the teacher shall take place before any written assignment is made. In the event a change must be made during the summer or fall, administration must show documentation to the Executive Director of the Association and the affected teacher justifying the change.
- 11.2 In order to assure that students are taught by teachers working within their areas of competence, teachers shall not, under normal conditions, be assigned outside the scope of their teaching licenses and endorsements.
- 11.3 District seniority of teachers shall be considered for purposes of school assignment, schedule, program, or grade level.
- 11.4 All regular contract teachers at a school site shall have the opportunity to apply for reassignment to any available position at the school site, prior to the position being filled.

- 11.5 The Board and the Association recognize that a teacher's primary responsibility is to teach.
- 11.6 Changes in teaching assignments during the school year should be avoided; however, enrollment changes or other unforeseen circumstances may make it necessary for the principal to make changes in teaching assignments during the year.
- 11.7 Prior to changing a teacher's assignment, the principal will meet with the teacher involved to discuss the reasons for the change in assignment.

ARTICLE 12
DISRUPTIVE STUDENT BEHAVIOR

The Board, Administration, and Association believe that educators need to be able to teach without disruptions from disorderly students and are in full support of teachers, principals, and school staff in their duties to operate safe, orderly schools and classrooms under reasonable rules governing school conduct. Appropriate disciplinary measures should be assessed to students when students make false allegations against an employee that have an affect or impact on the teacher's employment. Refer to Administrative Memo #106.

ARTICLE 13
PROTECTION OF TEACHERS FROM ASSAULTS

- 13.1 Teachers shall report in writing, as soon as possible to their principal/supervisor, any assault suffered in connection with their employment. The principal/supervisor will forward a copy to School Leadership and Improvement. The Superintendent and a law enforcement agency shall be notified of any such assault.
- 13.2 If criminal or civil proceedings are brought against a teacher, alleging the teacher committed an assault in connection with their employment, such teacher, after making the reports described in Article 13.1 above, may request the Board to furnish legal counsel to defend the teacher in such proceedings, insofar as the interest of the teacher and the District are not conflicting. If the teacher is found guilty or liable in such proceedings, such finding shall constitute a cause for dismissal from the school system. Fines, damages, penalties, or forfeitures shall not be paid by the Board.
- 13.3 Civil liability insurance coverage shall be provided for each teacher. Costs of this coverage shall be paid by the Board. Civil liability insurance coverage shall not be deemed to provide payment for fines, penalties, or forfeitures arising out of criminal proceedings.

- 13.4 Whenever a teacher is absent from the teacher's assignment as a result of personal injury caused by an assault arising out of and in the course of the teacher's employment, the teacher shall be paid their full salary for the period of such absence not to exceed 180 contract days, and such paid absence shall in no event be deducted from any sick or personal leave to which such teacher is entitled.
- 13.5 The Board agrees to reimburse the teacher the market value of any personal property damaged or destroyed as a result of assault suffered in connection with the teacher's employment.
- 13.6 Time lost by a teacher for appearance before a judicial body or legal authority related to an assault case directly connected with employment as a teacher in the District, shall result in no loss of wages or reduction in accumulated leave.

ARTICLE 14
TEACHER EVALUATION

- 14.1 Teachers will be evaluated under the provisions of the Utah Administrative code 53G.
- 14.2 Copies of all formative and summative teacher evaluations will be given to the teacher for their personal file. Teacher signatures on such reports and records indicate a knowledge of the contents and do not signify approval. The teacher shall have the right to attach or submit an explanation, or other written statement regarding any formative or summative evaluation, for inclusion in the teacher's file.
- 14.3 Summative evaluations, or formative evaluations which could lead to corrective discipline or non-renewal, shall only be conducted by fully licensed administrative personnel.

ARTICLE 15
TEACHER FILES

- 15.1 The official teacher file is the one maintained in the Human Resources Office. Materials from files kept in a school shall be used primarily for the improvement of a teacher's performance. These files shall be maintained in accordance with 15.3. Documentation regarding unsatisfactory performance in the District shall be removed from all school files after three years of satisfactory performance and from all district files after five years of satisfactory performance.

Documentation regarding improper teacher conduct in the following areas will remain in the file:

- Conduct which violates the law;
- Physical contact with students;
- Conduct involving drugs or alcohol;
- Sexual conduct.

Exception: Documentation regarding improper teacher conduct in the above areas will be removed from the file if the teacher has been exonerated of all charges.

15.2 A teacher's file will only be maintained in the District Human Resources Office for as long as a person is employed and for five years following their termination. At that time, the file will be removed to another storage space and maintained according to the Utah School Districts General Retention Schedule.

15.3 All teacher personnel files shall be maintained under the following conditions:

15.3.1 Materials shall be available at the teacher's request for inspection except as noted in 15.3.4 below.

15.3.2 No unfavorable entry shall be made in a teacher's file unless the teacher has an opportunity to read the material before the end of the school year during which the principal became aware of the occurrence or condition upon which the entry is based. The teacher shall acknowledge that the teacher has read such material by providing their signature and the date on the copy to be filed. It is understood that the teacher's signature does not indicate agreement with the content of the material and will serve only to verify that the material was shown to the teacher. If the teacher desires a copy of the material, the teacher may make and keep a copy.

15.3.2.1 If a teacher refuses to provide their signature on the copy to be filed, such notation will be made on the material.

15.3.2.2 Only documented statements shall be filed.

15.3.3 The teacher shall have the right to answer any material filed, and the answer shall be reviewed by the Human Resources director and attached to the file copy.

15.3.4 All legally privileged references and information shall be held in confidence and, therefore, are not subject to this Agreement and not available for inspection by the teacher. University placement files and references obtained from outside the District, or before a person is employed, is privileged material.

15.3.5 Teachers who claim that material in their file is inaccurate shall be entitled to an informal hearing on the matter pursuant to Article 6.4. Material will be removed from the teacher's file when a teacher's claim that it is inaccurate has been sustained.

15.3.6 Complaints, whether verbal or written, shall not be used as the basis for corrective action if the teacher has not received notice of the complaint and its detailed substance and had opportunity to respond to the supervisor within a reasonable period of time following the school's or district's receipt of the complaint. Teachers may request copies of written complaints or written summaries of verbal complaints.

Hearsay shall not be used as the basis for actions which may be taken against a teacher.

ARTICLE 16

POSTING OF VACANCIES, TRANSFERS, AND PROMOTIONS

16.1 Posting of Vacancies

16.1.1 Vacancy shall mean all newly created, additional teaching positions and all continuing teaching positions that have been vacated by reason of resignation, retirement, dismissal, death, reassignment, or transfer.

16.1.2 All vacancies for the following school year will be posted according to the following schedule. Exception: Vacancies that are filled by administrative transfer will not be posted.

16.1.3 Posting of Elementary Vacancies

16.1.3.1 The day after the annual surplus meeting, the Human Resources office will publish online the first listing of known elementary vacancies that will occur for the following school year. Subsequent vacancies may be posted daily.

16.1.4 Posting of Secondary Vacancies

16.1.4.1 On the last District working day before April 20, the Human Resources office will publish the first listing of known vacancies, together with job descriptions, that will occur for the following year. (Exception: Approved high school head coaching positions as collaboratively identified by the Association and the District for the following school year may be posted as soon as the vacancy is declared. The hiring process [posting, interviews, reference checks, recommendation for hire to H.R.] for this exception will need to be completed before the date of the annual Principals' Meeting in March where teacher FTE is allocated.)

16.1.5 Posting of Positions for New Schools

16.1.5.1 Staffing of positions in new schools may be exempted from the above timelines and posted as vacancies on an earlier date (to be determined by the District) after consultation with the Association.

16.2 Application for Transfer to a Posted Position

16.2.1 The day after the annual surplus meeting, all teachers in the District shall be eligible to apply for transfer to any specific position in another school that has been posted as a vacancy for the following school year, including those positions filled on a temporary basis after the first day of the second semester.

16.2.2 Teachers desiring a transfer to a posted position must apply online for the specific posted position, or positions, for which the teacher wishes to apply. After completing an online transfer request, a confirmation number is provided. Transfer applications will be accepted until 30 calendar days prior to the start of the new contract year.

16.2.3 The application deadline date shall be the fifth working day following publication and posting of the vacancy.

16.3 Procedures for Choosing Among Applicants for a Posted Position

16.3.1 In filling non-promotional vacancies occurring within the teaching staff of the District, principals shall consider the program and staffing needs of the school and the relative qualifications of the applicants for the available position.

16.3.2 Selection among applicants to fill posted vacancies shall be based on the relative qualifications of the applicants, with the primary objective of selecting the applicant best qualified to fill the vacancy.

16.3.3 If the principal determines that two or more applicants are equally well qualified for a vacant position, first consideration shall be given to applicants who are currently employed by the District.

16.3.4 If a choice must be made among applicants currently employed by the District who have been determined by the principal to be equally well qualified for the position, the teacher with the greatest length of continuous and current contract service in the District shall be appointed.

16.3.5 No assignments of new teachers shall be made until the applications of teachers declared surplus and teachers requesting transfer have been considered.

16.3.6 Each approved transferee and principal involved shall be notified of the transfer within ten days after the application deadline. In the event a transfer is not approved, the applicant may request written notice of the reason. If a teacher has questions about their transfer, the teacher may request an interview with the director of Human Resources and an appointment will be set.

16.4 Procedures for Determining Which Teachers Will Be Declared Surplus

16.4.1 Transfers of surplus teachers may become necessary at the end of the school year because of enrollment decline, school closure, or change in school program.

16.4.2 When enrollment decline, school closure, or change in school program makes necessary the transfer of surplus teachers, a call for volunteers shall be made. If there are no volunteers, decisions as to which teachers will be declared surplus shall be based on the program and staffing needs of the school and the relative qualifications of the teaching staff to fill the available positions.

16.4.3 If a choice must be made between two or more teachers determined by the principal to be equally well qualified for an available position, the teacher with the least seniority in the District will be declared surplus.

16.4.4 No teacher will be declared surplus without an explanation of the reasons for such action. Before recommending that a teacher be declared surplus, the principal will confer with the teacher involved to discuss the proposed action and the reasons for such action.

16.4.5 The transferring of surplus teachers because of enrollment decline, school closure, or change in school program will be recommended by the principal and the appropriate School Leadership and Improvement Director.

16.5 Procedures for Placement of Surplus Teachers

16.5.1 Written notice of surplus status will be given, when possible, by March 15 for elementary teachers and by April 1 for secondary teachers.

16.5.2 Surplus teachers, who qualify for available positions, shall be placed before any applicants new to Granite School District are considered.

16.5.3 After a surplus teacher is placed, that teacher can apply for any specific position in another school that is posted as a vacancy.

16.6 Administrative Transfer of Teachers

16.6.1 Circumstances may sometimes require that a teacher be transferred from one location or assignment to another.

- 16.6.2 Before recommending a teacher transfer, the principal and/or the appropriate School Leadership and Improvement Director will meet with the teacher involved to discuss the proposed transfer and the reasons thereof.
- 16.6.3 No administrative transfer will be made arbitrarily, capriciously, or without a written explanation of the reason for the transfer.
- 16.6.4 The criteria specified in 16.4.2 and 16.4.3 will apply to administrative transfers during the school year because of enrollment decline, school closure, or change in school program.
- 16.6.5 If the teacher objects to the proposed transfer, the teacher may request a meeting with the appropriate School Leadership and Improvement Director to discuss the matter.
- 16.6.6 Administrative transfers will be recommended by the principal and/or the appropriate School Leadership and Improvement Director and will take effect only after approval by the appropriate Assistant Superintendent.
- 16.6.7 Human Resources, in consultation with the Executive Director of the Association, may administratively transfer teachers on a .5 FTE in two locations to a single location 1.0 FTE.

16.7 **Promotions**

- 16.7.1 In filling promotional vacancies, preference shall be given to personnel already employed in the District providing other qualifications are substantially equal. A promotion is defined as a position that comes with additional days beyond the base contract.
- 16.7.2 Applicants for such promotions shall be notified of the final decision in writing.

ARTICLE 17 **ADULT AND COMMUNITY SCHOOL EMPLOYMENT**

- 17.1 No certificated position for credit classes in the Adult and Community Schools shall be filled by a teacher not employed by the District during the regular school term if there is a qualified applicant for such position who is employed by the District during the regular term.
- 17.2 In filling such positions, consideration will be given to a teacher's area of competence, major and minor fields of study, quality of performance, and ability to relate well with students.

- 17.3 Teachers employed in adult and community school credit classes shall be paid an hourly rate, according to their current contract salary as a regular teacher in the District, to a maximum hourly rate based on step six of the teacher's salary lane.

ARTICLE 18

LEAVES OF ABSENCE

Note: *Effective 1/1/93, the majority of currently employed teachers will convert to a new accumulative sick leave program, which includes the option of both short and long-term disability. All teachers hired after 1/1/93 will be placed on the new sick leave program. With the exception of 18.1.2.1, all of the following provisions shall apply as far as there is available accumulated sick leave for the teacher to use. Further details of this program are available from the Association or Human Resources Office.*

- 18.1 **Sick Leave.** Sick leave is to be taken only for illness, accident, or recuperation from the same. It is the professional responsibility of every professional person to use this sick leave only for the purpose intended. Any proven misuse thereof would be considered unethical, unprofessional, and in violation of the teacher's contract. Sick leave will be granted according to the following schedule.

18.1.1 Sick Leave for Provisional Teachers

- 18.1.1.1 Ten days of sick leave will be granted annually with full pay, cumulative to thirty teaching days. Sick leave is allocated after a teacher works at least one scheduled contract day in the current school year.
- 18.1.1.2 When the effective date of appointment of a teacher is before the beginning of the second semester of any school year, the teacher will be given credit for the full annual sick leave allowance.
- 18.1.1.3 When the effective date of appointment of a teacher is on or after the beginning of the second semester, the teacher will be given credit for five days' sick leave allowance.
- 18.1.1.4 One additional day of annual sick leave will be added for each additional contract month served beyond the regular school year.
- 18.1.1.5 Verification of any disability may be required any time a teacher is absent from work. If disability verification has not been required sooner, the teacher shall furnish such verification on or before the twenty-first calendar day of disability using the District's "Diagnosis and Functional Limitations" form. The form must be submitted to the District Human Resources office.

18.1.1.6 A teacher whose personal illness extends beyond the teacher's accumulated sick leave may be granted a leave of absence of up to one year without pay or increment. Request for such leave must be accompanied by a "Diagnosis and Functional Limitations" form from a licensed medical provider that such leave is necessary.

18.1.1.7 Upon return from such leave, a teacher will be assigned to the same position if available, or, if not, to a substantially similar position.

18.1.2 Sick Leave for Regular Contract Teachers

Note: *18.1.2.1 Only applies to teachers on contract with the District prior to 1/1/93 who elected to remain on the old sick leave program. Those teachers do not have an accumulated sick leave program or the option of short or long-term disability insurance through the District.*

18.1.2.1 Extended sick leave with full pay up to a maximum of 180 school days for any one illness, not limited to any one contract year, will be granted teachers.

18.1.2.2 Ten days of sick leave will be granted annually with full pay. Sick leave is allocated after a teacher works at least one scheduled contract day in the current school year.

18.1.2.3 One additional day of annual sick leave will be added for each additional contract month served beyond the regular school year.

18.1.2.4 The provisions of 18.1.1.5, 18.1.1.6, and 18.1.1.7 above shall apply.

18.1.3 Special Use of Sick Leave.

18.1.3.1 Special use of sick leave will be reviewed by the principal, the Benefits Department, and granted by the appropriate Assistant Superintendent, in the event of serious illness of a member of the immediate family, or of any other person who is a member of the same household as the teacher. Denial of special use of sick leave can be appealed to the Superintendent.

18.1.3.2 The immediate family is defined as husband, wife, father, father-in-law, stepfather, mother, mother-in-law, stepmother, daughter, daughter-in-law, stepdaughter, son, son-in-law, stepson, brother, brother-in-law, step brother, sister, sister-in-law, step sister, aunt, uncle, grandchildren, grandchildren-in-law, step grandchildren, grandparent, grandparent-in-law, step grandparent, or any other person who is a permanent member of the same household as the employee.

- 18.1.3.3 It is not the intent that sick leave granted under this provision be used for extended convalescent care.
- 18.1.3.4 Verification may be required for any family illness for which special use of sick leave is requested. After three days of absence for family illness in any one school year, the teacher shall furnish verification of any family illness for which special use of sick leave is requested.
- 18.1.3.5 After fifteen days of absence for family illness in any one school year, the teacher involved shall pay the cost of substitutes for any further use of special sick leave that is granted, by an Assistant Superintendent, for family illness. (The teacher shall be charged the current daily Substitute B rate.)
- 18.1.3.6 Up to five (5) days of special use of sick leave will be granted by the principal in the event of a death in the immediate family as defined above. Bereavement days can be taken within a two-week window from the time of the death.

18.2 **Personal Leave**

- 18.2.1 Teachers are allocated four (4) personal leave days each contract year. Personal leave can be taken for any reason, at the discretion of the teacher. Teachers who take no personal leave in a contract year will receive an amount equal to three times the current Substitute B rate. Teachers who take one personal leave day in a contract year will receive an amount equal to two times the current Substitute B rate. Teachers who take two personal leave days in a contract year will receive an amount equal to the current Substitute B rate. Teachers who take three or four personal days in a contract year will receive no additional amount.
- 18.2.2 A minimum of one day (24 hours) notice must be given to the principal before taking personal leave, except in cases of emergency. (See Appendix F.)
- 18.2.3 Personal Leave should not be taken the day before or after a school holiday (weekdays when school is not in session for students) or during the first or last week of school. Exceptions must have the prior approval of the school principal.
- 18.2.4 Limitations may be placed by the principal on the number who can take Personal Leave on any given day at that school. Generally, only one or two Personal Leave days per school, per school day can be approved. Such limits are necessary based on the availability of substitutes. - 19.3 **Suspension.** The Superintendent, or the Superintendent's designee, may suspend a teacher with or without salary, whenever, in the Superintendent's professional judgment, it is in the best interest of the District to take such action. Notice of suspension shall be given in writing, including a statement of the reasons thereof. Suspended teachers shall have the right to an informal hearing pursuant to Article 6.4 if the hearing is requested within 15 working days of receiving a letter of suspension.
- 19.4 **Termination of Contract during Contract Term.**
- 19.4.1 **Preliminary Notice:** When the District intends to terminate a teacher's contract during the contract term for unsatisfactory performance, the District will inform the teacher of the fact that continued employment is in question and the reasons thereof at least thirty days before issuing the termination notice. The teacher will be given an opportunity to correct any deficiencies that precipitated possible termination of contract.
- 19.4.2 **Termination Notice:** When the District intends to terminate a teacher's contract during the contract term for unsatisfactory performance, or for cause, the teacher may request an informal conference with the appropriate Assistant Superintendent

to discuss the matter. If termination of the teacher's contract is the final determination of the District, it will give prior written notice of such intent served by personal delivery or by certified mail addressed to the teacher's last known address. Such termination notice will state the reasons and causes for termination and will advise the teacher of their rights to appeal. Termination notices will be delivered or mailed at least thirty days prior to the proposed date of termination.

Non-renewal notices will be delivered or mailed at least 60 calendar days prior to the end of the contract term of the individual teacher involved.

19.6 **Informal Hearing for Provisional or Career Contract Teachers**

19.6.1 After receiving a non-renewal notice, provisional or career contract teachers may file a written request in the division Assistant Superintendent's office for an informal hearing pursuant to Article 6.4 to review the proposed dismissal. If the teacher does not request an informal hearing within 15 calendar days after receiving the termination or non-renewal notice, the teacher's employment shall end on the date specified in the notice.

19.6.2 If the division Assistant Superintendent's written determination is to dismiss the teacher, it will specify the effective date of dismissal, which will in no event be sooner than the originally proposed date, or the tenth day following the date of determination, whichever is later. The decision of the division Assistant Superintendent will be binding upon all parties, provided the decision does not exceed district authority as established in the law.

Note: Provisional contract teachers have the same right of a hearing under 19.7 as a regular contract teacher for a termination of a contract for cause during the contract term.

19.7 **Formal Hearing for Regular Contract Teachers**

- 19.7.1 After receiving a termination notice, or a non-renewal notice, regular contract teachers and specially funded program teachers who have completed their provisional period and who are being released for reasons other than curtailment or discontinuance of funds, may file a written request in the Superintendent's office for a formal hearing to review the proposed dismissal. - 19.7.4 Within twenty working days following the hearing, the hearing examiner will submit a recommended solution to the Board, with copies to the teacher, the Superintendent, district representative, and to the Association. The recommendation of the hearing examiner will be advisory only. The Board will make a final disposition of the case within forty-five calendar days after receiving the hearing examiner's recommendation. - 19.8.4 **Personnel Records:** If the final determination is not to dismiss a teacher, record of the District's attempt to dismiss the teacher will not become part of the teacher's personnel file. Material will be removed from the teacher's file when a teacher's claim that it is inaccurate has been sustained in dismissal proceedings.
- 19.8.5 **Court Appeals:** Nothing herein shall be construed to limit the right of a teacher to appeal the District's decision to an appropriate court of law.

19.9 **Reduction in Force**

- 19.9.1 The reduction in force process will not apply and need not be followed unless there is a district-wide reduction in force. A district-wide reduction in force occurs when the District is unable to place teachers at the end of the surplus process prior to the beginning of a new contract year. After the surplus process is complete, the Superintendent may release as many teachers as necessary.
- 19.9.2 A meeting between the Superintendent, or designee, and a representative of the Association will be set at least 10 days prior to any final action by the District to reduce teachers as the result of a district-wide reduction in force.
- 19.9.3 All unplaced teachers will be reviewed by the number of their respective endorsements and certifications according to the staffing needs of the District. Staffing needs may include but are not limited to the following: endorsements, certifications, pattern of declining enrollments in subject area, endorsements in core academic areas, ESL and gifted endorsements, extracurricular coaching endorsements and certifications, eMINTS certifications, and those who are fluent in a language needed within a school site. Any teacher who has received a current (within the existing school year) written notice of suspension will not be eligible to displace another teacher.
- 19.9.4 If a choice must be made between two or more teachers determined by the District to be equally well qualified for the position, the teacher with the most advanced degree and lane placement according to the teacher salary schedule will be retained.
- 19.9.5 Teachers released through this process, who are not on active corrective discipline as found within their district personnel file, shall be given the first right of interview for positions for which they are qualified that become available during the six months following their release. Notification of the available position shall be made by a certified letter to the last known address of the former employee. The offer of interview shall advise the person that they have seven days after the postmarked

date of the letter to accept or reject the offer of interview. If rehired under this section, teachers will be placed on the step they would have received if they had not been released. Offers not accepted or responded to by the seventh day are deemed rejected.

19.10 **Voluntary Termination of Employment (Resignation)**

- 19.10.1 The Board and a teacher may mutually agree to terminate the teacher's contract at any time.

20.1 **Eligibility.** All teachers under contract shall be eligible for the group insurance programs provided by the board.

20.1.1 **Coverage.** Insurance coverage (medical, life, etc.) for eligible contract teachers cannot begin until the Benefits Personnel Office receives completed online enrollment confirmation and, if necessary, supporting documentation (marriage certificate, dependent birth certificate, etc.). Teachers who complete the online insurance enrollment within their first 30 days of contract employment will have insurance for individual selected coverage. Insurance benefits will begin the first day of the month following the contract start date. Teachers must elect to receive or waive insurance coverage annually.

Teachers who enroll in voluntary life insurance, increase voluntary life insurance or disability coverage after their first 30 days of contract employment must complete an evidence of insurability form. The evidence of insurability form must be approved by the carrier before coverage is effective.

Any life changing events affecting insurance coverage (marriage, divorce, death, birth, etc.) must be reported to the Benefits Office within 30 calendar days of the event to ensure coverage.

20.1.2 Medical insurance premiums paid by the employee reflect a percentage of the total of medical insurance and are recalibrated annually.

20.1.3 **Ending Date of Coverage.** Each insured teacher who terminates employment with the District shall have the benefit of such group insurance during the summer period and until August 31 for the employee group to which the teacher belonged, provided the teacher shall have completed the employment contract for the school year just ended; otherwise, coverage shall end at midnight on the date specified in the insurance policy for teachers who terminate prior to the end of the school year.

20.2 **Dual Medical Coverage.** If a teacher who is eligible for coverage under the District's group medical plan is also eligible as the spouse of another covered employee, the coverages will supplement one another, so that benefit payments for such individuals with dual coverage will be made up to 100 percent of the eligible charge provided that each employee pays the full contribution amount associated with the coverage sought and one employee pays the employee or employee plus dependent(s) amount (e.g. two employees only, one pays employee plus spouse and the other pays employee only contribution; or two employees and family, one employee pays employee plus spouse and family and the other pays employee plus family). The employees must be members of the same medical insurance plan.

20.3 **Shared Premium for Contract Teachers Working Less than Full-time (1.0 FTE).** Contract teachers working less than full-time will receive full coverage under the District's group medical and non-contributory life insurance programs if they pay their proportional share of premium costs by authorized payroll deduction. The teacher's proportional share equals 1.0 minus the teacher's FTE. The Board will pay the percentage of premiums equal to the teacher's FTE. Such teachers who elect not to pay their share of the premiums will not be covered.

20.4 **Insurance Committee.** Association leaders and/or Association appointees will meet regularly with the District to discuss, study, and make recommendations regarding the substance, implementation, and funding of insurance programs.

Any ongoing changes in premium or benefits affecting regular contract employees will also apply to retirees. Medical and dental coverage includes the retiree's previously enrolled eligible spouse and dependents until they are no longer eligible.
