

Mentor Teacher Identification Form

Per the Memorandum of Understanding, it is the school's responsibility to complete and return this form to Dr. Michael Daugherty by **April 1** each year at F-22 Stonehouse, Fayetteville, AR 72701. Please consider the following criteria when completing this form and selecting potential Mentor Teachers.

Required Characteristics of Potential Mentor Teachers

- Pathwise mentor teacher trained prior to August of the academic year.
- A minimum of three years of teaching experience.
- Willingness to communicate with University of Arkansas faculty.
- Teach primarily in one of the following subjects in grades 7 through 12: English, foreign language, mathematics, science, or social studies.
- Willingness to provide constructive written feedback.
- Willingness to complete formative and summative evaluations of interns in a timely fashion.
- Willingness to relinquish/share control of class and curriculum with intern when appropriate.
- Willingness to allow Interns to implement new methodologies and assignments in class.
- Willingness to allow interns to complete at least one unit of instruction planned in cooperation with the mentor during the rotation.

Additional Preferred Characteristics of Potential Mentor Teachers

- Involved in multiple facets of curricular and extracurricular school life.
- Involved in professional organizations and associations.
- Earned Master's Degree.

In the space provided below, please list the name, teaching assignment, grade level, and email of each potential mentor teacher for the 2011-2012 school year. Additionally, list the name of the contact person, title, email, and phone number.
