ARTICLE I - PURPOSE

Section 1 – Parties

This agreement is entered into between the School Board of Manatee County and the Manatee Education Association pursuant to and in compliance with Chapter 447, Florida Statutes to provide the wages, hours, and terms and conditions of employment for teachers during the duration of this Agreement.

Section 2 - Waivers to Contract Language

Any school or work site may request a waiver to the provisions of the Master Contract between the Manatee Education Association and the Manatee County School Board. The waiver process shall also apply to any provision a school identified as a "D" or "F" school by the Florida Department of Education elects to include in its School Improvement Plan (SIP) if some portion of the plan requires a waiver of the collective bargaining agreement.

Any waivers granted will apply only to the school which applied for the waiver under the terms of this agreement. Waivers must be approved by the Superintendent and a designated officer or employee of the MEA.

The procedure for a request for a waiver will be as follows:

1. At a meeting of the members of the affected bargaining unit of the school or work site, the plan or program stating the need for requiring a waiver will be presented.

Each member of the affected bargaining unit will receive a written copy of the contract language for which the waiver is requested.

The written proposal for the waiver shall cite the specific article and section to be waived and describe the proposed modifications to the terms and conditions of employment that will exist for the school.

2. Following a minimum of two (2) working days, in a secret ballot election, the members of the affected bargaining unit will vote on whether or not to request the waiver. A provision shall be made for absentee ballots that shall be completed within three working days of the vote. A minimum of seventy-five percent of the members of the affected bargaining unit voting on the waiver must approve the waiver. The MEA building representative and the Principal will certify in writing the procedure was followed and the results of the vote. This written documentation will be included in the request for a waiver. Any teacher who is on leave during the entire voting period shall not be considered in the count of the total bargaining unit.
3. The plan and all written documentation, including a written statement outlining the need for the waiver must be approved by the Superintendent or designee and a representative of the MEA authorized to approve a waiver of the contract. If approved, the waiver along with the plan will be presented to the School Board for approval. If the request is not approved by the Superintendent or the union, a copy of the request along with a written explanation of why the

request was not approved will be returned to the school. In this case, the school may have the option of addressing the concern and resubmitting the request for approval.

4. Approved waivers will be valid for a period of one school year only and will apply only to the school requesting the waiver. A request to continue the waiver beyond one school year must be re-submitted through the entire process each school year.
5. After any semester during the school year in which the waiver has been in effect a request for a review stating the reason for the review and signed by thirty percent (30%) of the affected bargaining unit may be presented to the Superintendent and the MEA. The Superintendent and the Association will meet to discuss and suggest a resolution to the concerns raised by the request for review.
6. Waivers granted to the Master Contract for the teachers bargaining unit will apply only to the personnel specified as members of the teachers bargaining unit and will not apply to any employees not a part of the bargaining unit.
7. The contract provision regarding Article V, Section 2, The Basic School Day, will not be waived.
8. Schools requesting a waiver may vote for that waiver any time during the school year but may vote only once per year on a given subject. A subject will be defined as any section of an Article or an attachment of the current contract. Schools may vote during the Spring Semester of the previous school year for items that will be in effect the following school year. The vote will count as the only vote allowed on the given subject for the following school year.

Teachers shall have the right to form and join labor or employee associations and shall have the right to form and join such associations.

Section 4 - School Access

If the Superintendent and the MEA agree a topic is of mutual concern, a representative of the Association may be included on the school center faculty meeting agenda.

Section 5 - Request for Dues Deduction

Teachers shall have the right to request and be allowed dues deduction provided that dues deduction and the proceeds thereof shall not be allowed any teacher association that has lost its right to dues deduction pursuant to 447.507(4) of Florida Statutes.

Upon receipt of a properly executed authorization card of the teacher involved the school district shall deduct from the teacher's paycheck no later than the second pay period from the date notice of deduction is received by the Human Resource Department, the dues that the teacher has agreed to pay to the teacher association as certified by the Association. Deductions shall be made over 20 equal pay periods and made available at the School Board offices or placed in the US mail monthly to the Teachers Association on or before the first workday of the following month unless unforeseen circumstances cause a delay.

Any teacher who requested dues deducted who leaves the employment of the school district shall not be required to pay any further dues to the Association. Any dispute as to the amount of dues deducted shall be solely between the Association and the teacher involved and the Association shall hold the School Board harmless from any liability arising from the deductions of any dues certified by the Association. This assessment shall appear in the second dues deduction window and shall be deducted annually from the June 10 paycheck. For purposes of clarity, the word "uniform" shall refer to the amount deducted, date deducted, and the deduction form.

Section 7 - Leave for Association President

The Board shall grant unpaid leave for up to two (2) members of the bargaining unit if requested by the Manatee Education Association (MEA.) Leave time will count toward accruing seniority, benefits, salary, increments, steps, etc. The employees on leave for the purposes of this section of the contract shall be entitled to participate in all Board approved benefit plans (health insurance, flexible benefits, FRS, Social Security, etc.).

The Board shall provide payroll services at no cost to the MEA. The MEA will reimburse the Board for the salary and benefits cost. There shall be no contribution to salary or benefits by the Board.

At the conclusion of the leave(s), the employee(s) shall be returned to the positions held prior to the commencement of the leave(s) unless otherwise agreed to by MEA and the Superintendent.

The Board agrees to grant the President half time (20) hours employment status if the Principal is able to make arrangements that she deems to be satisfactory for replacing the Association President during the remainder of his/her duty day. The Association President shall be at the school center for three teaching and one planning period. The working conditions shall be the same as for other half time teachers.

Section 8 - Leave for Bargaining Team Members

The parties agree to normally schedule bargaining during summer months when the regular school year is out of session and during the school year when teachers are normally not on duty, if possible. However, the parties recognize that unusual circumstances arise on occasion, such as special master hearing or mediation which, in order to expedite bargaining, may make it necessary for the MEA team members to be released from their teaching duties to attend bargaining session(s). On such occasions, the Superintendent agrees to release MEA team members from

their teaching duties to attend such meetings. The number of team members released shall not exceed ten (10).

Section 9 - Professional In-service Days

Up to eight (8) duly elected Association delegates may be approved to attend in service programs conducted at the state FEA Convention, if after the Superintendent reviews the agenda, the Superintendent and Association agree that release of such teachers will benefit the school system. Such leave shall only be granted on an in service day and shall be at no additional cost to the School Board. Upon request by the Association, the Superintendent may grant leave to an individual who represents the Association when the Superintendent deems the purpose of the leave to support the mission of the Board. The Association agrees to reimburse the Board for the costs of providing substitutes. Travel expenses shall not be paid by the Board.

ARTICLE V - WORKING CONDITIONS

Section 1 - School Calendar

The School Board will continue to receive input from the Association in the development of the school calendar.

Section 2 - Basic School Day

The specific daily hours of employment for teachers may vary according to the needs of the educational program of the school district. The specific hours for each school center shall be designated by the Superintendent or his designee. It is understood that the daily hours of employment for teachers shall be a maximum of 7 ½ hours per day, inclusive of lunch. Exceptions to the 7 ½ hour day shall be:

- 1. Back-to-School Night:** An annual back to school night may be held. Teachers shall be notified twenty (20) days prior to back to school night. Permission for absence from this event shall be obtained from the principal, in advance except in cases of emergency, by those teachers having conflicts.
- 2. Supervisory Duties:** It is not the intent to increase teacher's supervisory duties beyond what had been the general practice in the past.
- 3. Faculty Meetings:** Principals shall take steps to minimize the need for more than one faculty meeting per month by utilizing E-mail, memos, or other alternate means of communication. Principals shall schedule no more than 14 faculty meetings per year on student attendance days. The intent of this language is not to increase the number of faculty meetings outside the normal workday. It is not the intent to increase faculty meetings beyond what has been the general practice in the past.

Faculty meetings will be defined as a mandatory meeting of all the staff assigned to the school.

Emergency meetings will not be counted as a part of the allotted 14 faculty meetings per year. An emergency will be defined as something which could not be reasonably anticipated.

All other faculty meetings beyond the allotted number will be on a voluntary basis. Staff members will not be required to attend.

- 4. Accreditation:** Teachers shall participate in accreditation activities.
- 5. Early dismissal:** In recognition that teachers may work beyond the normal work day because of the exceptions, principals may permit teachers to leave school before the close of the normal teacher workday on school days immediately preceding a holiday or a non-student day as long as students are not left unsupervised.

6. Elementary Early Release/Elementary Report Card Pick up

(a) Scheduling: Teachers will be released early on two student attendance days for each report card pick up and scheduled for a comparable amount of time for parent conferences outside the regular work day. The plan for scheduling these parent conferences shall be by consensus of the principal and teachers. Included in this plan shall be a procedure to assure coordination of conferences and a procedure for notifying parents. Also included in the plan shall be the assignment of assistance in arranging conferences. The School Board shall determine the dates for elementary early release no later than the first board meeting of the school year and no later than the first board meeting in September for each subsequent year during the calendar adoption process. Unless the School Board authorizes early release for elementary students, all parent conferences outside the regular duty day shall be voluntary.

(b) Conferences on Record Days: No teacher will be required to schedule parent conferences on the designated Record Days; however, teachers may schedule parent conferences on the designated Record Days at their discretion.

(c) Modified Instructional Week: Should the School Board institute a modified instructional week, the conditions in (a) and (b) above shall apply with the addition of the following:

During the first and third quarters, teachers will be provided two early release days on two Wednesdays to be determined by consensus of the teachers and principal at each school, rather than being determined through the calendar adoption process. One of the other two Wednesdays will be teacher planning and one will be for school/district use.

7. Modified Instructional Week

Should the school board institute a modified instructional week, the time available after student dismissal on Wednesdays shall be used as follows:

- Two (2) Wednesdays per month shall be used for individual teacher planning. No scheduled meetings shall take place on these days.
- Two (2) Wednesdays per month shall be reserved for school/district use
- The fifth (5th) Wednesday in a month shall be reserved for district use.
- In no month shall teachers have less than one Wednesday for individual planning if at least one (1) Wednesday in the month is a scheduled student day.
- If the modified day were to be a day other than Wednesday, this language still pertains.

8. Banking and Voting: The principal may permit teachers to conduct banking business on paydays and vote on election days during non-student contact time as long as students are not left unsupervised and school sign out and sign in procedures are followed. Any teacher may have the reason for denial of this benefit reviewed by the Superintendent, upon request.

Section 3 - Duty-Free Lunch

All teachers shall have an uninterrupted duty-free lunch period each school day. This lunch period will be at least 30 minutes unless the local situation makes this impossible.

Section 4 - Preparation Time

1. Except as noted below, elementary and secondary classroom teachers shall have a continuous, uninterrupted planning and/or preparation as provided in this section. It is understood that teachers shall have the right to use restroom facilities, as necessary, throughout the student day.

a) Elementary:

1. Inside the student day:

a. Elementary teachers shall have no less than 40 minutes of continuous, uninterrupted planning and preparation time during each student day, five days a week, except in those cases of emergency such as, but not limited to, an occasion when a substitute cannot be obtained to cover an absent teacher's class. The planning period shall be at least the length of a "specials" class.

b. Planning during the student day on the Wednesday in a modified instructional week shall be no less than the length of a "specials" class, or the 40 minutes immediately following student dismissal.

2. **Outside of student day:** Teachers are entitled to 225 minutes of planning time per week outside of the regular student day. For weeks when students are present less than five days, a proportionate amount of time will be provided. No more than 45 minutes of that time may be scheduled and used for, but not limited to: team meetings, department meetings, grade level meetings, progress monitoring, collaborative planning, data analysis or any other purposes for academic enhancement, enrichment or improvement. Planning time will consist of blocks of time of no less than 15 minutes and may be before or after the student day.

3. **Special Area Teachers:** If any Special Area teacher is absent, the administrator responsible for requesting substitutes will request a substitute for the special area teacher using the normal procedure. If no substitutes are available and no other coverage for special area teachers is available, the schedule may be altered to accommodate this situation.

4. **Relief Period:** A ten minute relief period will be provided for each teacher in the half of the day opposite the teacher's planning period unless there is an emergency such as, but not limited to, an occasion when an employee used to give breaks is absent and no others are available.

5. If and when the Manatee County School Board should reinstate a 6 and one half hour student day, the Elementary Planning Time provisions of the prior Master Contract will

also be reinstated.

b) Middle School

1. Inside the student day:

a. Middle School classroom teachers shall have no less than 40 minutes or one full period, whichever is greater, of continuous, uninterrupted planning and preparation time during each student day, except in those cases of emergency such as, but not limited to, an occasion when a substitute cannot be obtained to cover an absent teacher's class. In the event a field trip necessitates coverage of two consecutive classes or more, a reasonable documented effort shall be made to obtain a substitute.

b. Planning during the student day on the Wednesday in a modified instructional week shall be the length of a class period.

- 2. Outside of student day:** Teachers are entitled to 225 minutes of planning time per week outside of the regular student day. For weeks when students are present less than five days, a proportionate amount of time will be provided. No more than 45 minutes of that time may be scheduled and used for, but not limited to: team meetings, department meetings, grade level meetings, progress monitoring, collaborative planning, data analysis or any other purposes for academic enhancement, enrichment or improvement. Planning time will consist of blocks of time of no less than 15 minutes and may be before or after the student day.

c) High School

1. Inside the student day:

a. High School classroom teachers shall have the average of at least 40 minutes per day of planning and preparation during the student day, or the length of a "skinny" period per day of planning time, whichever is greater, over a ten day cycle: except in those cases of emergency such as, but not limited to, an occasion when a substitute cannot be obtained to cover an absent teacher's class. In the event a field trip necessitates coverage of two consecutive classes or more, a reasonable documented effort shall be made to obtain a substitute.

b. Planning time during the modified instructional week shall be the average of at least 40 minutes per day over a ten day cycle.

- 2. Outside of student day:** Teachers are entitled to 225 minutes of planning time per week outside of the regular student day. For weeks when students are present less than five days, a proportionate amount of time will be provided. No more than 45 minutes of that time may be scheduled and used for, but not limited to: team meetings, department meetings, grade level meetings, progress monitoring, collaborative planning, data analysis or any other purposes for academic enhancement, enrichment or improvement. Planning time will consist of blocks of time of no less than 15 minutes and may be before or after the student day.

2. **Guidance Counselors:** All Guidance Counselors will be provided with no less than 40 minutes or the equivalent of one student period daily for duties other than those requiring supervision or student contact.
3. **Notice of Duty Roster Implementation:** Where the principal or his/her designee knows in sufficient time in advance that a period will be shortened or the duty roster will be implemented, the affected teacher(s) shall be notified of this event at least 3 days in advance. If the principal or his/her designee does not know 3 days in advance, as much notice as reasonable possible shall be given.
4. **Scheduling:** The specific scheduling of preparation and/or planning time shall be determined at each school center by the principal after consultation with his/her teacher and appropriate district administrators.
5. **Conferences:** Parent conferences shall not be considered planning and/or preparation within the student day. No parent conference will be scheduled within the student day planning or preparation period unless initiated or scheduled by the teacher. Parent conferences shall be considered planning and/or preparation within the 45 minutes planning time scheduled outside the student day.
6. **Emergency Roster:** To insure fairness in the assignment of teachers in emergency situations, each principal shall maintain and post a roster and shall make emergency assignments to all available teachers on a rotating basis as equitably as possible.

The emergency roster shall not be used to cover athletic events.

A priority shall be given to using a teacher's duty period, if such exists, rather than the teacher's planning period, when implementing the emergency roster.

The parties agree that the purpose of the emergency rosters established under Article V, Section 4, is to record administrative assignments to cover emergency situations. Only assignments made by the principal or his designee shall be recorded on the roster. Where the principal allows a teacher to be away from his/her assignment and the teacher has made mutually agreeable arrangements with another teacher to cover the absent teacher's assignment, this situation shall not be recorded on the emergency roster.

7. **Payment for No Sub:** If a substitute for a teaching position that is requested through the Substitute Employee Management System (SEMS) cannot be secured, the sum of \$50 per day will be credited to the school's instructional supply account. The Principal will involve the teachers of the school as to how the money that is generated through this provision will be spent.

Section 5 - Additional Activities

Teacher participation in extracurricular activities for which no additional compensation is paid shall be voluntary.

Section 6 - Special Teachers

In cases where special teachers (such as art, music, physical education) are used, the regular teacher will not be required to remain in the classroom at the same time the special teacher is present, except in cases of emergency. This time shall be used as a preparation and/or planning time by the regular classroom teacher.

Section 7 - Teaching Materials

The parties recognize that tests, library reference materials, software, maps, globes, laboratory equipment, audio-visual equipment, art supplies, physical education equipment, current periodicals, standard tests and questionnaires, and other supplies are the tools of the teaching profession. The School Board agrees to afford teachers the opportunity to be involved in the selection of such materials.

Section 8 - Notification of Assignment

Prior to making teacher assignments for the following year, the principal shall request preferences for assignments from teachers. Teachers will be notified of their teaching assignment for the following year two weeks before the last calendar work day of the teacher's contract year. If scheduling problems necessitate a change in this teaching assignment, the teacher shall be notified of the change at the earliest possible date.

Section 9 - Issue of Contracts

Annual contracts and professional service contracts shall be issued to teachers who hold a valid teaching certificate no later than the first day of employment each year.

Section 10 - Teaching Out of Certification Area

Except in case of emergency, a teacher will not be given a teaching assignment outside the scope of his/her teaching certificate. In the event such an assignment is necessary, any evaluation conducted for responsibilities outside his/her area of certification shall be specifically noted on the evaluation form and due consideration shall be given in the assessment of the teacher's performance.

Section 11 - Certification Compliance and Highly Qualified (HQ) Teachers

All teachers must be certified and HQ in his/her assigned subject area by deadlines established by state and/or federal law. Teachers out of compliance will be given the following district-level assistance:

 2. Teachers who are voluntarily transferred or reassigned to positions for which they are not certified or HQ during the Spring for the following school year will have until the end of the first semester of the following school year to become certified or HQ.
- c. Annual notification by last workday to all bargaining unit members of areas of need as well as incentives for becoming certified or highly qualified in the identified area
- Certified or highly-qualified by taking test
 - adding area to certificate
 - district will reimburse cost of test to those who passed test and added it to their certificate

Section 12 - Association Representation

Any teacher summoned by a principal, immediate supervisor, or any administrator, to a conference for the express purpose of discussing dismissal or issuing a formal written reprimand, shall have the right to be accompanied by a representative of the association. The definition of dismissal shall not include the non-renewal of an annual contract.

Any teacher who requests association representation and is denied association representation under this section shall have the right to terminate such a meeting until association representation is available.

The following are the types of instances where employees are entitled to representation:

Leave not used during any fiscal year may accumulate without limit.

Section 2 - Use of Sick Leave by a Family Member

An employee of the Manatee County School District may authorize his or her spouse, child, parent, or sibling who is also a district employee to use sick leave that has accrued to the authorizing employee. The recipient may not use the donated sick leave until all of his or her sick leave has been depleted, not including sick leave from a sick leave pool, if the recipient participates in a sick leave pool.

Donated sick leave under this provision shall have no terminal value to the recipient as provided in Article XIII of this contract and Florida Statute 1012.61(2) (c). However, unused donated sick leave will revert to the individual who donated it at the end of the fiscal year or upon termination of employment and shall maintain its value upon retirement.

Section 3- Illness-In-Line-of-Duty Leave

As outlined in Florida Statutes 1012.63, any full-time teacher shall be entitled to illness-in-line-of-duty leave when he/she needs to be absent from his/her duties because of a personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work, excluding common colds, flu and other sickness of this nature.

A physician's statement verifying the nature of the injury or illness must be provided by the employee before illness-in-line-of-duty leave pay is granted. Furthermore, it is incumbent upon the employee to provide reasonable evidence that such illness was contracted or such injury was incurred during her/his line of duty. Such leave may be authorized for a total not to exceed ten (10) duty days during any school year for illness contracted, or injury incurred, from such causes as prescribed above, such leave not to be deducted from the employee's sick leave.

Request for additional line of duty leave shall be recommended at the discretion of the Superintendent. Upon the favorable recommendation of the Superintendent, the Board may approve up to the number of additional days recommended by the Superintendent.

Section 4- Professional Leave

Instructional personnel may be granted leave for attendance at educational meetings, clinics, etc., while school is in session, when request has been made in writing to the Superintendent and approved by him as being in line of duty. During such leave personnel shall be paid as though they were on duty in the school.

Personnel normally employed for ten (10) months from year to year but given additional work in summer programs will not be eligible for a professional leave during this extra period of employment.

Professional leave is initiated by the individual for the benefit of the individual.

Subdivision 1. All professional leaves must be substantiated by a short written report delivered to the Assistant Superintendent for Curriculum and Instruction. Travel expenses and per diem may be paid for professional leaves during period of employment. Forms for reports and expense vouchers may be procured from the county school office.

Section 5- Assignment for Temporary Duty

Teachers may be assigned to be temporarily away from their regular duties and places of employment for the purpose of performing other educational services including participation in surveys, professional meetings, study course, workshops, etc. Such assignment will ordinarily be initiated by the county school administration. Employees will receive regular pay and may be allowed expenses as provided by state law and county regulations. Approval of "assignment for temporary duty" must be secured in the same manner that leaves are approved.

Temporary duty is a duty day for benefit of the school and initiated by the school or district office.

Subdivision 1: All assignments for temporary duty leaves must be substantiated by a short written report delivered to the Assistant Superintendent for Curriculum and Instruction. Travel expense and per diem may be paid for assignment for temporary duty during period of employment. Forms for reports and expense vouchers may be procured from the county school office.

Section 6 - Pre-School and/or Post-School Leave for 10-Month Personnel

Leave during the pre and post-period may be granted to ten-month personnel for attending college courses or other special programs when the request in writing has been approved by the Board with the approval of the Superintendent. Such approval shall be granted only when the activity is considered to be in line of duty and not for the purpose of merely raising the rank of a certificate. When such is the case, the leave shall be considered personal and subject to salary deductions.

Leave during the pre-school and post-school will be carefully scrutinized since these days were provided to meet a definite need for staff planning and in service training. Florida institutions

provide summer school on a schedule that does not conflict with the school schedule. In most cases when staff members arrange a schedule that conflicts with pre-school and post-school it will be considered that such leave is for personal advantage and, if granted, generally should be personal leave and subject to salary deductions. However, in special cases, consideration will be given and professional leave may be granted. Professional leave may be granted to instructional personnel either for the purpose of self-improvement of the teacher or in order that the teacher may make a greater contribution to the total educational system in Manatee County.

Section 7- Jury Duty Leave

Assignment for temporary jury duty will be granted with no loss of pay. In cases where such duty would work an unusual hardship, the employee should appear in answer to the summons and plead his/her case. The expenses paid to a juror are not considered wages. They should not be remitted to the Board.

Any employee called for duty during school hours or who is subpoenaed to testify during school hours in any judicial matter in which he/she is not a principal party shall be paid his/her full salary for such time.

Section 8- Leave for Personal Reasons

"Personal Reasons" shall be adequate explanation for such leave but it shall be understood to entail pressing personal problems or emergencies which cannot be resolved outside of regular employment hours.

- 1. Use and notification:** A teacher shall be granted leave for personal reasons with pay of five (5) days per fiscal year from accumulated sick leave. A teacher using such leave shall notify the principal, or his designee, at least 24 hours prior to taking such leave, except in cases of emergency.
- 2. Special circumstances:** Use of leave for personal reasons before or after a school holidays or vacation, during the first five (5) or last five (5) days of the school year or during the first three (3) or the last three (3) duty days of summer school must be applied for at least ten (10) days in advance.
- 3. Limits on personnel:** Further, leave for personal reasons shall not be available on a given student day to over ten percent (10%) or five (5) teachers maximum in a single school.
- 4. Applying:** Leave for personal reasons shall be applied for in the same manner as other leaves prescribed by the Board. "Personal Reasons" shall be adequate explanation for such leave.

Section 9- Military Leaves

1. Temporary Military Leave

All regular full-time teachers (except hourly or daily paid employees) of the Board who are members of the Reserve in the United States Armed Services or members of the National Guard of the United States, shall receive remuneration for up to a maximum of 17 days of absence from

their regular work (contractual period) during any fiscal year, if they are ordered by the Armed Services or National Guard to report for temporary duty, provided that:

Full-time regular employees not receiving annual paid vacations are to plan to render their temporary military service during the time school is not in session. If this is impossible, requests for leaves for temporary military service with military orders must be submitted to the Human Resources Department at least four (4) weeks prior to the beginning of the leave. If the administration is not successful in having the commanding officer change the training period to a time when school is not in session, it will be approved.

2. Call-Up of Military Reservists

All regular full-time employees who are reservists called to full-time active military service and are unable to complete contractual obligations to the Board shall be paid according to the salary schedule plus supplements for the first 30 days of such service. Thereafter, any such reservists shall have his or her total gross military pay supplemented up to the amount he/she was earning on the salary schedule, plus supplements, at the time they were called to active duty. For the purpose of administering this provision, the reservists shall be required each month to provide substantiation of total gross military pay by providing copies of the "monthly leave and earnings statement" or comparable certified information to the Board and shall provide a copy of his/her orders or comparable statement giving estimated length of full-time active service. Such statement shall be updated as necessary by the employee. This provision may be used in lieu of, not in addition to, temporary military leave. Accrued leaves shall continue to accrue during any employee's absence approved pursuant to this provision.

Any reservists who are called to full-time active military service will also be eligible to continue their School Board health insurance coverage by paying the employee's share of the cost of such coverage.

During the period of leave required by the call-up, the employee shall continue to maintain his or her seniority number. Upon returning from leave, the employee shall receive credit on the salary schedule for the time of the military call-up.

3. Full-time Military Leave

A full-time employee (except hourly or daily paid employees) of the Board may be granted a military leave of absence, without pay, provided that:

He/she is inducted into the Armed Services via Selective Service Act or he/she volunteers in lieu of induction.

He/she enlists in the Armed Services during the period our forces are engaged in combat.

The conditions and benefits of a military leave of absence for a full-time regular employee are as follows:

He/she is to be considered as being in continuous employment of the Board during his/her period of service and shall receive all benefits of employment upon his/her return that would normally accrue to him/her if he/she had been actually filling his/her position (except time in military service is to count as a void for credit toward continuing contract and continuous service).

Credit will be given on the teacher's salary schedule for each year.

He/she is to return to the employ of the Board within sixty (60) days after receiving his/her final discharge or present evidence of his physical disability to return.

If after the combat period is over, the teacher refuses final discharge in order to lengthen or accept another period of service, he/she will forfeit his/her rights under this regulation.

Section 3 - Commitment of the Parties

The Manatee County School Board will provide the cost of the health insurance plan as defined by the provisions of Appendix E.

Any change in health insurance benefits and/or premiums will be negotiated between the Board and the Association before the Board takes action on any change.

Any change in the voluntary benefits offered to employees shall be negotiated between the Board and the Association. This does not give the MEA the right to negotiate the specific plan administrator.

Section 4 - Health Insurance Committee

The parties agree to a Health Insurance Committee, involving representatives appointed by the bargaining agents of employee groups and those designated by the Superintendent for the purpose of continuing to explore ways of containing the cost of health insurance. The Health Insurance Committee (HIC) shall have the authority to make recommendations to the negotiating team regarding health insurance issues and propose language. Section 6 - Codification of Salary Guidelines and Fringe Benefits

Subdivision 1. Placement on the Salary Schedule: Placement on the Teachers' Salary Schedule is determined by in-county and out-of-county public school teaching experience for those teachers hired prior to July 1, 2013. When merging the AC schedule with the negotiated schedule for the 2013-2014 salary schedule, teachers were placed on the step closest to their current salary. No teacher shall suffer a reduction in pay due to the merging of the schedules. For teachers hired beginning with the 2013-2014 school year, credit on the salary scale will be a maximum of eight years of public school experience. As required by F.S. 1012.22 all teachers hired after July 1, 2014, will be placed on the performance salary schedule.

Subdivision 2. Advancement on the Salary Schedule: If applicable, one (1) year advancement on the Salary Schedule shall be based upon ninety-nine (99) or more day's employment, including paid holidays, within the district during a school year. The method of advancement to succeeding levels after the 2010-2011 school year shall be determined through negotiations. There shall be no presumption of status quo with respect to advancement to a different level on the salary schedule. No experience step advancement was granted for the 2011-12 work year.

Subdivision 3. Advancement in Rank: Employees shall be eligible for payment for an advanced degree (Master, Specialist or Doctorate) upon completion of the required credits as indicated on the official transcript bearing the seal of the institution. Payments shall be effective as of the date indicated on transcript. Evidence of completion must be filed with the Executive Director of Human Resources by June 1st of the fiscal year for advancement on the salary schedule to be effective that fiscal year. In the event the university fails to cooperate by supplying a transcript by this date, after a timely request for it is made by the teacher, the teacher may provide a letter no later than June 1st of the fiscal year stating that the advanced degree is or will be completed and proof of the degree will be forthcoming.

The teacher shall submit with this letter proof of timely request to the university. This will not entitle the teacher to payment, but will reserve payment until proof is received.

Subdivision 4. Advanced Degrees for Teachers hired on or after July 1, 2011: Teachers hired on or after July 1, 2011, shall be eligible for an advanced degree supplement only if an advanced degree is held in an area of the teacher's certification as reflected on the teacher's certificate. The amount of the Advanced Degree Supplements are identified in Appendix A Salary Schedule.

Additional life insurance amounts in excess of \$300,000 will require evidence of insurability and approval by the life insurance provider. Any requests for additional life insurance after the employee receives their first payroll deduction will require evidence of insurability and approval by the life insurance provider.

Employees hired before April 1, 2012, will have their School Board-paid two-times Annual Earnings life insurance benefit reduced to a School Board-paid one times Annual Earnings amount. These employees shall be allowed to purchase the additional life insurance premium for the School Board-reduced one-times Annual Earnings benefit amount lost during a special one-time enrollment period to be held during the months of February/March 2012 without evidence of insurability.

Any requests for additional life insurance up to one, two, or three times Annual Earnings, after this special one-time enrollment period, will require evidence of insurability and approval by the life insurance provider.

Life insurance premiums are expressed in Appendix “F.”

2. Worker’s Compensation. Teachers on worker’s compensation leave shall be permitted to supplement such payments with their own accumulated sick leave benefits, up to their regular daily rate of pay. Deductions for use of sick leave will be made according to past practice, unless otherwise agreed. Sick Leave Bank may not be used for worker’s compensation absences.

The parties shall meet no later than January 30, 2018, to establish mutually agreeable procedures to ensure that payroll discrepancies that may occur within the new payroll system are timely addressed.

Subdivision 7. Payroll Errors:

Payroll errors which are not the result of teacher error shall be corrected within five (5) days of notification unless the teacher and the Board mutually agree to extend the correction period.

It is the Board's intent to extend the date for those teachers who have been inadvertently overpaid. Extensions may be for no longer than one calendar year from the time the error is identified. At no time will extensions occur beyond the final employment date of the employee.

Section 11 – Longevity

bargaining member who broke service believes he or she is eligible and did not receive a longevity grant via salary schedule step movement, it is the responsibility of the employee to notify Human Resources within sixty (60) days from ratification of contract. In cases where service is broken, only time as an active duty status employee will be eligible for longevity purposes.

2. The length of service for longevity purposes shall be determined based on years on active duty status as an MSCB employee, one day more than half of a normal work year counting as a year of service. Section 5- General Provisions

1. Use of Accumulated Leave from Other Florida Retirement System Employers:

- a. Determine the number of days accrued from another Florida Retirement System employer.
 - b. Subtract one-half (1/2) of the sick leave used during the time of employment.
 - c. If the total is 0 or less, then all of the ending sick leave days are eligible for Terminal Sick Leave pay.

1. A year of service in Manatee County is defined as 1/2 the number of workdays in a year plus one.
 2. Full time Employee: An employee in a regularly established position of 20 hours or more per week.

The grievant shall inform the supervisor that the meeting is for the purpose of attempting to resolve a potential grievance.

Subdivision 2. Formal Grievance Presentation: The formal grievance presentation required in Steps One, Two and Three shall be in writing signed by the grievant on the proper form. If the Association is the grievant, or the grievance is on behalf of a group, a teacher affected shall be listed on the grievance form along with a description of the group affected if the grievance affects more than one teacher.

The statement of the alleged grievance shall include the date said alleged grievance occurred, or the date upon which the grievant obtained knowledge of the alleged grievance and a statement of

the facts and circumstances surrounding the interpretation or application of this agreement. Copies of supporting documents or other demonstrative items of evidence may be attached to said formal grievance presentation, or may be incorporated therein by specific reference thereto.

a. Step One, Formal Grievance Presentation and Decision of Principal: Within thirty (30) days of the time the alleged grievance occurred or within thirty (30) days of the time the grievant obtained knowledge of the alleged grievance, the grievant may submit a formal grievance presentation to his principal. In a matter beyond the principal's control, the grievance may be submitted to the Superintendent, who shall determine the appropriate administrator to be assigned. The administrator shall have ten (10) days from the receipt of said formal grievance presentation within which to render a written decision on the merits of the alleged grievance.

b. Step Two, Decision by the Superintendent: In the event the grievant is not satisfied with the disposition of the alleged grievance at Step One, then and in that event the grievant may within ten (10) days of receipt of the written decision from Step One, submit a formal grievance presentation to the Superintendent. The decision of the Superintendent regarding the merits of the alleged grievance is final, unless the grievant wishes to appeal the alleged grievance to Step Three, Arbitration.

c. Step Three, Binding Arbitration:

1. Procedure: In the event the grievant wishes to appeal the decision of the Superintendent, the grievant and only the grievant, may request that the grievance be submitted to arbitration within ten (10) days of the Step Two decision. Written notice of this action shall be submitted to the Superintendent.

2. Selection of Arbitrator: Upon submission of a grievance to arbitration under the terms of this procedure, the parties shall attempt to agree upon the selection of an arbitrator within five (5) days after the request to arbitrate. If no agreement on an arbitrator is reached after five (5) days the grievant may request AAA to initiate procedures for the selection of an arbitrator, provided such request is made within ten (10) days after request for arbitration. Failure to request an arbitrator from the AAA within the time periods provided herein shall constitute a waiver of the grievance.

3. Submission of Grievance Information:

a. Upon appointment of the arbitrator, the appealing party shall, within five (5) days after notice of appointment, forward to the arbitrator, the submission of the grievance which shall include the following:

- The issue involved,

7. Restriction on Arbitrator: The arbitrator shall not have the power to add to, subtract from, modify, or alter the terms of this agreement.

Section 3 - Alleged Grievances by a Group

In the event the facts and circumstances constituting the alleged grievance are substantially the same for two or more grievants, at more than one work location, then and in that event the two or more grievants having substantially the same alleged grievance may at their election, submit a single formal grievance presentation signed by each of said grievants. The alleged grievance by a group asserted in and by said single formal grievance presentation shall then be handled and processed in the same manner as provided in this grievance procedure for other formal grievance presentations beginning at Step Two.

In the event there are two or more grievant(s) in the same school or work location with substantially the same grievance, the grievance shall be filed at Step One.

Section 4 - Related Provisions

Subdivision 1. Representation: Teachers shall have the right of Association representation at each step of the grievance procedure and shall be required to be present at Step 2. Nothing in this part shall be construed to prevent any teacher from presenting, at any time, his own grievance, in person or by legal counsel, and having such grievances adjusted without the intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement and if the Association had been given reasonable opportunity to be present at any meeting called for the resolution of such grievances.

A grievant may discuss, but not be required to discuss, their grievance without their chosen representative being present. A grievant shall not be represented by any person who might be required to take action, or against whom action might be taken, in order to adjust the grievance, or by a representative of any other employee organization.

Subdivision 2. Time Limitations: In the event a grievant does not institute Step One of the grievance procedure within thirty (30) days of the time the grievant obtained knowledge of the alleged grievance, or within thirty (30) days of the time the grievant should have obtained knowledge of the alleged grievance, then and in that event the grievant shall be deemed to have waived the alleged grievance. In the event the grievant does not institute the procedure set forth in Steps Two, and Three, within the time herein above prescribed for each particular Step, then and in that event the grievant shall be deemed to have waived the right of said grievant to proceed with the grievance procedure and shall be deemed to have accepted the written decision rendered at the previously completed Step. If a written decision is not rendered at Steps One or Two with the time herein above prescribed in each particular Step, the grievant may proceed to the next Step of the grievance procedure. The time limitations set forth in this grievance procedure may be waived or extended according to Section 1, Subdivision 4 of this Article.

Subdivision 3. Decision Making: In arriving at a decision in Steps One, Two, and Three the person charged with the responsibility of making the decision shall examine the formal grievance presentations, together with any supporting documents attached thereto. Said persons shall confer with the grievant and may take statements from, questions, or confer with any other employee or person who may have actual knowledge of facts material to making a decision.

Subdivision 4: Fair Dealing: The School Board, its members, officers, agents and employees shall not in any manner intimidate, harass, or make reprisals against a grievant who has asserted an alleged grievance merely because said grievant has exercised the right of following the grievance procedure set forth herein. The formal grievance presentation, the written decision rendered in connection therewith and all other appropriate documents in connection with any alleged grievance shall be kept by the School Board as a separate file and no part or portion thereof shall be included or noted in the personnel file of any particular grievant.

Subdivision 5: Resolution

Notwithstanding the expiration of this agreement, any claim or grievance arising there under may be processed through the grievance procedure until resolution.

ARTICLE XV - REDUCTION IN FORCE

Section 1 - General

The School Board shall have the sole authority to determine when a reduction in force (RIF) is necessary and which programs or positions shall be eliminated.

1. The Superintendent or his designee shall determine which schools will lose units as a result of the Board decision.
2. The Superintendent or his designee shall annually prepare and post a list in each school which (a) list the teachers, administrators, supervisors and professional employees, in the order of their length of continuous service in the bargaining unit, including approved leaves, (see exception #6), (b) gives each teacher's certification areas and (c) assigns a seniority number to each teacher, administrator, supervisor and professional employee, which shall be used according to this plan. A copy of this list shall be provided the union. A seniority number shall be determined by the first day of work.
3. Where two or more teachers have the same length of continuous service, including approved leaves, a lottery system will be used to assign seniority numbers. A union representative shall be present at any lottery.
4. Any teacher who would have qualified for retirement during the reduction year and is 61 years old or has 29 years of service, shall be permitted to teach that year to acquire needed service. A teacher who would qualify under this language must place, on file with the School Board, an intent to retire letter. It is understood by both parties that, for the purposes of this ARTICLE, this would be binding document except by special action of the School Board.
5. Administrative, Supervisory and professional personnel who are not in the appropriate bargaining unit who are displaced from their current position, shall be reassigned into the bargaining unit. Seniority or length of service as referred to throughout this Article for these teachers shall mean length of service including approved leaves in the school district.
6. Area of current major teaching assignment shall mean the teaching assignment a teacher has a majority of the time. Where no majority exists, the principal shall identify the major teaching assignment from the two or more assignments a teacher has based on school needs as determined by the principal. Areas of current major teaching assignment are the teacher's current major teaching assignment at the time the School Board authorizes a RIF. Examples of teaching assignment areas are such as but not limited to: Kindergarten, Elementary Education, Art, P.E., Music, English, Social Studies, appropriate Exceptional Student Education certification, Math, Gifted, Media, Science, and Guidance.
7. Certificated or Area of Certification shall mean a teacher's area of Florida Teacher Certification as described on his/her teacher's certificate currently on file in Human Resources at the time the School Board authorizes a RIF.

Section 2 - Procedure

1. The teacher(s) who has (have) the least seniority in his/her major teaching assignment in the unit(s) or program(s) which has (have) been reduced, shall be removed from their assignment area and placed in a pool. If this is not the unit which the administration has identified for reduction, the involuntary transfer provision of this agreement shall be used for transfer purposes. Seniority for this purpose shall be determined by the length of continuous service including approved leaves, in this bargaining unit, except as provided in paragraph 6 above.
2. Those teachers placed in the pool shall bump the least senior teacher within the school system who has his/her current major teaching assignment in any area of the pooled teacher's certification. The "bumped" teacher shall be laid-off. A teacher may not bump outside the bargaining unit. Seniority shall be length of continuous service in the bargaining unit, including approved leave, with the exception of teachers covered by Section 1, paragraph 6.
3. Any teacher who is RIFFED shall no longer be entitled to salary or fringe benefits unless specifically defined in this Article and their contract will be severed except for rights contained in the provisions in the Recall Section of this Article and Article XIII.
4. When the Superintendent determines that it is necessary to recommend a reduction in force to the School Board, the Superintendent or his designee shall notify the union. The union shall be provided a list of employees who will probably be reduced as soon as it is compiled.
5. Within a reasonable time after the teachers to be reduced have been identified and the reduction in force has been approved by the Board, the Superintendent or his designee shall notify all teachers, in writing, who are to be laid off. The administration shall provide the union with a copy of all Reduction In Force notifications.

Section 3 - Recall

1. Annual contract teachers shall not have recall rights. Recall rights only apply to continuing contract teachers and PSC teachers.
2. As vacancies become available, the laid-off teacher with the greatest length of service, including approved leaves, in the bargaining unit, who has the area of certification needed for the major teaching assignment of the vacancy, shall be offered the position first. (Also, see Section 1, paragraph 6, for variation)
3. As long as vacancies exist for which there certified teachers for the major teaching assignment are required by the position, no new teachers shall be hired for the vacancy during the recall period.

Recall rights for continuing contract and professional services contract teachers shall expire after 15 months following Board action authorizing the RIF.

4. It shall be the responsibility of the laid-off teacher to be certain that the personnel office has a correct, current address during lay-off and to be available for mail notification. Failure to do so may result in forfeiture of lay-off rights. A laid-off teacher who is offered recall must or not he/she accepts the recall. Failure of the laid-off teacher to respond shall terminate the teacher's right to recall. If a laid-off teacher declines a position, he/she shall forfeit any rights to any further recall.
5. No credit on the salary schedule shall accrue during lay-off periods.
6. A laid-off teacher shall have the right to continue life and health insurance benefits at no cost to the Board for a period not to exceed the recall period or until the teacher obtains employment elsewhere, whichever occurs first.
7. No teacher shall have recall rights to a supplemented position.
8. Upon returning to work, a recalled teacher will resume fringe benefits that had accrued prior to the lay-off. These include: sick leave and Sick Leave Bank, except that a teacher shall contribute any days due the bank at the time of recall. If a teacher has no days to contribute, he/she shall no longer be in the bank, until such time as he/she has days to contribute.

Section 4 - Unusual Circumstance

If the Superintendent is presented with an unusual circumstance, he may, in the best interest of the School District's instructional program, use the following procedure for securing an exception to this Article during the term of the agreement.

If an agreement cannot be reached between the parties to modify or waive the provisions of this Article, the parties shall participate in mediation with a mutually agreeable mediator. If the parties cannot agree on a mediator, a mediator will be selected by alternate striking from a PERC supplied list.

If the parties are unable to reach agreement through mediation, the person selected for mediation shall assume the role of advisory arbitrator and shall determine whether the waiver or modification desired by the Superintendent is in the best interest of the school district. If the arbitrator determines it is in the best interest of the school district, he or she shall recommend the waiver or modification desired by the Superintendent, to the School Board.

Section 5 - Summer School

1. Should it become necessary to reduce units in summer school, the Superintendent or his designee shall determine the programs or positions to be eliminated.
2. Teachers hired after the beginning of summer school shall be considered temporary and may be reduced as needed, according to program needs. Factors to be considered when identifying temporary teachers to be reduced will be grade level, subject assignment and seniority.

3. If it is necessary to reduce teachers who have been hired prior to the start of summer school, the reduction shall be by seniority within area of certification in which the teacher has taught in the previous school year. A teacher may be given special exemption from reduction by the Superintendent on rare occasion if the summer school program requires special skills or training of a particular teacher not included on Florida certification requirements.
4. Volunteers shall be requested prior to any reduction in force.
5. All other factors being equal, the last hired for summer school will be the first to be released.

ARTICLE XVI - SICK LEAVE BANK

This requirement for additional information must be made prior to the decision of the Sick Leave Bank committee on the applicant's request or prior to extension of the leave by the Sick Leave Bank Committee, whichever is applicable.
 11. Any necessary medical opinions are at the expense of the applicant.
 12. When determining the maximum number of allowable days per illness or injury, the Sick Leave Bank Committee shall use the Medical Target Data Guide from International Rehabilitation Associates, Inc., as a guide. The parties recognize that many illnesses and injuries listed in the Guide may have a recovery period shorter than indicated in the Guide, and in no event shall the Committee approve more days than is certified as necessary by the member's physician, even if this number of days fall below the minimum indicated in the Guide. The Committee shall approve no more than the maximum number of days of disability indicated in the Guide for any illness or injury unless the member's physician certifies that a specific complication has necessitated a longer disability. Upon such certification, the Committee may grant additional Sick Leave Bank days. The maximum allowable days shall include the days used by the member from his/her own accumulated sick leave.

Section 5 - Approval of Requests for Utilization

The Manatee Education Association shall appoint five teacher (5) member representatives and one (1) paraprofessional representative to a committee whose purpose is to determine the validity of claims against the bank.

APPENDIX “A” – Salary Schedules INSTRUCTIONAL SALARY SCHEDULES

The parties agree that if all or part of F.S. 1012.22 pertaining to performance pay is repealed or found void by a court with jurisdiction over the Manatee County School District, the parties agree to negotiate a salary schedule similar to the one contained in the 2013/2014 contract.

There are two Teacher Salary Schedules, a Performance Pay Salary Schedule and a Grandfathered Salary Schedule. Placement on the Teacher's Salary Schedule is determined by public school teaching experience. A teacher will be given credit for all public school teaching experience, provided the experience was earned in the United States and provided the teacher was properly certified at the time the experience was earned. All employees whose start date is after July 1, 2009, will be placed on the appropriate step on the Performance Pay Salary Schedule ~~AC~~ salary schedule. Teachers hired prior to July 1, 2009 shall be placed on the Grandfathered Schedule. Teachers on the Grandfathered Schedule may opt to move to the Performance Pay Salary Schedule as provided in law. Teachers opting to move to the Performance Pay Salary Schedule shall relinquish their Professional Services Contract and will be on Annual Contract status. In compliance with F.S. 1012.22 all instructional employees new to the district, returning to the district after a break in service without an authorized leave of absence, or appointed for the first time to a position in the district in the capacity of instructional personnel shall be placed on the performance salary schedule.

For instructional personnel on the Performance Pay Schedule, hired on or before June 30, 2011, the compensation for a credited advanced degree shall be added to their assigned pay schedule Masters, Specialist, Doctorate, and be a part of the permanent base pay. Instructional personnel on the Performance Pay Schedule hired after June 30, 2011, who held an advanced degree in their area of certification will be awarded a degree supplement. Instructional personnel on the Grandfathered Schedule who hold a Masters, Specialist, or Doctorate degree shall be placed on the appropriate level of the salary schedule for the last degree.

Advanced degree pay is part of the employee's daily rate of pay calculation when employees are contracted for additional days or hours.

Advancement on the salary schedule shall be based upon 99 or more day's employment, including paid holidays, within the school district during previous school year. The method of advancement to succeeding levels - shall be determined through negotiation. There is no presumption of status quo

with respect to advancement to a different level on the salary schedule. Note that no step advancement was awarded during the 2011-2012 contract year.

As prescribed by law, advancement of level on the Performance Salary Schedule shall be for eligible teachers that receive an Effective or Highly Effective performance rating for the previous year. Teachers on the Performance Salary Schedule rated less than Effective (Unsatisfactory, Needs Improvement or Developing) for the prior year are not eligible for level advancement on the schedule. Eligible teachers on the Grandfathered Schedule rated Unsatisfactory for the prior year are not eligible for level advancement on the Grandfathered Schedule.

Vocational Teachers initially employed by the District after February 15, 2002 who are locally certified shall be granted full credit on the salary schedule for all previous work experience that is related to the assignment and/or area of certification of the employee. Such experience must be properly documented and submitted to the district for verification.

Teachers in the Deferred Retirement Option Program (DROP) who are approved for participation in the extended DROP program by the Superintendent of Schools shall be continued in the DROP program on an annual contract basis. The annual contract basis for renewal shall refer to the contractual status only and shall not affect the salary schedule placement of the teacher.

For the 2017-2018 work year, levels 1a and 1b on the Performance Pay Salary Schedule shall be eliminated and employees on those levels will be moved to level 1c. Level 1c will become the new level for hiring purposes. In addition, each level on the Performance Pay Salary Schedule and the Grandfathered Salary Schedules shall be increased by \$200.00.

Appendix “D” – Memorandum of Understanding

**Memorandum of Understanding Between
The School District of Manatee County and
The Manatee Education Association
TPG Cultural Exchange Program and Health Insurance Benefits**

This Memorandum of Understanding between The School District of Manatee County (District) and the Manatee Education Association (MEA), hereby referred to as "the parties" mutually agree to the following regarding the TPG Cultural Exchange Program and District offered health insurance benefits:

The District's implementation of the Cultural Exchange Program will not take precedence over the standard hiring practices of teachers that are fully certified to teach in the State of Florida. This is strictly a cultural exchange program to temporarily fill positions that cannot otherwise be filled. Those positions will be limited solely to Secondary Math, Secondary Science, Exceptional Student Education and Foreign Language. The District also agrees that prior to hiring a teacher from the Cultural Exchange Program, that the District will follow all steps for first posting job vacancies as set forth in the Collective Bargaining Agreement for no less than twice for the minimal posting period. The District will only fill the position afterwards, if no viable candidate is hired.

All educators provided by TPG are subject to the Master agreement between the School Board of Manatee County and the Manatee Education Association. However, the health insurance plan offered by the District would not meet the legal requirements as set forth by the Department of State insurance requirements for exchange visitors on a J-1 visa. See: "insurance" section: <https://j1visa.state.gov/sponsors/how-to-administer-a-program/>

More specifically, Sponsors must require that all exchange visitors (as well as their accompanying spouses and dependents) have insurance in effect that covers them for sickness or accidents during the time of their exchange visitor program. The recent rule increases the minimum coverage to meet today's medical insurance needs. As of May 15, 2015, Program participants and their dependents are required to have medical insurance coverage with the following minimum benefits [22 CFR 62.14]:

- o Medical benefits of at least \$100,000 per accident or illness
- o Repatriation of remains in the amount of \$25,000
- o Expenses associated with the medical evacuation of the exchange visitor to his or her home country in the amount of \$50,000
- o A deductible not to exceed \$500 per accident or illness.

The District and MEA agrees that Educators under the TPG Program will not be offered District Health Insurance benefits. Health insurance that is compliant with the Department of State Insurance requirements is and will be provided by TPG for all Educators under the TPG agreement. Teachers hired from TPG will have all other benefits contained in Article XII of the teacher contract with the exception of health insurance.

This MOU will remain in force and effect during the time period that the TPG Contract is in force and effect.

[DELIBERATELY LEFT BLANK]

All other provisions of the contract not addressed in this MOU will remain as contained in the current collective bargaining agreement between the School Board of Manatee County and the Manatee Education Association.

ARTICLE V WORKING CONDITIONS

Section 4 Preparation Time

3. **Notice of Duty Roster Implementation:** Where the principal or his/her designee knows in sufficient time in advance that a period will be shortened or the duty roster will be implemented, the affected teacher(s) shall be notified of this event at least 3 days in advance. If the principal or his/her designee does not know 3 days in advance, as much notice as reasonable possible shall be given.
4. **Scheduling:** The specific scheduling of preparation and/or planning time shall be determined at each school center by the principal after consultation with his/her teacher and appropriate district administrators.
5. **Conferences:** Parent conferences shall not be considered planning and/or preparation within the student day. No parent conference will be scheduled within the student day planning or preparation period unless initiated or scheduled by the teacher. Parent conferences shall be considered planning and/or preparation within the 45 minutes planning time scheduled outside the student day.
6. **Emergency Roster:** To insure fairness in the assignment of teachers in emergency situations, each principal shall maintain and post a roster and shall make emergency assignments to all available teachers on a rotating basis as equitably as possible.

The emergency roster shall not be used to cover athletic events.

A priority shall be given to using a teacher's duty period, if such exists, rather than the teacher's planning period, when implementing the emergency roster.

The parties agree that the purpose of the emergency rosters established under Article V, Section 4, is to record administrative assignments to cover emergency situations. Only assignments made by the principal or his designee shall be recorded on the roster. Where the principal allows a teacher to be away from his/her assignment and the teacher has made mutually agreeable arrangements with another teacher to cover the absent teacher's assignment, this situation shall not be recorded on the emergency roster.

7. **Payment for No Sub:** If a substitute for a teaching position that is requested through the Substitute Employee Management System (SEMS) cannot be secured, the sum of \$50 per day will be credited to the school's instructional supply account. ~~The Principal will involve the~~

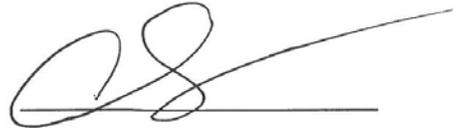

teachers of the school as to how the money that is generated through this provision will be spent. Any teachers who cover for absent colleagues shall be compensated through a pro-ration of the savings from not paying a substitute. Details related to the substitute rate shall be through school board policy. If a classroom teacher or a member of the instructional staff covers the class or classes of an absent teacher, he/she shall be eligible to receive one seventh (1/7) of the substitute rate for each class period or hour provided in coverage. If coverage extends beyond one hour, additional time shall be compensated for each additional half-hour or half-period increment. Under no circumstance shall a teacher receive more than the approved substitute daily rate per day (e.g., an elementary teacher who combines classes for the entire day).

Appendix “F” – Life Insurance
Employee Life Insurance Premiums – Contract Year 2017-2018
(Effective April 1, 2012)

- **Employees shall pay zero (0) premium for a life insurance benefit equal to 1x the employee’s salary. The full premium for such benefit shall be paid by the District.**
- **Employees electing for greater life insurance benefit shall pay a monthly premium equal to \$0.172 per thousand dollars of that employee’s salary.**

Example:

An employee who makes \$20,000/year will receive a \$20,000 life insurance policy at no cost to that employee. That same employee would pay \$3.44 per month to “buy up” to a 2x salary (\$40,000) life insurance benefit: ($\$20,000/\$1000 = 20 \times \$0.172 = \3.44 per month).
