If not possible, teachers who lost planning time due to the testing schedule *must* still receive an average of 45 minutes each day of self-directed planning for each of the impacted testing weeks. The calculation of the weekly average self-directed planning time includes, but is not limited to, the self-directed planning time plus any minutes when a teacher is not assigned to non-instructional duties during that impacted testing week.

When an employee fails to obtain prior approval for absence from work or fails to notify his/her immediate supervisor of his/her need to be absent and is absent for three consecutive workdays, the employee shall be considered to have abandoned his/her position and resigned as an employee of the Board. ## **ARTICLE XIV - PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS**

### **14.0 Glossary**

**Fully Qualified:** Whenever the term “fully qualified” is used in this collective bargaining agreement, it describes the state of being certified, qualified, and/or highly qualified based upon the courses and students the teacher is assigned to teach in the master schedule.

**14.1** A Professional Service Contract shall be renewed each year unless the Superintendent, after receiving the recommendations required by s.1012.34, *Florida Statutes*, charges the employee with unsatisfactory performance as determined under the provisions of s.1012.34, *Florida Statutes*.

**14.2** An employee who meets the following criteria will be continued from year to year:

1. Does not have a Florida Department of Education (FDOE) teaching certificate;
2. Designated as “teacher” pursuant to Article I of the Teacher Collective Bargaining Agreement. For the purposes of this provision, the term “teacher” may include, but not be limited to Network Manager, Nurse, Occupational Therapist, Physical Therapist and instructors in specific subject areas who are considered to be “experts in field,” such as dance, or any other person who by virtue of his or her position of employment is not required to be certified by the FDOE or the District pursuant to §1012.39, *Florida Statutes*;
3. Has completed one (1) year of continuous satisfactory employment and is reappointed.

**14.2-1** The status of these employees shall continue from year to year unless the District terminates the employee for reasons stated in this Agreement, or reduces the number of employees on a District-wide basis for financial reasons, or until a break in service occurs as a result of resignation, retirement, dismissal, or job abandonment, subject to all of the provisions of the Teacher Collective Bargaining Agreement.

**14.3** The Board shall hire for full-time positions only teachers eligible to receive a certificate based on a Bachelor's degree or higher; or for non-degreed vocational teachers, a certificate based on the equivalent of a Bachelor's degree or higher.

**14.4 Supplements:** Summer school, evening adult school and supplemental pay assignments shall be voluntary.

**14.4-1** Open supplemental positions as shown in Appendix C must be advertised for five (5) working days. Teachers interested in a supplemental position at their school/worksites will notify their principal/director of their interest on the intent to return letter for consideration of future vacancies.

Vacancies for supplemental positions must be advertised within the school where the vacancy occurs to all employees for five (5) working days.

If at the end of the five (5)-day school/worksites posting, the position is not filled it will be advertised externally on the District's web page ([polkschoolsfl.com](http://polkschoolsfl.com)) for employees and non-school employees.

All persons who receive supplemental pay will be evaluated yearly concerning their duties in that position. Such evaluation will in no way impact or become a part of the District employee's regular duty evaluation. Discipline of District employees related to supplemental positions will follow standard progressive discipline procedures. Dismissal from an annual supplemental position during the school year

or if a sport, during that sport season will be for just cause. Removal of a District employee from a supplemental position could result in disciplinary action affecting the employee's regular employment with the District.

**14.4-2** Recognizing that the welfare and needs of students have always been the priority in optimizing supplemental programs (Appendix C), principals or program directors shall determine assignments considering seniority (defined as experience in the supplemental area or related experience), efficiency, and capacity to meet the needs of the program for all qualified applicants.

**14.5 Extra period assignments** are instructional assignments. The Board and Association agree that classroom assignments for extra periods must be made with the welfare and needs of the students as priorities. Realizing that principals are responsible for delegating assignments, these assignments shall be made with preference given to fully qualified teachers. If there are more applicants than positions available, the principal shall determine assignments based on seniority, efficiency, and capacity to meet the needs of the program (this includes the needs of the students.) (As a note of explanation: A 1996 arbitration decision found that seniority carries a greater weight than *efficiency* or *capacity*, all things being equal. AAA 33-390-00050-95 Arbitrator W. Lambert.)

**14.6** Where the student population reflects the need for bilingual teachers, the Superintendent shall attempt to find and recommend, and the Board shall employ such teachers who are bilingual and trained to assist students in English and the primary language spoken by the student provided the teacher is fully qualified for the position.

**14.7** All teachers shall be given written notice of their tentative teaching assignment for the first semester of the following year at least two (2) weeks prior to the end of the school year. The tentative assignment should be stated based on the school's proposed master schedule for the upcoming school year identifying the course(s) and grade level. A teacher may not be assigned into an out-of-field assignment unless the teacher voluntarily signs an agreement for the same. A principal may change the tentative teaching assignment. If there is a change in the tentative teaching assignment, the teacher shall be notified as soon as possible. Teachers shall be given written notice of a change in assignment for the second semester no later than the last student contact day of the first semester, except in cases of emergency.

**14.8** In order to maintain employment, instructional staff required to hold teacher certification issued by the Florida Bureau of Educator Certification or the District as a term of employment will be required to be certified, qualified and highly qualified (fully qualified) to teach core content courses or certified and qualified to teach non-core content courses.

**14.8-1** Teachers new to the system who are assigned to teach core content courses will be given ninety (90) days from their date of hire or until April 1<sup>st</sup> to document fully qualified status as prescribed by the District Conditional Offer of Employment in order to be considered for reappointment, and failure to provide the necessary documentation shall be grounds for termination.

**14.8-2** Teachers not new to the system may not be assigned to courses which will cause the teacher not to be fully qualified unless the teacher volunteers for the assignment and the principal has pre-approval from the Director of Recruitment and Educator Quality. The duration of such assignments will be limited to one (1) year. In order for the teacher to continue in the assignment beyond the year, he/she must pass

the appropriate Subject Area Examination and add the subject area to his/her certificate. Teachers who are assigned according to the aforementioned provision must pass at least one Subject Area Examination and add the area to their certificate each year until all state and federal required areas are added. The teacher will have until April 1<sup>st</sup> of each year to satisfy this requirement in order to be considered for reappointment for the following school year in that position. The District will provide reimbursement for test registration fees upon successfully passing and for the addition to the educator's teaching certificate (Title II funds).

**14.8-3** In special and unusual circumstances, the Associate Superintendent for Human Resource Services may grant extensions to these deadlines.

**14.8-4** Any teacher who accepts an assignment for which he/she is not fully qualified must sign a written notice-acknowledgement (Agreement to Earn) that outlines all requirements to remain in that assignment and the notice-acknowledgement (Agreement to Earn) shall include the possible consequences of the teacher's failure to timely meet those requirements.

**14.8-5** A teacher voluntarily assigned for one (1) year or less into an authorized out-of-field assignment will be required to earn six (6) semester hours or 120 in-service points toward certification in the out-of-field assignment during the twelve (12) months following the date of initial assignment. Failure to do so would make the teacher ineligible to be placed in an out-of-field assignment in the future.

**14.8-6** Teachers who volunteer to teach in an authorized out-of-field assignment must remain qualified as prescribed by the written notice-acknowledgement (Agreement to Earn) and/or English for Speakers of Other Languages (ESOL) Plan of Study. In special and unusual circumstances, the Associate Superintendent for Human Resource Services may grant extensions to these deadlines. Failure to provide the necessary compliance documentation in a timely manner may result in the teacher's displacement. Probationary or Annual Contract teachers who fail to provide the necessary compliance documentation in a timely manner may have their employment contract non-renewed following the provisions of Florida Statutes or, could be recommended for termination for failure to comply with the terms of their specific requirements.

**14.8-7** Teachers who are currently employed by the School Board and who obtain additional certification(s) will be given first consideration for placement prior to the hiring of new employees.

**14.8-8** A Probationary Contract teacher who volunteers to teach an authorized out-of-field assignment will not be placed on the displaced list nor will his/her Probationary Contract be renewed if he/she fails to provide the necessary documentation to demonstrate compliance with his/her notice-acknowledgement (Agreement to Earn) and/or ESOL Plan of Study.

**14.8-9** The ESOL Plan of Study may be frozen and/or adjusted for a teacher in the event of a break in service, or a change in assignment which places the teacher in a category for which the certification/training requirement is less stringent. It is the teacher's responsibility to notify the ESOL office of a qualifying event in order for the action to be initiated.

**14.9** A copy of all local school and District policies and regulations shall be available for each teacher new to Polk County Public Schools.

**14.9-1** The Professional Education Competence (PEC) Program shall be maintained as adopted by the School Board according to §1012.56, *Florida Statutes*.

**14.9-2** A teacher participating in the Professional Education Competence (PEC) Program shall be a member of the bargaining unit with the same rights as any other first year Probationary Contract teacher, and shall receive full pay, according to the District's adopted salary schedule.

**14.9-3** Evaluation/assessment for the beginning teacher shall be completed and records maintained in the District personnel file. The Professional Education Competence (PEC) required documentation shall be maintained in the designated online platform. The portfolio and its components are maintained by the school. Upon completion of the program, the beginning teacher will be sent an email indicating s/he has successfully completed the Professional Education Competence (PEC) requirement.

**14.10** In the Professional Education Competence Program, service as a mentor shall be voluntary.

**14.10-1** The mentoring teachers' qualifications and responsibilities are to be clearly enumerated. Mentoring teachers shall be expected to provide on-going support to assigned mentees over the course of the year and assist with specific requests by a mentee. Limited examples of on-going support may include assisting with identifying and following school and District policies, obtaining necessary material and equipment to complete assignments, and assisting with tracking various timelines to successfully meet required deadlines. Limited examples of specific requests may include meetings to complete the following tools; Planning Conversation Guide, Analyzing Student Learning, Post-observation Co-Analysis, and the Collaborative Assessment Log. Additionally, said mentoring teachers shall not be responsible for evaluation/assessment of any teacher.

**14.10-2** Mentoring teachers must document completion of enumerated duties and professional development qualifications prior to receiving payment. The supplement amount is listed in [Appendix C – Supplemental Salary Schedule](#).

**14.10-3** Mentoring teachers may mentor up to six (6) new teachers at a time. Mentor teachers will receive a supplement for each new teacher they are assigned to mentor. This supplement is subject to approval by Professional Development staff based on successful completion, uploading, review, and approval of the specific and minimum number of mentoring tools into the designated online platform. The District and the Association agree to develop guidelines and procedures for mentor training and assignments no later than December 31, 2022.

**14.10-4** All first year Probationary Contract teachers in the PEC Program will be assigned a mentor. Additional mentoring teachers may be assigned by the administration to teachers deemed to be in need of assistance. Teachers on a Professional Development Plan (PDP) will be assigned a mentor as part of their professional team.

**14.10-5** All teachers receiving mentoring services shall be anonymously surveyed annually. Such survey shall be for the purpose of measuring the effectiveness of the mentoring program. No information will be gathered that would identify either the mentee or the mentor.

**14.11 Teacher Recertification** – In order to assist teachers with state recertification requirements, the District offers many professional development opportunities that are free of charge. It is the responsibility

of the teacher to register and attend an adequate number of trainings in a timely manner to have sufficient inservice points for recertification.

**14.11-1** Employees may access their inservice record of points and register for classes through the online District Professional Development System Scheduler.

**14.11-2** All professional development must include: Planning, Delivery, Follow-Up, and Evaluation on the Faculty level (individual), School Level, and District Level according to the Florida Professional Development Evaluation Protocol, §1012.98, *Florida Statutes*.

**14.11-3** The Individual Professional Growth Plan (IPGP) is directly related to specific student performance data for those areas to which the teacher is assigned.

**14.11-4** According to §1012.98, *Florida Statutes*, points may only be awarded upon evidence of follow-up activity completion.

The evaluation forms and procedures to be used will comply with all requirements as set forth in [§.1012.34, Florida Statutes](#). The evaluation process will comply with the Collective Bargaining Agreement and follow the evaluation manual. Only the materials contained in the evaluation manual may be used for Instructional Personnel evaluation. No one may develop additional supplemental materials for the evaluation of Instructional Personnel without approval through the bargaining process.

**15.1-1** As the Instructional Personnel evaluation system has undergone substantial change, the parties recognize that continued adjustments may need to be made as data becomes available. The parties

commit to returning to the bargaining table to address concerns from either party. It is the intent of the parties to monitor this Instructional Personnel evaluation system to ensure it is a fair, valid, and reliable evaluation system and to make changes, as needed, to achieve this goal.

**15.1-2** Student performance data will be collected for each instructional employee as in the evaluation manual, Student Achievement Objectives (SAO) (see 15.4715) or State VAM as per state statute will be used to determine the instructional employee's student performance rating. Starting in school year 2018-2019, SAOs are required for all personnel without a State VAM, and optional for all VAM teachers.

**15.1-3** We agree to use the Florida Department of Education's Roster Verification Tool (RVT) to enable Instructional Personnel to review their rosters of assigned students for accuracy. FLDOE provides two RVT review periods; one following Survey 2 FTE in the Fall and the other following Survey 3 FTE in the Spring. During these RVT periods, Instructional Personnel can recommend additions or deletions from the roster. Teachers with a state calculated VAM that have opted to use an SAO for student learning data will still be required to complete RVT to ensure accurate DOE records. Once Instructional Personnel complete the review and all corrections have been identified, the roster will be submitted to the District for processing. The district shall submit a teacher level Survey 2 and Survey 3 match using a process determined by DOE and submit such data for the calculation of State VAM rating.

**15.1-4** SAO Student Learning Data - For teachers of adult students, the data source will include only students assigned to the teacher for 60 or more course hours. SAO teachers identify their students during the planning, mid-year review and final summative SAO review. Students that have absences that meet the criteria in the attendance determinant must have their SAO targets reviewed and possibly adjusted at the mid-year review.

**15.1-5** Instructional Personnel shall receive an overall rating calculated as described in the evaluation manual One-third (1/3) of the rating shall be based upon student performance data listed on Appendix A - Florida VAM Course List, Student Achievement Objectives. The remainder of the overall rating shall be as described in the manual for various positions; Category A: Instructional Personnel with a State VAM rating, or Category B: Instructional Personnel. Non-classroom instructional employees are also participants in establishing SAO to develop the student learning data portion of their evaluation. Non-Classroom Instructional Personnel will be assessed using the appropriate evaluation/procedure forms.

**15.2** Instructional Personnel will be evaluated annually according to the procedures in the evaluation manual. This evaluation will be completed by a designated and certified evaluator. Evaluation data will not be used for making Human Capital decisions until all evaluations are completed, including any appeals; with the understanding Probationary Contract employees may be released at any time as per [§1012.335\(1\)\(c\)](#), *Florida Statutes*.

**15.2-1** The evaluator shall be trained in the evaluation tool and shall be certified. The evaluator may be either the principal/immediate supervisor or an assistant principal designated by the principal. If an instructional employee so requests, he/she shall be evaluated by his/her principal. Should no administrator meet the criteria or in rare and unusual circumstances, the Superintendent shall designate a certified administrative evaluator who meets the criteria to perform the required observations and evaluations. Evaluative visits by the Superintendent's designee shall be made with prior notification of two (2) work days, to the instructional employee and principal/immediate supervisor, prior to any evaluative activity.

**15.2-2** Any concern/deficiency noted by an administrator must be shared with the instructional employee in a timely manner. Electronically finalizing an observation or sending a request for a time to hold a professional conversation within five (5) contract days is timely. All observable EPC (Essential Performance Criteria) ratings will be documented throughout the year on the forms provided, based on walkthrough observations, informal observations, and formal observations. If observable or non-observable performance deficiencies are noted, the evaluator must provide the instructional employee with specific related feedback. The principal or approved designee must not electronically finalize another observation until five (5) working days have passed since the last finalized observation. *Board amended 5.12.20*

**15.2-3** To promote prompt, professional conversation, there is an Instructional Assistance Conference form, and guidelines for the school administration to use in conducting Instructional Assistance Conferences (IAC) with Instructional Personnel. This Conference may be used to bring focus to the instructional changes desired without requiring an instructional employee's evaluation to be marked down or the development of a formal written plan of improvement. The Instructional Assistance Conference does not replace the formal written plan of improvement and is not disciplinary in nature. It is intended to facilitate professional conversations.

**15.2-4** Videotaping shall not be used to record data for any instructional employee observation or evaluation. Videotaping, with the expressed written permission of the instructional employee, may be used for non-evaluative purposes, such as mentoring or for certification purposes. This section does not prohibit video or audio recording of students when required by any State or District student performance exams involving a performance component.

**15.2-5** It shall be considered a gross procedural error if an instructional employee receives an overall rating of *Needs Improvement* or *Unsatisfactory* and has not had the opportunity to complete an appropriate Instructional Assistance Conference (IAC) process or a Professional Development Plan (PDP).

**15.3** The process of evaluating Instructional Personnel will be ongoing during the school year. Instructional Personnel will be fully informed of the criteria and procedures associated with the evaluation process as outlined in the evaluation manual. All procedures and timelines, as outlined in the evaluation manual, shall be followed. Instructional Personnel will be provided electronic access to the evaluation manual within their first 15 workdays. All Instructional Personnel new to the evaluation process shall be trained regarding the Instructional Personnel Evaluation processes and requirements within the first ten (10) contract days of employment.

**15.4** An electronic report of each evaluative observation conducted by the evaluator, including walkthroughs observations, informal observations, and formal observations will be available within five (5) contract days. The formal observation will include a pre-conference and a post conference for all Category I Instructional Personnel, and a post-conference for all Category II Instructional Personnel. A Pre-Conference will be held at the request of a Category II instructional employee.

**15.5 Required Instructional Personnel Evaluation Conferences:** Mileage to the former school/worksites shall be reimbursed if teachers are required to travel to receive their final evaluation.

**15.5-1** A Category I mid-year instructional employee conference is required for all Category I instructional employees. Each Category I instructional employee shall be given an overall mid-year evaluation rating based upon the EPCs and student learning data according to the evaluation manual.

There shall be a full and complete discussion of each EPC rating with specific recommendations for any EPC rated as Needs Improvement/Developing or Unsatisfactory. At the completion of the conference the appropriate form will be signed by the administrator and the instructional employee documenting the administrative ratings.

**15.5-2** Final evaluations with an SAO shall occur prior to the end of the school year and shall include the administration's final ratings with supporting data for both observable and non-observable EPCs, and the final rating for completing the employee's self-evaluation and finalizing the SAO. At the completion of the conference the appropriate form will be signed by the administrator and the instructional employee documenting the final administrative ratings.

**15.5-3** Final evaluations with a VAM shall occur within a specified period of time near the beginning of the school year as mutually determined annually by the District and PEA, pending availability of State VAM. This timeline will take into account the report date to FLDOE. At the completion of the conference the appropriate form will be signed by the administrator and the employee documenting the overall rating, State VAM, and any adjustments agreed the prior year's EPC Administrative Ratings.

**15.6** In the event an instructional employee is not rated as *Effective* or *Highly Effective* in one or more of the EPCs, the evaluator will provide a recommendation for improvement based on a specific deficiency as defined by the appropriate EPC rating rubric.

**15.7** If performance concerns exist, the following steps shall be taken:

- 1.** The evaluator shall hold a professional conversation with the instructional employee to identify specific areas of concern coupled with suggested actions to be taken to assist the instructional employee with the improvement of professional practice. Monitoring will be ongoing.
- 2.** If the instructional employee continues to perform below the *Effective* level in an identified EPC, the evaluator shall meet with the instructional employee to discuss the concerns and develop a plan, such as an IAC or PDP, for improvement. Refer to the *Instructional Evaluation System manual*.

#### **15.7-1** Outcome of the Final Evaluation

- a. All Category I and Category II Annual Contract instructional employees who receive an overall *Highly Effective* or *Effective* rating on their most current overall evaluation will be renewed if the instructional employee has not had Progressive Discipline beyond a Step 1 *Written Confirmation of a Verbal Warning* for the current school year.
- b. Professional Service Contract Instructional Personnel: The provisions in [§1012.34\(4\)](#), *Florida Statutes* – Notification of Unsatisfactory Performance will be followed.
- c. Category II Instructional Personnel will follow [§1012.34\(4\)](#), *Florida Statutes* concerning overall Unsatisfactory performance.
- d. Under the requirements of [§1012.335](#), *Florida Statutes*, an Annual Contract will not be awarded if an instructional employee receives two consecutive overall annual performance evaluation ratings of *Unsatisfactory*, two annual overall performance evaluation ratings of

*Unsatisfactory* within a 3-year period, or three consecutive overall annual performance evaluation ratings of *Needs Improvement* or a combination of overall *Needs Improvement* and *Unsatisfactory*.

15.8 The immediate supervisor of the instructional employee will forward the evaluation report to appropriate personnel.

**15.9 Polk Virtual School, Itinerant and Hospital/Homebound** – All procedures as outlined in the evaluation manual, will apply to the instructional employees listed above with the following exceptions:

**15.9-1** There will NOT be a formal observation using the approved observation instrument to gather evaluation data related to appropriate Domain and Essential Performance Criteria (EPC). Rather, in lieu of the observation, the teachers will provide evidence to the supervisor related to the following expectations:

- Communication between teacher and student to equal no less than one correspondence per week. Communication may be initiated by either the teacher or the student.
- Representative samples of student work per term, with evidence of instructor feedback.
- Periodic evaluations between teacher and students as defined and documented through timely student progress checks.
- Phone log of teacher/student interaction as applicable.

Evidence may be provided in the format of checklists, log entries, student portfolio, etc.

While all EPCs in the Instructional Personnel Evaluation System are applicable, some of the specific sample indicators of performance may vary in nature from those identified in the evaluation manual. The supervisor and instructional employee will review the sample indicators and determine their applicability to the specific role of the instructional employee in their specific teaching environment.

**15.10 Evaluation Appeal Process** – Instructional employees may appeal using an expedited appeal procedure limited to 2 steps: Step 1 - Final Evaluation Appeal and Step 2 - Arbitration. The Arbitration step will be an expedited process with no submission of briefs and the arbitrator will issue a written decision. Expedited Arbitration will include setting a panel of mutually agreed upon and available arbitrators to hear multiple cases in a day. Although we are using an expedited arbitration process, each side retains the right to use all remedies available to them under state and federal law. If a serious procedural violation **or schedule change** results in the removal of an annual evaluation, the evaluation rating will default to Not Evaluated and the employee will be considered to have an overall Effective rating **or their last overall evaluation rating, whichever is higher,** for the purpose of all Human Capital and salary decisions.

**15.10-1** While the Final Evaluation may be appealed, Final Evaluations where only overall ratings of *Needs Improvement* or *Unsatisfactory* or when Performance Pay is implemented, may be submitted for arbitration. Overall ratings that are *Developing* (in the first three years of employment) or Effective are only eligible to be processed through the appeal of the Final Evaluation (Step 1) and are not eligible for Arbitration (Step 2). An instructional employee may appeal any of the individual ratings governed by an EPC rubric Domain. Such appeal shall be based upon a procedural violation of the process, and/or a misinterpretation of a system rubric. If a rating is successfully appealed, the rating shall be corrected, and the evaluation recalculated.

**a. Step 1**

- (1) **Final Evaluation Appeal with an SAO** – No later than the 175<sup>th</sup> day of student contact, the instructional employee must file using the jointly approved method communicated to all employees with their principal and copy the principal’s supervisor, PEA, and the Senior Director of the Human Resource Services Division that a concern exists and they choose to appeal their Final Evaluation results. The parties will meet to discuss the concerns no later than 5 workdays (day 185) after the last student contact day. A decision will be issued in writing within three (3) workdays. The District and PEA may adjust the above timelines by mutual agreement if necessary.
- (2) **Final Evaluation Appeal with a VAM** –No later than the 175<sup>th</sup> day of student contact, the instructional employee must file using the jointly approved method communicated to all employees with their principal and copy the principal’s supervisor, PEA, and the Senior Director of the Human Resource Services Division that a concern exists and they choose to appeal their EPC results. The parties will meet to discuss the concerns no later than five (5) workdays (day 185) after the last student contact day. A decision will be issued in writing within three (3) workdays. The District and PEA may adjust the above timelines by mutual agreement if necessary. VAM ratings are calculated by the state and are not subject to recalculations. Final Evaluations will be completed prior to the FLDOE report date.

**b. Step 2**

- (1) **Expedited Arbitration** –The District’s and PEA’s intent is to mutually pre-select a panel of arbitrators and contact them to establish a potential calendar of arbitration dates into which employees with appeals may be scheduled. Further, the intent is to keep individual hearings to approximately four (4) hours maximum with the arbitrator requested to submit a decision within two (2) workdays. Expedited Arbitration will take place as timely as possible. Dates will be mutually agreed upon by the District and PEA.

Miscellaneous Provisions:

1. The Board and the appellant shall not be permitted to assert in such arbitration proceeding, any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.
2. The Board and the Association shall share equally the fees and expenses of the arbitrator when the appeal is processed by the Association. Neither the bargaining agent nor the Board shall be responsible for the cost of an arbitration by a member of the bargaining unit when the appeal is not processed by the Association.
3. No reprisals of any kind shall be taken against any party participating in the appeal procedure.
4. Notwithstanding the expiration of this agreement, any appeal arising while the agreement was in effect may be processed through the appeal procedure until

resolution.

5. Any teacher for whom an appeal is sustained shall be reimbursed in accordance with the award of the arbitrator.
6. Each party shall bear the full cost of its representation at all steps of the appeal procedure.
7. A teacher shall have the right to have an Association member representative present when an appeal is being discussed. In a case where no Association member representative is present to attend the informal procedure, the discussion may be postponed and the Association staff will have the right to appoint an Association member to attend the informal session.

**15.10-2** If for reasons as follows, but not limited to, the number of appeals is larger than the number of available times to hold appeals or the data is delayed from FLDOE, the District and PEA shall meet to discuss an extension of the timeline.

**15.11 Teacher Evaluation Advisory Committee (TEAC)** – The TEAC is created to develop, review, or change evaluation form(s) called for in Article XV and shall be advisory in nature to the District and Association bargaining teams. The committee shall consist of 20 members (10 appointed by the Superintendent and 10 appointed by the PEA president). The district’s negotiator and PEA president serve as ex-officio members of the committee. The committee shall include at a minimum, one representative from elementary, middle school, high school, and alternative education. The District and PEA bargaining teams will consider recommendations from the Teacher Evaluation Advisory Committee (TEAC) when determining the appropriate evaluation/procedure forms for a new job position or changes for an existing job position.

**15.12 Teacher Evaluation Advisory Committee (TEAC) Process** – The committee will meet, once in the first semester and once in the second semester. Additional meetings may be scheduled by mutual agreement of the parties. The TEAC will make recommendations to the Superintendent or as determined through collective bargaining processes and will make recommendations for system changes for the upcoming year by July 1 of each year. Any recommendations submitted after July 1 will be for the following school year. TEAC may make recommendations after July 1 for the current school year if changes to the statutory requirements occur after July 1. Every attempt will be made to meet the statutory guidelines in § [1012.34\(4\)](#), *Florida Statutes*, including the provision to fully inform Instructional Personnel of the criteria, data sources, methodologies, and procedures associated with the evaluation process before the evaluation takes place.

**15.13** Certain adjustments in system processes may need to be made due to unknown factors related to the stability and reliability of student data. The Teacher Evaluation Advisory Committee may make related recommendations pertaining to system processes if that occurs. Any changes in the system processes during any year will be submitted to the Superintendent for review and approval, as appropriate.

**15.14** An Improvement Model for classroom teacher observations will consist of three observation processes: Walkthroughs, Informal and Formal. The ratings from each observation will be combined and averaged to provide the final rating for each observed EPC. The final EPC points calculated may not be decreased (rounded down) and may only be increased (rounded up) by the evaluator if a rationale supported by evidence is documented in Journey.

**15.14-2** Additional informal or formal observations may occur only if the classroom teacher has had the opportunity to correct performance concerns as documented in an IAC or PDP. Additional informal and formal observations shall be scheduled as a part of the PDP process.

**15.14-3** Non-classroom Instructional Personnel will follow the appropriate procedures outlined in the evaluation manual. All non-classroom Instructional Personnel will be evaluated based on the Final Overall Rating Table which is included in the evaluation manual.

**15.14-4** Some instructional employees may be submitted to FLDOE as Not Evaluated due to unforeseen circumstances. Any instructional employee submitted to FLDOE as either Not Evaluated or Developing will be treated as Effective for all Human Capital and salary decisions.

**15.15** All Instructional Personnel teaching courses without a VAM score must establish an SAO by following the process outlined in the evaluation manual.

**15.15-1** Training and supporting resources which provide consistency in the implementation of SAOs will be developed by a joint committee appointed by the Superintendent and the PEA President. The committee will use the framework from the Center for Assessment as a foundation. The committee will identify the process to prepare trainers and deliver comprehensive training to all participants using a variety of methods. Participants on the committee may vary depending on the specific assigned tasks. Training must be ready for presentation prior to the employees' first contract day and the schedule for delivering training must begin within the first ten (10) instructional days.

**15.15-2** An instructional employee without a state calculated VAM must establish an SAO for the student learning data portion of their evaluation. Teachers with a state calculated VAM may elect to complete an SAO and use that data as their student learning data in their evaluation.

An employee establishing an SAO must complete the forms and follow the process in the evaluation manual. An employee may work collaboratively on their SAO with other employees but may not be required to do so. Journey is open on the first contract day to begin developing the SAO. The completed SAO template must be initially submitted to the principal/administrator no later than the fifth (5<sup>th</sup>) student day following Data Day as established in the official Polk County Public School District Calendar.

**15.15-3** All SAOs must be based upon core/main course, or instructional standards for the selected student group and must follow the SMART protocol (Specific, Measurable, Appropriate, Realistic, and Time Limited) as appropriate to the course, grade level or position/assignment of the employee.

**15.15-4** Baseline student data must be established by the employee during the first nine (9) week period as established in the official Polk County Public School District Calendar. It may be based upon data collected at any time prior to the end of the first nine (9) week period as outlined in the approved SAO goal.

**15.15-5** The principal/administrator shall review the SAO using the Rubric for Rating the Quality of Student Achievement Objectives in the evaluation manual (the Rubric) within the initial approval submission window and provide feedback to the employee. Any SAO evaluated as Quality Needs Improvement or Insufficient Quality is not approved until changes are made to meet the requirements as outlined by the Rubric. Employees and principals/administrators are encouraged to collaborate in this process. If a dispute cannot be resolved, the employee may appeal their concern to the Regional Assistant Superintendent for resolution. To be implemented, the SAO must be approved no later than the end of the first nine (9) week period as established in the official Polk County Public School District Calendar. Both the employee and the principal/administrator shall sign and maintain a copy of the approved SAO goal.

**15.15-6** If a principal/administrator does not respond within the timeline in ~~15.17-5~~ **15.15-5** above, the submitted SAO shall be considered approved.

**15.15-7** Instructional employees with a state calculated VAM, may abandon the SAO process without detriment at any time prior to approval as referenced in ~~15.17-5~~ **15.15-5**. They will then revert to the State VAM for the student learning data for that year.

**15.15-8** A mid-year meeting to review the SAO progress will be held during the first fifteen (15) student contact days of the second semester. This meeting is required for all Category I teachers and only necessary for Category II teachers if they wish to adjust the expected targets of the SAO. This meeting may occur for Category II classroom teachers along with the review of their Informal Observation and for Category I instructional employees at the time of their post-conference for their first Formal Observation. The instructional employee and the principal/administrator shall review using the mid-year Reflection Questions in the evaluation manual – Student Achievement Outcomes and make adjustments as needed to increase the likelihood of a positive goal outcome.

**15.15-9** Should a Category II employee or principal/administrator be concerned that the employee's SAO targets are not attainable, therefore making the expected outcomes unrealistic, a meeting will be held to review and assess the available data. This review must occur and any adjustments to the agreed upon targets made within the first fifteen student contact days of the second semester. The principal/administrator must approve or deny the requested target adjustments. Should a dispute arise over an appropriate adjustment, the employee may appeal the principal's/administrator's decision, within five (5) student contact days, to the Regional Assistant Superintendent.

**15.15-10** Semester courses may set an SAO within fifteen (15) student contact days of the second semester only. The timelines for semester courses will be set and distributed by December 1, or when the timelines are announced, and the SAO window is opened to employees.

**15.15-11** The four (4) level Instructional Personnel Rating Rubric in the evaluation manual shall be used to determine whether the employee is rated *Highly Effective*, *Effective*, *Needs Improvement/Developing*, or *Unsatisfactory* for their goal. Employees may group students based upon

student performance and vary the outcome for the established groups. All students should have a learning outcome by group, but an individual outcome for each student is not expected or required. The employee's Student Performance rating shall be determined by the number of students meeting or exceeding the goal as established by the Rating Rubric.

**15.16** Instructional employees completing the self-evaluation will receive the maximum points regardless of how they rate themselves. Instructional employees not completing the self-evaluation will receive the lowest points.

## **16.4 PROFESSIONAL SERVICE CONTRACT TEACHERS**

**16.4-1** A teacher holding a Professional Service Contract who is not performing his or her duties in a satisfactory manner based on the teacher's assessment instrument shall be notified by their evaluator in writing of such determination. The notice must describe such unsatisfactory performance and include the notice of the procedural requirements as listed in § [1012.34](#) of Florida Statutes.

**16.4-2** Upon delivery of a notice of unsatisfactory performance, the evaluator must confer with the employee, make recommendations with respect to specific areas of unsatisfactory performance in writing, and provide assistance in helping to correct deficiencies within a prescribed period of time.

**16.4-3** The employee shall be placed on performance probation and governed by the provision of Florida Statute § [1012.34](#) for ninety (90) calendar days from the receipt of the notice of unsatisfactory performance to demonstrate corrective action. School holidays and school vacation periods are not counted when calculating the ninety (90) calendar day period. During the ninety (90) calendar days, the employee must be observed a minimum of three times and apprised of progress achieved in writing and must be provided assistance and in-service training opportunities to help correct the noted performance deficiencies.

**16.4-4** Within fourteen (14) days after the close of the ninety (90) calendar days, the evaluator must assess whether the performance deficiencies have been corrected and forward a recommendation to the Superintendent. Within 14 days after receiving the evaluator's recommendation, the Superintendent must notify the employee in writing whether the performance deficiencies have been satisfactorily corrected and whether the Superintendent will recommend that the school board continue or terminate his or her employment contract. If the employee wishes to contest the Superintendent's recommendation, the employee must, within fifteen (15) days after receipt of the Superintendent's recommendation, submit a written request for a hearing as provided in § [1012.34](#) of Florida Statutes.

## **16.5 MISCELLANEOUS PROVISIONS**

**16.5-1** When illness or other incapacity of the teacher or observer prevents the completion of the observation on schedule, the time limits shall be extended to such time as the teacher or observer can be present for the observation.

**16.5-2** This procedure does not prohibit immediate suspension and subsequent dismissal for just cause as outlined in § [1012.335](#) Florida Statutes or the use of the Florida Education Practices Commission procedures in § [1012.795](#), Florida Statutes.

**16.5-3** The immediate supervisor may drop this evaluative procedure at the conclusion of any step in the procedure if he/she determines that it is no longer necessary. The teacher will be notified in writing of this decision and any further recommendations.

**16.5-4** This procedure shall not be utilized in cases of physical or emotional incapacity to discharge the required duties of a teacher.

## ARTICLE XVII - TRANSFERS AND CHANGES IN ASSIGNMENT

**17.1** A transfer is a change in teaching position from one work location to another, excluding countywide assignments. A transfer is also any change which would cause a teacher to teach any part of the day at a different school from his/her initial school assignment, excluding countywide assignments. A change of assignment is from one subject area or department to another, or from one grade to another, within the same work location.

**17.1-1** A teacher who is required to change classrooms will have assistance moving boxes and furniture and will be provided appropriate equipment to do the job safely.

**17.1-2** If a teacher is given a change of assignment or classroom during the school year, the teacher will be provided one (1) student contact day without students or assignments for the purpose of moving classroom and personal items from one classroom to another and/or planning and preparing materials for students in preparation for student instruction or other assigned duties.

**17.1-3** If a teacher is transferred during the school year, the teacher will be provided two (2) student contact days without students or assignments for the purpose of moving professional and personal items from one school to another, setting up a classroom, and preparing materials.

**17.2** Principals shall keep their faculties informed as to vacant positions in their schools by posting such vacancies at the teacher sign-in location. Teachers who would like to change from grade and/or subject assignment within a school shall file a written statement of such desire with the principal. The principal shall consider all such requests and make a decision as to the change based on the teacher's qualification, certification, and educational program of the school. The principal will give written notification of his/her decision to each teacher who has filed a written request. The change in assignment will be subject to approval by the District Certification Compliance Department.

**17.3** All changes in assignment should be voluntary; however, the principal may make changes in teacher assignments at his/her own discretion when he/she deems it to be in the best interest of students, faculty, and educational program of the school. Such assignment changes may only be to areas for which the teacher is fully qualified and may not cause a teacher to work out-of-field. Principals shall strive to minimize the number of core academic subject area assignments. When such changes are made the reason(s) for the assignment shall be given in writing, if requested. Providing a reason will in no way limit the principal's discretion in making such assignments. Such reassignments shall not be used as a punitive measure. Any teacher being involuntarily reassigned shall not be deprived of his/her contractual salary for the remainder of the contract year.

**17.3-1** Should there be a reduction/loss in funding for a grant program, the teacher in such a grant funded position will be able to remain at the school/worksite at which he/she is assigned in a position for which he/she is fully qualified. If there are no vacant positions available, the school shall follow the procedure for "Loss of Units" in 17.6-1. This process shall retain the grant funded teacher as a part of the staff for any position for which the teacher is fully qualified.

**17.4 Request for Transfer (non-hardship transfers):** A request for transfer shall be provided to the Human Resource Services Division via the Staff Portal any time after the end of the 1<sup>st</sup> student week of school. These requests are for the following semester unless mutually agreed upon by supervising administrators. Such transfer requests shall remain active until seven (7) calendar days before the first teacher contract day. Transfers shall not occur in the middle of a semester unless the teacher meets the qualifications for a hardship transfer, is moving to a promoted position, or is being involuntarily

transferred per the parameters of Article 17.6. An employee seeking a transfer must complete the online application (Applicant Registration System) and apply for posted vacancies. Any teacher who received an end of the year overall evaluation of *Needs Improvement* for the current and/or previous school year is not eligible for transfer. Also, any teacher who is under a Performance Development Plan is ineligible for transfer. A transfer will not be considered unless the teacher has taught in the District for one school year and is fully qualified and certified for the vacancy for which they are applying. It is the responsibility of the teacher to notify the principals where vacancies exist in order to be considered for the vacancy. The transfer will be subject to approval by the District Certification Compliance Department. All transfers shall be approved and signed by the receiving principal, with simultaneous electronic copies to the releasing principal (or immediate supervisor) and the Human Resource Services office. The receiving principal, when making his/her decision, shall consider each teacher requesting transfer as to his/her experience, general background and preparation, competence and commuting distance. The transfer of the teacher will be subject to Board approval.

**17.4-1 Hardship Transfer Requests during School Year:** Teachers that have completed their probationary period are allowed to submit a transfer request during the school year for purposes of “hardship”. A “hardship” transfer request is defined as:

- a. travels 20 miles or more one-way, by the most direct route within Polk County limits to the assigned work location; or
- b. has a serious medical problem which can be substantiated by a physician or acceptable written explanations as determined by the Superintendent. Employees meeting the criterion in this section, may apply for a medical problem transfer at any time and may be transferred after the start of the school year for students; or
- c. has a personal problem, conflict, and/or concern with an acceptable written explanation as determined by the Superintendent. Employees meeting the criterion in this section, may apply for a personal problem transfer at any time and may be transferred after the start of the school year for students.

Hardship transfers will be allowed during the school year only if the above conditions are met and must be approved by the Superintendent or the Associate Superintendent of Human Resource Services. A transfer will not be considered unless the teacher is fully qualified and certified for the vacancy for which they are applying. All transfers shall be approved and signed by the receiving and releasing principals, with simultaneous electronic copies sent to the releasing principal (or immediate supervisor) and the Human Resource Services Division. The receiving principal, when making his/her decision, shall consider each teacher requesting transfer as to his/her experience, general background and preparation, competence and commuting distance. Once the receiving principal has submitted the required copies to the releasing principal and the Human Resource Services Division, the releasing principal has up to twenty (20) workdays to post and potentially fill the vacancy. After no more than twenty (20) work days, the teacher will be released to the receiving principal.

A teacher who qualifies for the "hardship" transfer will be guaranteed an interview for a District-determined vacancy once per hardship transfer during the current school year in which the hardship request was approved. The request to be considered for an interview must be emailed to the Senior Director of Human Resource Services with the position number no less than five (5) days before the advertised vacancy is set to close.

**17.4-2 Request for Transfer Between School Years:** It is the responsibility of the teacher to notify the principals where vacancies exist in order to be considered for the vacancy. The transfer will be subject to approval by the District Certification Compliance Department. A principal will only be notified of an employee's intent to transfer ten (10) workdays after the teacher has filed the intent to transfer form.

**17.4-3** Probationary Contract teachers will be eligible to seek a transfer the semester immediately following the completion of his/her probationary period.

17.5 A current list of vacant positions, including Polk Virtual School, will be maintained for all teachers to view on the District's website (polkschoolsfl.com). All vacancies will be advertised for a minimum of five workdays, except for the seven (7) calendar days prior to the first workday in order to meet the mandate for fully staffed schools. The website will indicate the subject area or grade level of the vacancy, the date the vacancy will occur, and the worksite at which the vacancy exists. A vacancy shall be deemed to exist when a full-time employee is sought to fill a full-time position, after worksite reassignments have been completed, if applicable.

**17.5-1** Candidates interviewed for positions will be notified in writing when the position has been filled.

**17.6 Involuntary Transfer:** The Board and the Association recognize that it may be necessary to transfer a teacher or teachers involuntarily. Such transfers will only be made for one or more of the following reasons:

- 1) Loss of units
- 2) Providing for a racially balanced school staff
- 3) Dividing a school faculty to form a new school
- 4) Phasing out a program or grade level
- 5) Changing a program
- 6) Closing a school
- 7) Providing for a comparability of schools for Federal program
- 8) Placing a teacher who has been teaching out of field of certification into his/her field of certification
- 9) Comply with a court order
- 10) Redistricting of schools
- 11) Comply with state and federal legislation

**17.6-1** In unusual and special circumstances the Superintendent may recommend to the Board that a teacher be transferred from one position to another specific position for good and sufficient reasons. Any teacher being transferred under this section may not be placed into an out-of-field assignment or a position for which the teacher is not fully qualified, and the teacher may request written reasons for the transfer. Such transfers are effective upon the Superintendent's recommendation. Subsequent approval is required on the next available School Board Meeting agenda.

Refusal by the teacher to accept such assignment shall release the Board from further obligation to that employee.

**17.6-2** Teachers placed on the involuntary transfer list are considered displaced and, it is their responsibility to provide the Human Resource Services Division with a current/temporary address and

phone number. Continuing Contract and Professional Service Contract teachers will be guaranteed placement. Annual or Probationary Contract teachers will be guaranteed placement only during the term of their contract. If there are not enough positions for placement, the provisions of Article XIX Layoff shall be followed.

**17.6-3** When transfers become necessary, no new teacher will be placed to fill positions for which displaced teachers are fully qualified until the teachers have been offered these teaching positions.

**17.6-4** Involuntary transfers that are necessary because of complying with a court order or moving teachers into a position for which they are fully qualified will be done by the Board after a recommendation by the Superintendent. Any transfer (involuntary or voluntary) for the purpose of compliance with a legal mandate, or for the purpose of the racial balancing of a faculty to comply with court orders will take precedence over seniority when determining teachers to be transferred.

**17.6-5** When transfers become necessary as a result of reasons 1 through 11 in 17.6-1, the Superintendent or the designee shall notify the Association of the staffing allocation changes planned for each affected school. Human Resource Services shall provide the principal of each affected school a list of the school's teachers. The list will include each teacher's seniority date and list all certifications on file for which the teacher is fully qualified. Each teacher shall be provided his/her personal information. Before involuntary transfers are made, the principal will announce the position changes planned for the school to the entire staff. Volunteers for involuntary transfer shall be requested. Within the timeline provided by Human Resource Services, the principal shall meet with departments and/or individuals to discuss the impact of the required changes. A list of potential openings shall be maintained and available electronically for the teachers to review on the District's website ([polkschoolsfl.com](http://polkschoolsfl.com)). Teachers will be provided at least 24 hours to volunteer in order to allow review. If there are more volunteers than needed to reduce the units in that school, the volunteering teacher(s) with the most seniority in the District (as defined in 17.8) shall be submitted for placement on the District-wide displaced list.

**17.6-6** If there are not enough volunteers for displacement, then involuntary transfers shall be made based upon seniority as defined in 17.8. All teachers remaining at the school must be approved for their assignments by the Human Resource Services Certification Compliance Department and shall be fully qualified, or if not fully qualified, may be considered for an authorized out-of-field assignment. A list of teachers being involuntarily transferred shall be submitted to the District and be placed on the District-wide displaced list according to their seniority and contract status.

**17.6-7** When a group of teachers is involuntarily transferred as a result of reasons 1 thru 11 in 17.6, The Human Resource Services Division will make available to each transferring teacher and the Association a current list of vacancies. Teachers may apply and will be considered for any position for which they are fully qualified. If these teachers are not chosen for the position for which they applied, then the Superintendent will place them in a position for which they are fully qualified.

**17.7** Any Continuing Contract/Professional Service Contract teacher placed on the displaced list shall be assigned to a position for which he/she is fully qualified by the Associate Superintendent for Human Resource Services. Refusal by the teacher to accept such assignment shall release the Board from any further obligation to that teacher.

**17.7-1** The Superintendent shall submit the contract renewal recommendations for employment to the Board for action at least two weeks prior to the end of the school year. Any annual or probationary contract teacher not rehired may appeal this decision through the two levels of (1) Principal's current

supervisor, (2) Superintendent or designee. Any annual or probationary contract teacher whose position is eliminated, who would have been recommended for reappointment by his/her immediate supervisor, if an opening existed, shall be placed on the Displacement list.

**17.7-2** Existing information regarding non-reappointment and displacement shall be provided electronically to the Association including the Displacement List and the current vacancy list.

**17.7-3** Principals/immediate supervisors shall notify the Business Services Division of vacancies immediately after they occur.

**17.7-4** In the event a vacancy occurs within a school from which an Annual Contract teacher has been displaced and after CC and PSC teachers in the District have been assigned and if the Annual Contract teacher is fully qualified, he/she shall be appointed to fill that vacancy unless the teacher has been placed in another position.

**17.7-5** Prior to the beginning of the school year teachers in out-of-field assignments will be given first consideration for in-field vacancies as they occur. It is the responsibility of the teacher to make application for any such vacancies as listed on the District's website ([polkschoolsfl.com](http://polkschoolsfl.com)).

**17.7-6** The Displacement list shall be distributed to all principals and persons thereon will be given first consideration for appointment to open positions for which they are fully qualified before new hires. The Human Resource Services Division will have ongoing contact with principals with open positions to encourage that the employees on this list be interviewed with the goal of re-hiring these employees as quickly as possible. The Human Resource Services Division will regularly provide the Association with updates regarding the progress of assisting the employees on this list. A final employee status update will be provided the Association regarding those employees who were rehired, those who were offered no position, those who were offered a position and chose not to return, and those who dropped out of the process for any reason.

**17.8** Seniority is defined as continuous service, which begins with the effective date of employment as a teacher in the District. If the employment dates as documented on the School Board's agenda are the same for more than one teacher, and it becomes necessary to determine the order of seniority among said teachers, then the date/time that each was nominated as a teacher candidate as documented on the automated recruitment and hiring system candidate report will be used to determine seniority. Approved leaves of absence will not be considered as a break in seniority.

## **ARTICLE XVIII – VACANCIES**

**18.1** It is recognized that the law charges the Superintendent with the full responsibility for recommending personnel for promotion, transfer and reassignment.

**18.2** The Board and the Superintendent shall continue to implement and review their plan of affirmative action for recruitment, selection, promotion, and retention of minority and women employees of the school system. The Association will be advised of any proposed changes in the affirmative action program and, through the Human Resource Services Division, may make suggestions for improving the plan.

**18.3** It is agreed that the Superintendent should find and the Board will employ the best-qualified persons for all positions by giving full consideration to all qualified persons.

**18.4** Promotion is defined as a change in job designation from a teacher to a non-classroom instructional (i.e. deans, district-wide coaches, school counselor, media, TRST) coordinative, administrative or

supervisory position. A promotion is also defined as an advancement to a position that is classified at a higher salary grade, or in certain circumstances, an acknowledgment of significant greater responsibilities within the same grade.

**18.4-1** All promotions shall be approved and signed by the receiving and releasing principals/supervisors, with simultaneous electronic copies sent to the releasing principal (or immediate supervisor) and the Human Resource Services Division. The receiving principal/supervisor, when making his/her decision, shall consider each teacher requesting transfer as to his/her experience, general background preparation, and competence. Once the receiving principal/supervisor has submitted the required copies to the releasing principal/supervisor and the Human Resource Services Division, the releasing principal/supervisor has up to twenty (20) workdays to post and potentially fill the vacancy. After no more than twenty (20) workdays, the teacher will be released to the receiving principal/supervisor.

**18.5** The Board and the Association agree on the following procedures for vacancies:

**18.5-1** All teachers who wish to be considered for an advertised vacancy shall complete the online application process for the position in which they are interested and meet the qualifications.

**18.5-2** Teachers who wish to be considered for a school based administrative position must follow the process in the District's state approved leadership development plan.

**18.5-3** Preference will be given to qualified teachers in the Polk County school system, but this does not preclude qualified persons from outside the system from being considered and recommended.

## **ARTICLE XIX – LAYOFF**

**19.1** §.1012.33 Florida Statute requires that within a program area facing reduction, the employee who has the lowest performance evaluation is to be the first to be released.

**19.1-1** A reduction in force (RIF) may be declared by the Board when it needs to reduce the number of teachers Districtwide because it does not have enough positions for teachers based upon their areas of certification. Prior to declaring a RIF the District will review all open positions to determine if assigning teachers into vacant positions may negate the need for a RIF.

**19.1-2** Prior to declaring a RIF the Superintendent or designee shall have a meeting with the Association to review the reason for the layoff and review any possible options which could alleviate the necessity for a RIF.

**19.1-3** The Association shall be provided a final list of employees identified for layoff including their SAP#, current assignment, certifications on record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. The Association will be provided an opportunity to review the list and request clarification prior to any employee being notified.

**19.1-4** Selection of employees for RIF shall be based on their areas of certification being in an area identified for RIF.

**19.2** Should the District prepare to declare a RIF, the District shall first choose among those employees with Probationary Contracts or with no Overall Evaluation Rating or an incomplete Overall Evaluation Rating following the criteria below.

**19.2-1** The Superintendent or designee will provide the Association a list of all teachers on Probationary Contracts or who have no Overall Evaluation Rating or an incomplete Overall Evaluation Rating because EPC(s) ratings or the Student Performance rating has not been completed. The list will include each teacher's current assignment and a list of each teacher's areas of certification currently on file with the District.

**19.2-2** Teachers with Probationary Contracts or with no Overall Evaluation Rating or an incomplete Overall Evaluation Rating and with a corrective action plan will be released first. When no employee on a corrective action plan remains in an appropriate area of certification, then selection will be made among those teachers in this group who have no Overall Evaluation Rating.

**19.2-3** Should the District's RIF necessitate identifying additional employees for layoff, the selection will fall to those teachers in this group with an incomplete Overall Evaluation Rating. These employees will be chosen for RIF based upon the fewest number of points earned. In case of a tie, the selection will be made by drawing lots.

**19.2-4** Should the District's RIF necessitate identifying additional employees for layoff, the selection will fall to those Probationary Contract teachers in this group, if any. These employees will be chosen for RIF based upon the fewest number of points earned for their annual evaluation. In case of a tie, the selection will be made by drawing lots.

**19.3** Should the District's RIF necessitate identifying additional employees for layoff, the District shall choose among those annual contract employees with a completed Overall Evaluation Rating according to the following criteria. The District will identify all annual contract teachers District-wide assigned to teach the course codes needing further reduction and identify their areas of certification currently on file. As required by Florida Statute 1012.33, the completed evaluations will be reviewed and the total points earned on the last evaluation for each employee will be identified. The District will identify the required number of employees for RIF based upon those annual contract employees who have earned the fewest points on their current Overall Evaluation Rating. Should two or more annual contract employees tie, the points earned on the previous year's Overall Evaluation Rating shall be used in like manner to determine the potential layoff order. Should previous Overall Evaluation Ratings be insufficient to break a tie, the selection will be made by drawing lots. The Association shall receive an initial list of potential annual contract employees to be laid off including their SAP#, current assignment, certifications on record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. If there is a probationary contract teacher in a position for which the employee would be fully qualified, the Annual Contract teacher will be assigned into the position and the probationary contract employee will be reviewed under 19.2 for potential layoff.

**19.3-1** Each employee identified in 19.3 for potential layoff will have their Overall Evaluation Rating score compared with all other Overall Evaluation Rating scores for annual contract teachers assigned to positions for which the employee is highly qualified. The annual contract employee with the lowest Overall Evaluation Rating score will be identified for potential layoff. The process will be repeated until the employees with the lowest Overall Evaluation Rating scores have been identified. Should a tie score be identified throughout this process, the procedure in 19.3 to determine Layoff order shall be followed.

**19.4** Should the District's RIF necessitate identifying additional employees for layoff, the District shall choose among those remaining employees according to the following criteria. The District will identify all teachers Districtwide assigned to teach the course codes needing further reduction and identify their

areas of certification currently on file. The District shall first select from among the Professional Service Contract (PSC) teachers, and, if not enough PSC teachers are available, Continuing Contract (CC) teachers. As required by Florida Statute 1012.33, the completed evaluations will be reviewed and the total points earned on the last evaluation for each employee will be identified. The District will identify the required number of employees for RIF from among the PSC teachers based upon those employees who have earned the fewest points on their current Overall Evaluation Rating. Should two or more employees tie, the points earned on the previous year's Overall Evaluation Rating shall be used in like manner to determine the potential layoff order. Should previous Overall Evaluation Rating s be insufficient to break a tie, the selection will be made by drawing lots. The Association shall receive an initial list of potential employees to be laid off including their SAP#, current assignment, certifications on record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. The same process will be used if it is necessary to identify any CC teacher for a RIF. If there is an annual contract or probationary contract teacher in a position for which the employee would be fully qualified, the PSC or CC teacher will be assigned into the position and the annual contract or probationary contract employee will be reviewed under 19.3 for potential layoff.

**19.4-1** Each employee identified in 19.4 for potential layoff will have their Overall Evaluation Rating score compared with all other Overall Evaluation Rating scores for teachers assigned to positions for which the employee is highly qualified. The employee with the lowest Overall Evaluation Rating score will be identified for potential layoff. The process will be repeated until the employees with the lowest Overall Evaluation Rating scores have been identified. Should a tie score be identified throughout this process, the procedure in 19.3 to determine Layoff order shall be followed.

**19.5** A teacher whose job is being eliminated as part of a reduction in force shall be notified in writing concurrent with declaration by the District of impending layoff.

**19.6** No new teachers shall be hired to fill positions for which teachers on layoff are certified and qualified until laid off teachers have been offered teaching positions for which they are certified and/or qualified.

**19.7** Any teacher who has been laid off shall be recalled in inverse order (most senior), within the term of his/her contract, to the first vacancy in the District for which said teacher is qualified and/or certified to teach. Any Annual Contract teacher on layoff will be maintained on the recall list until a period of one year has elapsed.

**19.8** Within fifteen (15) days of the receipt of a certified letter of recall, a teacher shall notify the Human Resource Services Division in writing as to whether he/she will accept reemployment. Failure to respond to the letter of recall within the time required terminates the teacher's right of recall.

**19.9** Any teacher who would have qualified for regular retirement during the reduction year shall be permitted to teach that year so as to acquire needed service for regular retirement. After that year of teaching, he/she shall be subject to all procedures of personnel reduction.

**19.10** Upon reemployment of the teacher, all rights related to salary, fringe benefits and seniority shall be restored.

**19.11** Laid-off teachers may pay, on a monthly basis, the premiums for group life and hospitalization for a period up to one year. This benefit may be extended as defined by COBRA (Consolidated Omnibus Budget Reconciliation Act) legislation.

## ARTICLE XX - PAID LEAVES

**20.1 Sick Leave.** Teachers who are employed on a full-time basis and who are unable to perform their duties because of their own illness, or because of the illness or death of father, mother, brother, sister, husband, wife, child or other close relative (including in-laws) or member of their own household, shall be entitled to sick leave. Sick leave shall be credited as follows:

Each member of the instructional staff employed on a full-time basis shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year and shall thereafter earn one (1) day of sick leave for each month of employment, which shall be credited to the member at the end of that month and which shall not be used prior to the time it is earned and credited to the member. However, the member shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment. The maximum number of sick leave days that can be earned is twelve (12). Such leave shall be taken only when necessary because of sickness as herein prescribed. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave a member of the instructional staff may accrue, except that at least one-half of this cumulative leave must be established within the District granting such leave.

**20.1-1** In the instance of an employee who has been the subject of disciplinary action for absenteeism, the Superintendent may require a certificate of illness from a licensed physician or mid-level practitioner for any illness-related teacher absence.

**20.1-2** Sick leave for teachers working beyond regular 196-day contract, including summer school teachers, will be calculated to the nearest 1/2 day using a 19.6 divisor.

**20.1-3** Each teacher will be given written notice of his/her accrued sick leave with each paycheck.

**20.1-4** A teacher shall have the right to use sick leave in one-half (1/2) day units. Sick leave may be used in hourly increments per School Board Policy 3430.03. Any hour amount greater than 3 hours may result in a one-half (1/2) day or full day leave.

**20.1-5 Sick Leave Bank.** The Polk School Employee's Sick Leave Bank shall be maintained in accordance with the provisions established by the Sick Leave Bank Committee. The Association shall appoint members to the Sick Leave Bank Committee in proportion to the percentage of its members in the Bank.

**20.1-6** A teacher working a 12-month schedule who has exhausted accrued sick leave may use accrued vacation leave without providing advanced notice for up to 40 hours (based on an eight (8) hour work day) per fiscal year (July 1 – June 30). An employee working four (4) hour days may use up to 20 hours per fiscal year. Written verification from a licensed physician is required for use of vacation leave in lieu of sick leave.

**20.1-7** A teacher working a 12-month schedule with accrued vacation leave may use no more than twenty (20) consecutive days of vacation leave, calculated at the teacher's regularly scheduled daily work hours. Vacation leave requests in excess of twenty (20) consecutive days will not be approved. Employees who use twenty (20) consecutive eight (8) hour vacation leave days must return to work for a minimum of 45 calendar days before an additional leave request in excess of five (5) days will be considered. Nothing in this guideline should be interpreted in such a way as to interfere with an employee's right to

use sick leave, Family and Medical Leave Act (FMLA) leave, or Medical leave in accordance with law and Board Policy.

**20.1-8 Sick Leave Transfer/Donation:** Any employee who wishes to donate (authorize transfer of) sick leave to another employee shall be able to do so within School Board Policy. Should there be a change in Florida Statutes and/or School Board Policy, both parties agree to impact bargain those potential changes. The receiving employee must submit an Application for Sick Leave Donation.

**Donating Employee:**

- i. An employee may donate (i.e., authorize transfer of) any amount of their accrued sick leave to another Board employee. The authorizing employee must have at least ten (10) days of sick leave remaining after the donation is made.
- ii. Once approved, a donation cannot be retracted by the donor.
- iii. Any transferred sick leave that is not used as anticipated shall be returned to the authorizing employee upon the recipient's return to work.
- iv. In the case of multiple donors, unused leave will be returned to each donor proportional to the amount donated to total amount donated. Donated sick leave will have no value for recipient's terminal pay.

**Receiving Employee:**

  - a. Have exhausted all accrued and credited paid leave,
  - b. Complete and submit all required forms and supporting documentation to the Risk Management and Employee Benefits Leave Office, and

- iii. Employees may receive up to 200 donated hours within a 12-month period.

The Sick Leave Donation Committee shall be established to review applications for sick leave donation exceeding 200 hours per event within a 12-month period. This committee will consist of three (3) members appointed by the Superintendent, and three (3) appointed by the PEA president. The District's chief negotiator and PEA president serve as ex-officio members of the committee.

**20.2 Personal Leave Chargeable to Sick Leave.** Teachers shall be permitted to be absent six (6) days each school year for personal reasons and these days shall be charged against accrued sick leave when used. This leave shall be non-cumulative. A teacher planning to use a personal leave day or days shall notify his/her principal or immediate supervisor at least one day (24 hours) in advance. The teacher shall not be required to give reasons for such leave except on such days as specified in this article. Sick leave used for personal reasons may not be used during the first five (5) days or the last five (5) days in which the students are in attendance, or immediately before or after the scheduled holidays of Labor Day, Thanksgiving, Winter Break, Spring Break, Memorial Day, preceding or following recognized holidays provided students are in attendance, or on a Staff Development Day as designated in the District Calendar, except in case of emergency. The teacher shall be required to give reasons when claiming an emergency. 27.4 **Introduction** In an effort to improve instruction and student performance in a school that earns a grade of "D" for two (2) or more consecutive years, or a school grade of "F," the School Board and the Association agree to implement Section 27.6.

When a school having two (2) or more consecutive grades of "D," or a designation of "F" Priority meets the District's exit criteria, Section 27.6 and all subsections shall cease to be applied unless specifically stated otherwise. Schools designated as having two (2) or more consecutive grades of "D," or a designation of "F" Priority, will not be required to receive displaced teachers.

**27.4-1 Planning Year** Following the initial designation of a school as having two (2) or more consecutive grades of "D," or a designation of "F" Priority, a planning year will occur. During this

The Superintendent or Deputy Superintendent will meet at least monthly with the PEA President and share the results of the evaluation and the developing plan for turning around the students' performance and the school grade. Before any documentation or template is submitted to the Florida Department of Education (FDOE) regarding the District's Turnaround Plan, it will be shared with the PEA President who will be provided an opportunity for input with regard to contractual and legal concerns.

As part of a regularly held faculty meeting, the principal will, on a monthly basis, update the staff regarding the planning process and opportunities will be given for staff to share feedback. It is also agreed that it is in the best interest of both the students, staff, District and Association that the staff also be kept fully informed of the documentation or templates being submitted to FDOE.

The District shall ensure that the Teacher Evaluation System outlined in Article XV is implemented with fidelity each year following the school receiving two (2) or more consecutive grades of "D," or a designation of "F" Priority. Observations will be performed as outlined and will be conducted over the designated time periods to allow for professional growth. Specific and actionable feedback shall be given as appropriate for each Essential Performance Criterion (EPC) marked less than *Effective* as outlined in Section 15.7.

If a teacher continues to perform below the *Effective* level in an identified EPC, the evaluator shall meet with the teacher to discuss the concerns and develop a plan for improvement utilizing the processes in the Collective Bargaining Agreement up to, and including, implementation of a Professional Development Plan (PDP). However, prior to the implementation of a Professional Development Plan (PDP), the use of the Instructional Assistance Conference (IAC) form for the purpose of guiding a professional conversation is strongly encouraged.

**27.4-2 Subsequent Years** For subsequent years (after the initial first year), until such time as the school meets the District's exit criteria for schools having two (2) or more consecutive grades of "D," or an "F" Priority School:

Teachers with an overall *Effective* or *Highly Effective* evaluation for the previous year may apply, transfer, or be assigned to schools having two (2) or more consecutive grades of "D," or an "F" Priority school.

Those teachers with less than an overall *Effective* evaluation for the previous year who have been given notice of performance concerns and ample opportunity to improve, as per Teacher CBA Article 15 and the Instructional Evaluation System manual may volunteer to be displaced, be involuntarily transferred or terminated according to the appropriate provisions of the Collective Bargaining Agreement.

**27.4-3 Early Return:** Any school with two (2) or more consecutive "D" grades, or a grade of "F" Priority, will be identified as an Early Return School that will return up to four (4) days prior to the first contracted workday of school year 2017-2018. All teachers throughout the District shall receive a reminder notification of this contract provision with their May paychecks explaining conditions that require returning early, the number of days and dates, and the methods by which affected teachers at Early Return Schools will be notified.

**27.4-4 Eligible Teachers:** In the identified schools, all teachers, including media specialists, school counselors, and school-based academic coaches, will participate in Early Return activities. Regardless of the subject taught, all teachers will be providing support in the areas of Reading, Math, and Science, as appropriate.

School-based Professional Development shall include grade level and departmental collaborative planning, review of student learning growth data, job-embedded Professional Development on lesson study, and other instructional strategies. - J. The District shall ensure all prospective employee participants are present at the meetings, unless attendance impacts student instruction. The parties shall mutually agree to the required meeting participants.

## **28.4 Resolution Procedure:**

**Informal Procedure:** If a member of the bargaining unit believes he/she has a grievance, he/she shall first discuss the matter in good faith with his/her immediate supervisor in an effort to resolve the problem informally. This action shall take place within fifteen (15) days after the grievant knew or could reasonably have been expected to know of the event giving rise to the grievance.

At the informal procedure, the grievant may be accompanied by an Association member representative or an association staff representative. The immediate supervisor or principal may have a member of his/her managerial staff, or if none exists, an assistant principal from another school at the meeting in the event that the Association member representative is present. In this informal action, the grievant shall advise his/her supervisor of the particular section of the agreement alleged to have been violated. No record shall be maintained except for a dated and signed statement verifying the fact that an informal discussion has been held. The immediate supervisor will respond to the grievance within two (2) days after the informal meeting.

**Step I:** If as a result of the informal discussion with the immediate supervisor a grievance still exists, the grievant shall, within ten (10) days after the informal discussion, submit to the Assistant Superintendent of Human Resource Services, or designee, a completed copy of the grievance form ([APPENDIX A – OFFICIAL GRIEVANCE FORM](#)). This time limit shall not apply in cases where the nature of the grievance is continuous, or when the resolution agreed to at the informal level has not been or cannot be implemented. Within ten (10) days after the receipt of the written grievance, the Assistant Superintendent of Human Resource Services, or designee, shall arrange and meet with the grievant and/or the Association in an effort to resolve the grievance. The Assistant Superintendent of Human Resource Services, or designee, shall indicate his/her proposed resolution of the grievance in writing at the appropriate place on the grievance form within five (5) days after such meeting and send copies thereof to the grievant and the Association.

**Step II:** If the grievant is not satisfied with the proposed resolution of the grievance at Step I, such grievant may appeal by filing a form, as contained in the appendices to this contract, with the Superintendent or designee, within fifteen (15) days after the receipt of the decision at Step I. The Superintendent or designee shall arrange and meet with the grievant and/or Association within ten (10) days after the receipt of the grievance in an effort to resolve the problem. At least one day prior to the meeting each party shall give to the other a list of prospective participants. The District shall ensure all prospective employee participants are present at the meetings, unless attendance impacts student instruction. The parties shall mutually agree to the required meeting participants. The Superintendent or designee shall indicate his/her proposed resolution of the grievance in writing within five (5) days after the meeting and shall furnish a copy thereof to the Association, the grievant and the immediate supervisor.

**Step III:** In the event the Association is not satisfied with the proposed resolution of the grievance made at Step II, or if no proposed resolution has been made within five (5) days of such meeting, then within ten (10) days thereafter, the grievance shall be emailed to the Board by filing a copy with the Chairperson of the Board. The Board shall within thirty (30) days meet publicly for the purpose of discussing with the grievant and/or Association and the Superintendent or Superintendent's designee the grieved issue(s) and proposed resolution.

The proposed resolution by the Board shall be made and announced within three (3) days of the public hearing. A copy of such proposed resolution shall be furnished to the Association, the grievant, the immediate supervisor, and the Superintendent.

**Step IV:** In the event the Association is not satisfied with the proposed resolution of the grievance by the Board, the grievance may be submitted to arbitration before an impartial arbitrator. Notice of such submission shall be given in writing to the Superintendent and Superintendent's designee within five (5) days after the Association has received a written disposition from the Board. The arbitrator shall be selected from the American Arbitration Association or Federal Mediation Conciliation Service (FMCS) in accord with its rules, which likewise govern the arbitration proceedings. If one of the parties chooses to arbitrate through the American Arbitration Association, said party will pay the difference of the costs associated with the more expensive agency.

**PROVISIONS:**

1. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement.
2. The Board and the grievant shall not be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.
3. The Board and the Association shall share equally the fees and expenses of the arbitrator when the grievance is processed by the Association. Neither the bargaining agent nor the Board shall be responsible for the cost of grievance arbitration by a member of the bargaining unit when the grievance is not processed by the Association.
4. If the Board refuses to arbitrate a grievance arising under this agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex parte basis. However, the Board shall continue to share the cost of the arbitration.
5. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this agreement.
6. No reprisals of any kind shall be taken against any party in interest participating in the grievance procedure.
7. Notwithstanding the expiration of this agreement, any grievance arising while the agreement was in effect may be processed through the grievance procedure until resolution.
8. Any teacher for whom a grievance is sustained shall be reimbursed in accordance with the award of the arbitrator.
9. The Association reserves the right to insure the proper use of the grievance procedure for the bargaining unit. If the Association has declined to process or further process any grievance presented to it, and if any employee or group of employees' desire to process it or further process their own grievance through this

procedure, the bargaining agent shall be sent copies of all written communications sent by the employer or the employee(s) involved. Further, nothing herein contained shall be construed to prevent any public employees from presenting, at any time, their own grievance in person or by legal counsel to the employer and having such grievance(s) adjusted without the intervention of the bargaining agent, provided however, that the adjustment is not inconsistent with the terms of the collective bargaining agreement then in effect and provided further that the bargaining agent has been given notice and reasonable opportunity to be present at any meeting called for the resolution of such grievance.

10. Should either party request a transcript of the proceedings at Step IV, then the party shall bear the full costs of the transcript. If each party requests a transcript, the cost of the two transcripts will be divided equally between the parties.

11. Each party shall bear the full cost of its representation at all steps of the grievance procedure.

12. A teacher shall have the right to have an Association member representative present when a grievance is being discussed. In a case where no Association member representative is present to attend the informal procedure, the discussion may be postponed, and the Association staff will have the right to appoint an Association member to attend the informal session.

13. The grievant may, after the informal procedure, present the grievance in writing to the Association who will provide an opportunity for a meeting with the grievant to decide the merits of the case within five (5) days after receipt of the grievance by the Association.

#### **ARTICLE XXIX - MAINTENANCE OF STANDARDS**

**29.1** Should any provision of this agreement be declared illegal by a court of competent jurisdiction or as a result of state or federal legislation, said provision shall be bargained by mutual agreement of the parties to the extent that it violates the law. In accordance with Florida law, in the event of a conflict created by a statute or rule enacted subsequent to this contract's existence, the terms of this contract will remain in full effect until the parties negotiate to resolve any conflicts created by such imposed acts. When such a conflict arises, the parties shall meet in negotiations to resolve any conflicts created by such imposed acts within a period of ten business days to begin negotiations. The remaining provisions shall remain in full force and effect for the duration of this agreement if not affected by the modified provision. The Association does not waive its right to avail itself of all legal remedies.

**29.2** No teacher employed within the bargaining unit shall, as a result of omission through oversight in the negotiation of this agreement, suffer a reduction in pay, loss of economic fringe benefits, or loss of experience credit previously granted.

**29.3** This agreement shall supersede any rules, regulations, or practices of the Board, which shall be contrary to or inconsistent with the terms of this agreement.

#### **ARTICLE XXX - NO STRIKE**

The Association shall not authorize, sanction, condone, engage in or acquiesce in any strike as defined in Florida Statutes §. [447.203\(6\)](#), §. [447.501\(2\)\(e\)](#), and §. [447.505](#). "Strike" means the concerted failure to report for duty, the concerted absence of employees from their positions, the concerted stoppage

of work, the concerted submission of resignations, the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer for the purpose of inducing, influencing, condoning or coercing a change in the terms and conditions of employment or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer, the concerted failure to report for work after the expiration of collective bargaining agreement, and picketing in furtherance of a work stoppage.

## **ARTICLE XXXI – BOARD'S RIGHTS**

**31.1** The Board has the right to determine the purpose of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations.

**31.2** The Board may direct its employees, take disciplinary action for just cause, and relieve its employees from duty because of lack of work, or other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their Association from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of any collective bargaining agreement in force.

**31.3 Fitness for Duty:** The Superintendent or designee may require a physical and/or psychiatric examination by a physician and/or psychiatrist licensed in Florida when, in its judgment, such an examination is relevant to their work performance or employment status. The selection of the physician and/or psychiatrist shall be made by the employee involved from a current list of no fewer than three (3) practicing physicians and/or psychiatrists who are not employees of the Employee Health Clinic(s), named by the District and the District shall pay all costs incurred in the examination. Physical examination forms shall be available from the Human Resource Services Division.

### **31.3-1 Drug-Free Workplace:**

The Board commits to creating and maintaining a drug-free workplace. The use of illegal drugs, abuse of prescription medication, or the abuse of alcohol shall not be tolerated in accordance with Drug-Free Workplace requirements.

Employees are subject to drug screening as a result of any workplace injury or report of being under the influence. Under these conditions, the employee shall be administered a urine test that will indicate the presence of illegal substances.

In the event an employee tests positive for a substance(s) that could have a prescription, the employee will then be asked to provide any current prescription(s) to the employer within 24 hours.

If the employee presents a prescription(s), then the employee shall also be remanded for a blood draw.

If the employee tests positive for a substance(s) and cannot provide or refuses to provide a prescription(s), then the employer may issue discipline up to, and including, termination.

If the blood draw results in a blood level at or above 5 nanograms, the employee shall be considered “under the influence” and subject to discipline up to and including termination, regardless of their prescription status. Refusal of either the urine or blood test constitutes an act of insubordination and willful neglect of duty.

If the employee tests positive on the initial urine screening, but provides a current valid state of FL prescription from a licensed medical provider, and has blood test results below the 5 nanogram threshold, they shall not be subject to discipline or corrective action.

**31.4 Educational Emergency:** Section 1001.42(21), *Florida Statutes*, provides for negotiation of special provisions to free schools with a school grade of “D” or “F” from contract restrictions that limit the school’s ability to implement programs and strategies needed to improve student performance. The negotiations shall result in a memorandum of understanding that addresses the selection, placement, and expectations of instructional personnel and provides principals with the autonomy described in s. [1012.28](#)(8). For purposes of this subsection, an educational emergency exists in a school district if one or more schools in the district have a school grade of “D” or “F.”

## ARTICLE XXXII – CHARTER SCHOOLS

### A. Notification to Polk Education Association

1. When the Polk County School Board receives an application for a charter school, the PEA will: Receive a copy of the application within ten (10) working days, or a mutually agreed upon extended time frame, and notify the Polk County School Board’s bargaining agent of any possible impact of the proposed charter school on wages, hours, and the terms and conditions of employment of the bargaining unit members it represents.

### B. Voting Procedures for Conversion of an Existing School

1. Pursuant to §. [1002.33\(3\)\(b\)](#) Florida Statute, an application to convert an existing public school to a charter school must demonstrate the support of at least 50 percent of the teachers employed at the school. To the extent allowed by law, balloting to demonstrate such support shall be done by secret ballot, provide for adequate notification (no less than 24 hours) to all eligible teachers, provide a process which is clearly explained prior to the actual vote, and provide for votes to be counted by an impartial committee whose make-up shall be disclosed to the School Board as part of the application review process.
2. Pursuant to §. [1002.33\(3\)\(b\)](#) Florida Statute, an application to convert an existing public school to a charter school must also demonstrate the support of at least 50 percent of the parents voting whose children are enrolled at the school, provided that a majority of the parents eligible to vote participate in the ballot process. To the extent allowed by law, balloting to demonstrate such support shall be done by secret ballot, provide for adequate notification of all eligible parents, provide a process which is clearly explained prior to the actual vote, and provide for votes to be counted by an impartial committee whose make-up shall be disclosed to the School Board as part of the application review process.

**ARTICLE XXXIII - CONTRACT TERM**

The terms and conditions of this contract shall become effective immediately upon ratification of the Board subsequent to the ratification of the Bargaining Unit. Any and all grievances, which may be filed during the term of this contract, will be settled on the basis of the procedure and remedies as set forth in this Collective Bargaining Agreement.

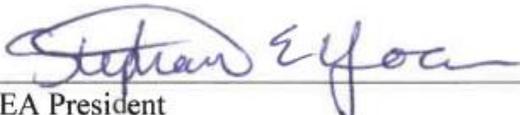

This Collective Bargaining Agreement shall remain in full force and effect through June 30, 2026, unless agreement is reached before that date. The parties agree that negotiations will continue on an ongoing basis in a collaborative, interest-based approach to resolve problems, with salaries negotiated as agreed upon.

The Board and the Association agree to comply with the PERC notification requirements annually.

This Agreement shall not be extended orally.

## APPENDIX B – TEACHER SALARY SCHEDULE

### Executive Summary of Tentative Changes:

- Full decompression of the teacher salary schedules- This means that no years of experience are on the same pay level.
- Full range of raises for everyone, except for the base salary, zero years experience, is \$1271-\$3930 with most realizing 4-7%
- Employees are not physically moving pay levels due to the program constraints on the SAP system during the upgrade process. Employees will stay on their current pay level, but you'll see that money has been added to your level that reflects the pay levels moves you would have moved to in traditional level movement. For employees in the first part of the salary schedules, your pay level will be broken up into that pay level with years of experience to address the full experience decompression. For example, 1-3 years of experience are all on AAE right now. That group will be broken up into AAE 1, AAE 2, and AAE 3 each now having different salary amounts that fix the experience compression. Please look at the below grids to review your specific pay grade and pay level.
- Student Services Pay Schedules (school counselors, mental health facilitators and counselors, social workers, school psychologists, speech language pathologists) will all receive the \$2500 supplement that school counselors are currently receiving with that supplement built into the Student Services Schedules starting July 1, 2025.

Florida Statute §.1012.22(1) requires two salary schedules for paying teachers beginning in 2015-2016. Teachers who hold and choose to retain their Continuing Contract (CC) or their Professional Service Contract (PSC) (both CC and PSC contracts statutorily require due process for a teacher prior to termination) are required to be placed on a "Grandfathered Salary Schedule" and are denied access to "merit pay."

All other teachers, regardless of their date of hire, are statutorily required to be placed on a "Performance Salary Schedule" which includes "merit pay." Florida statutes allow any teacher on the "Performance Salary Schedule" to have their employment terminated for no reason at the end of any year. CC and PSC teachers who choose to be paid on the "Performance Salary Schedule" are required to permanently relinquish their due process rights to continuing employment and become Annual Contract teachers.

## STUDENT SERVICES GRANDFATHERED SALARY SCHEDULE (216-day Work Schedule)

(Statutorily mandated for Psychologists, school counselors, mental health counselors, mental health facilitators, social workers, and speech language pathologists with a Professional Services or Continuing Contract)

Pay levels on the Student Services Grandfathered Salary Schedule are based on the corresponding Teacher Grandfathered Salary Schedule pay levels, with Master's Degree and on a 216-day work schedule.

Per Article 22, employees on Student Services can flex down to a 196-day contract, so the 196-day flex down schedule has been added for clarification. The base salaries for both Student Services GF and PFP include the \$3162 Master's Supplement.

*Note: \$3162 Master's Degree Supplement is built into the Student Services Salary Schedule.*

2. The Superintendent or his representative, and the bargaining agent, or its representative, shall meet at reasonable times for the purpose of negotiating and seeking agreement. All sessions shall commence at the agreed upon time.
3. The most recent Collective Bargaining Agreement, as amended, will be used by both parties as a point of reference for deletions, amendments and all other changes.
4. Throughout negotiations, all tentative agreements shall be signed by a representative designated by each party. By mutual agreement a tentative agreement may be reopened for negotiation.
5. Only members of the respective teams are allowed to speak during the sessions. An exception shall occur only when the Board and/or the Association informs the other party prior to the meeting in which their consultant shall speak. ## **APPENDIX H- OCCUPATIONAL THERAPISTS AND PHYSICAL THERAPISTS**

Occupational Therapists (OTs) and Physical Therapists (PTs) have some unique circumstances which differ from other members of the bargaining unit. This Appendix addresses these unique circumstances for OTs and PTs only. All sections of this Collective Bargaining Agreement (CBA) apply to OTs and PTs unless in conflict and specifically addressed in this Appendix.

1. Sick leave used for personal reasons may be used immediately before or after a holiday.
2. Sick leave may be used in increments of one-hour units.
3. The work week for OTs and PTs is forty (40) hours per week. OTs and PTs will develop their own schedules to best meet the needs of their assigned caseload. The lottery shall eliminate the PT or OT that filled the positions the previous summer, unless there are not enough internal OTs or PTs to fill the existing positions. The lottery will be witness by the PREA president or designee.
6. **Summer Employment Compensation** – An employee selected for ESE summer ESY shall receive their hourly rate of pay.

7. **Evaluation Process** –OTs and PTs will be evaluated using the forms and processes approved by the FLDOE in April 2014. These forms and processes would remain in place until a new evaluation system is jointly developed with PEA.
8. **Initial Placement on Salary Schedule** – Current OTs and PTs initial placement on the salary schedule at the beginning of the 2014-2015 school year will be at the step that is equal to their current salary.   - a. Any employee who is earning more than the highest step on the salary schedule shall be an outlier and maintain his/her current salary. 2. The conference should produce collaborative ideas for suggested actions to assist the teachers who demonstrate satisfactory performance, but who may need assistance in targeted areas. This procedure should not be used with teachers demonstrating unsatisfactory performance.
3. Monitoring is informal; however, an initial meeting and an exit meeting are required.
4. Once strategies are defined, the teacher is provided support personnel who are available to assist in the successful completion of the strategies. **TEACHERS COACHING TEACHERS (TCT) – COHORT 1**

**WHEREAS**, the Polk Education Association, Inc. (PEA) is the certified bargaining agent for the School District of Polk County, Florida (District); and,

**WHEREAS** the District is the employer and party to the Teacher Collective Bargaining Agreement (CBA) with PEA; and,

**WHEREAS** the Elementary and Secondary School Emergency Relief (ESSER) fund under the March 2021 American Rescue Plan (ARP) Act provides direct aid to sustain the operation of schools and address the impact of COVID-19. ARP ESSER also contains additional provisions related to addressing loss of learning in students; and,

**WHEREAS** the parties have agreed that one (1) cohort of up to fifty (50) classroom teachers may be selected from a pool of voluntary applicants to participate in master-level college and District-based professional learning opportunities that qualify teachers to remain classroom teachers, while also being eligible to provide job-embedded coaching during planning periods to receive an annual stipend in 2024-2025.

**NOW, THEREFORE**, the parties agree as follows:

**1. Teachers Coaching Teachers (TCT) Cohort 1**

Up to 50 qualified teachers may voluntarily apply to be a member of the 2023-2024 Teachers Coaching Teachers (TCT) Cohort 1. Selected participants will engage in five master-level courses through Grand Canyon University (GCU) and then engage in professional learning with PCPS. Teachers will engage in one (1) GCU asynchronous, virtual course at a time every 6 weeks for a total of 5 courses from April 2023 through November 2023. Each GCU course will take approximately 15 hours a week *outside of work contract hours* to complete.

Following the completion of the GCU courses, teachers will participate in a PCPS Coach Clinic from December 2023 through April 2024. Successful completion of the GCU courses and PCPS Coach Clinic will lead to teachers being placed in the PCPS coaching pool and being eligible to apply for a teacher leader coaching role starting in the 2024-2025 school year. The PCPS Coach Clinic will provide support through job-embedded, ongoing professional learning to ensure aspiring coaches provide meaningful support for their teachers. A progression of PCPS-specific in-person and/or asynchronous learning modules followed by 1:1 synchronous (live) virtual and/or in-person feedback on the application of learning.

## 2. Teacher Commitments

- (a.) Agree to complete all five (5) of the Instructional Coaching Pathway courses with Grand Canyon University within the timeframe provided for the designated cohort (April 2023 - November 2023).

5	REA - 560	Professional Learning and Leadership in Literacy	3	6	10/12/2023	11/22/2023

- (d.) Should the teacher withdraw/drop out of the program prior to completion or leave the District prior to serving in a teaching or coaching role for three (3) years following completion, each teacher commits to reimburse a prorated amount to the District.

The prorated amount expected to be paid back to the District if a cohort member drops out or leaves the District *prior to program completion* is based on the number of courses completed X \$1,565 (the cost of each course at the time of this agreement).

MANDATORY JULY PROFESSIONAL DEVELOPMENT**

**This Memorandum of Understanding (MOU) authorizes mandatory and voluntary additional teacher, paraeducator, and educational support (clerical) personnel expectations and July Professional Development for schools designated by the Florida Department of Education (FDOE) in turnaround status.**

The **SCHOOL DISTRICT OF POLK COUNTY, FLORIDA** (D/B/A Polk County Public Schools) {PCPS/District) and the **POLK EDUCATION ASSOCIATION, INC. (PEA)** as evidenced by the respective signatures below, are parties hereto and agree to this Memorandum of Understanding (MOU) as more specifically set forth herein.

**WHEREAS** the PEA is the certified bargaining agent for the District; and, the District is the employer and party to the Teacher, Paraeducator, and Educational Support Personnel Collective Bargaining Agreements (CBA) with the PEA; and,

**WHEREAS**, [Section 1008.33, Florida Statutes\(2022\)](#), authorizes the State Board of Education to apply intensive intervention and support strategies tailored to the needs of schools earning consecutive grades of "D" or a grade of "F." PCPS must immediately implement intervention and support strategies prescribed in rule and by September 1 provide the FDOE with the memorandum of understanding negotiated pursuant to [s. 1001.42\(21\)](#); and,

**WHEREAS** [Section 1001.42\(21\), F.S. \(2022\)](#), provides that an educational emergency exists when one or more schools in the district have a school grade of "D" or "F," and PCPS must implement intervention programs and support strategies to improve student performance, and provide the FDOE with a negotiated memorandum of understanding regarding the selection, placement, and expectations of instructional personnel in these schools; and,

**NOW, THEREFORE,** with the mutual goal of increasing student achievement the parties agree to additional expectations and requirements for school-based staff for the 2024-2025 school year.

**1. Mandatory July 2024 Professional Development**

In addition to the Teacher Staff Development Days defined in the School Calendar, all school-based classroom instructional personnel, academic coaches, interventionists, counselors, deans etc. must participate in four (4) days of early return professional development (PD) July 29, 2024-August 1, 2024.

- a. Affected staff at listed school(s) will be informed of the mandatory opportunity and reporting hours immediately upon signature of both parties.

- c. Should an employee have a conflict regarding mandatory participation, the teacher must request a later training opportunity outside of the regular duty day to be considered for approval on a case-by-case basis.
- d. **Compensation:** The summer workday will be the same as the regular school year (7.75 daily hours). Instructional employees will be paid their regular hourly rate of pay, including a one (1)-hour paid lunch.

**Crystal Lake Elementary**

## **2. Teacher Retention at Differentiated Accountability Schools and Turnaround Option Plan (TOP) Schools (See Attached Employee Agreement)**

The expectation is for all teachers at the identified school (s) to embrace the terms of this agreement and sign the attached Employee Agreement for the 2024-2025 school year.

**Eligible Schools (Subject to modification by the FDOE at any time):** Upon receipt of the final DA list from the FDOE, school (s) listed below may be put on a modified agreement form the conditions listed above or completely removed from the MOU.

### **Crystal Lake Elementary**

Prior to the start of the school year should an existing teacher at any school not agree to the expectations, the Article 17.4 and 17.4-2 voluntary intent to transfer and application process will be followed: "17.4-2 Request for Transfer Between School Years: It is the responsibility of the teacher to notify the principals where vacancies exist in order to be considered for the vacancy. The transfer will be subject to approval by the District Certification Compliance

Department. A principal will only be notified of an employee's intent to transfer ten (10) workdays after the teacher has filed the intent to transfer form."

The expectation is for all teachers at the listed school (s) above to embrace the terms of this agreement for the 2024-2025 school year.

## **3. Improvement/Movement of Teachers throughout the School Year**

All Essential Performance Criteria, as documented in Journey, will be monitored by the administration for performance. Any pattern of less than *Effective* on any Essential Performance Criteria, observable and non-observable, will result in intervention by administration and development of a plan for improvement.

When student progress monitoring shows early data indicators in need of improvement there will be a meeting with the teacher to discuss the Essential Performance Criteria and develop a plan for improvement as defined in the Teacher Collective Bargaining Agreement. The plan will be monitored and failure to show improvement could result in the teacher being involuntarily transferred out of the school.

Teachers in need of improvement will only be transferred out if an *Effective* or *Highly Effective* teacher (based on 2023-2024 overall evaluation) is available to fill the position. The decision to reassign a teacher will be made in conjunction with the Superintendent's designee and the External Operator, as applicable. Prior to removing teachers from the school, the Human Resource Services Division will work with school administration and the PEA to ensure alternate placement of identified instructional personnel in accordance with Teacher Article 17.6-1:

"In unusual and special circumstances the Superintendent may recommend to the Board that a teacher be transferred from one position to another specific position for good and sufficient reasons. Any teacher being transferred under this section may not be placed into an out-of-field assignment or a position for which the teacher is not fully qualified, and the teacher may request written reasons for the transfer. Such transfers are effective upon the Superintendent's

recommendation. Subsequent approval is required on the next available School Board Meeting agenda. Refusal by the teacher to accept such assignment shall release the Board from further obligation to that employee."

#### **4. Lesson Plans**

In addition to the provisions in Teacher Article 6.9, lesson plans will be provided in SharePoint one (1) week in advance for administrator review.

#### **5. Teacher Effectiveness**

Intensive effort will be made to find instructional staff that meets the demonstrated mastery to ensure appropriate staffing levels are met in the school.

- a. Other instructional staff, including but not limited to ESE and ESOL, that generates a prior year (2023-2024) state VAM rating will also be considered a core teacher.
- b. Non-VAM evaluated teachers such as science and social studies must demonstrate an overall prior year (2023-2024) PCPS Student Achievement Objective (SAO) Evaluation rating of *Highly Effective* or *Effective* to be retained.
- c. Teachers within their first year of teaching, and/or new to the District, and without an evaluation or student learning data source, will be considered *Effective* for purposes of this agreement.

#### **6. School-based Coaches and Interventionists**

Academic Coaches and Interventionists will be held to the same criteria as core teachers. To ensure that the teachers develop a high degree of comfort when working with the Academic Coaches and Interventionists, the parties acknowledge that these invaluable resource persons are not administrative or supervisory, but rather act as partners and mentors in furthering the goal of improving academic results.

- a. All current content-specific support staff (coaches/interventionists) will be reevaluated for the placement of candidates.

- b. Coaches/interventionists will be held to the same expectations as classroom teachers at the school.
- c. Coaches/interventionists must demonstrate an overall prior year (2023-2024) PCPS Student Achievement Objective (SAO) Evaluation rating of *Highly Effective* or *Effective* to be retained at the school.
- d. Coaches/interventionists may be subject to an involuntary transfer to a position for which they are certified and qualified at a non-DA school if the coach/interventionist has an overall evaluation rating of less than *Effective* for the 2023-2024 school year.

## 7. Professional Development

Professional development will be job embedded and data driven to move the turnaround plan forward as presented to the FDOE. In addition to the Teacher Staff Development Days defined in the Board-approved School Calendar, additional days of staff development beyond the duty day may also be required throughout the school year. Every reasonable effort will be made to notice training dates at least two (2) weeks in advance. PEA will be notified of any mandatory staff development beyond the duty day before school-based staff are noticed.

- a. Should there be a need, school administration will notify affected teachers regarding any mandatory staff development dates and specific work hours by email, phone calls and social media outlets.
- b. Should a current teacher have a conflict regarding mandatory attendance, a request for a later training opportunity outside of the regular duty day will be considered on a case-by-case basis.
- c. Teachers newly hired/transferred to the school after any mandatory training dates will be offered comparable staff development outside of the regular duty day at a future date.
- d. Any mandatory staff development during the school year that is held beyond the regular duty day will be remunerated at the employee's regular hourly rate of pay.

**NOW, THEREFORE,** with the mutual goal of increasing student achievement, the parties agree to the additional time for a school led PLC or Planning. This additional time will allow schools to conduct an extra school-led PLC or Planning session per week for seven (7) identified Differentiated Accountability schools.

In return, instructional staff will be compensated at their regular hourly rate of pay for two (2) hours per week of self-directed or collaborative planning outside their contractual time. The extra Planning or PLC is in addition to the (1)-45-minute admin directed planning period that is scheduled currently with teachers, administratively led. This grant-funding admin-directed planning period will not follow the shortened week provision for one (1)-45-minute regular admin-directed planning in the Teacher CBA. Every week administration will conduct (1)-45-minute planning period of planning regardless of an abbreviated work week. The (2) hours per week are to be documented on a Special Activity Payroll Log to be processed for the following month-end pay period.

## MEMORANDUM OF UNDERSTANDING THE EMERGE SYMPOSIUM

### ATTACHMENT A– TEACHER EXPECTATIONS

The Emerge Symposium is an event coordinated by the Teacher Engagement Office in the Human Resource Services Division. Our research and data show that when teachers are given opportunities to collaborate with their colleagues in meaningful ways, retention increases. Based on the feedback received from this program, many of the participants found a renewed sense of purpose in their role as a teacher and felt empowered to make lasting change in addition to the change created in their own classroom. They reported an increase in their confidence in leading others as well as sharing best practices with colleagues. The Emerge Symposium created an opportunity for non-instructional and instructional staff to present a concept, so that in turn the strategies and resources can be implemented to the students within the classroom. After several years of hosting, the feedback proves that PCPS employees love hearing various ideas from each other, as well as implementing skills of leadership and professional development.

As a Emerge Symposium presenter, participants are expected to:

- maintain a positive, solutions-focused mindset throughout the event and when collaborating with peers.
- develop an engaging and effective presentation when leading breakout session for attendees.
- receive and apply constructive feedback during the development of the presentation.
- equip attendees with relevant and effective resources to be applied to the classroom.
- portray effective leadership skills when collaborating with stakeholders.
- attend and present at the 4 breakout sessions outside of the regular duty day.

The Emerge Symposium presenter will be held accountable for meeting these expectations and dependent upon funding may be compensated for the extra time invested in this role. (NOTE: Compensation is contingent on approval of grant funds by the FDOE. Should this stipend not be approved, the Emerge Symposium presenter will not receive compensation.)

## MEMORANDUM OF UNDERSTANDING THE EMERGE SYMPOSIUM

### As a Emerge Symposium presenter, participants agree to:

- demonstrate teacher leadership, collegiality, and a growth mindset.
- develop a presentation and session that:
  - contains a description that is positive, and solutions focused.
  - contains a topic description is clearly articulated.

**ATTACHMENT A– TEACHER EXPECTATIONS**

The Leading from the Classroom Program is an initiative coordinated by the Teacher Engagement Office in the Human Resource Services Division. Our research and data show that when teachers are given opportunities to collaborate with their colleagues in meaningful ways, retention increases. Based on the feedback received from this program, many of the participants found a renewed sense of purpose in their role as a teacher and felt empowered to make lasting change in addition to the change created in their own classroom. They reported an increase in their confidence in leading others as well as sharing best practices with colleagues. Leading from the Classroom created a safe place for teachers to be transparent about their concerns while also being purposeful in their search for solutions to problems plaguing their campuses. By the time we concluded the program, teachers were so eager to continue in the collaboration and accountability we had established that many of them were brainstorming how to continue their networking and be a part of continued efforts to reach teacher leaders in future cohorts. It was clear to see that a fire had been ignited and teachers felt empowered to make a larger impact beyond the walls of their classroom.

As a Leading from the Classroom participant, teachers are expected to:

- maintain a positive, solutions-focused mindset throughout the program and when collaborating with peers.
- participate and engage in a book study, which focuses on either:
  - Peer mentorship and collaboration
  - Developing and sustaining collaborative cultures.
- develop an action plan that provides a solution to an identified problem/issue on their school campus.
- portray effective leadership skills when collaborating with stakeholders.
- attend five (5) face-to-face training sessions outside of the regular duty day.

The Leading from the Classroom participants will be held accountable for meeting these expectations and dependent upon funding may be compensated for the extra time invested in this role.

**Early Dismissal Days Impacted by Hurricane Make-up Days Spring 2025**

**This Memorandum of Understanding (MOU) memorializes the parties' agreement to amend the 2024-2025 PCPS calendar for the spring semester early dismissal days that were impacted by hurricane make-up days.**

The **SCHOOL DISTRICT OF POLK COUNTY, FLORIDA** (D/B/A Polk County Public Schools) (**District**) and the **POLK EDUCATION ASSOCIATION, INC. (PEA)** as evidenced by the respective signatures below, are parties hereto and agree to this Memorandum of Understanding (MOU) as more specifically set forth herein.

**WHEREAS** the PEA is the certified bargaining agent for the District, and the District is the employer and a party to the PEA Collective Bargaining Agreements (CBA) governing teachers; and,

**WHEREAS** the Polk County School District and PEA recognize that teachers lost self-directed planning time due to six (6) early dismissal days becoming full student contact days due to hurricane make-up student contact minutes; and,

**WHEREAS** the Polk County School District and PEA mutually agree that the Spring 2025 Semester Early Dismissal Day in May will be moved to March to provide teachers with more self-directed planning that was lost due to hurricane make-up days.

**CONTRACT RECITALS**

**TEACHER ARTICLE III - SCHOOL CALENDAR**

3.4 The Board shall include at least seven (7) Student Early Dismissal Days distributed throughout the school year. The days shall be designated as six (6) Teacher Self-Directed Planning Days and one (1) Staff Development Day in March, a portion of which should be used for state testing training. Students shall be dismissed 150 minutes early to provide teachers 150 minutes of self-directed planning time on six (6) of these days in addition to the planning time described in Sections 6.3 through 6.3-5 of the contract. The additional one-hundred fifty (150) minutes of preparation time for the remaining Student Early Dismissal Days may be designated for staff

development. All remaining time shall be used by the employee for self-directed planning activities.

**TEACHER ARTICLE VI – TEACHING CONDITIONS**

**6.3 Planning Time:** All teachers are to be guaranteed an uninterrupted daily block of at least 45 minutes of planning for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule. Planning time shall be used primarily for lesson/program planning, parent conferences, student conferences, and conferring with other faculty members.

A good faith effort must be made by the principal or designee to ensure equitable scheduling among the faculty for teacher participation and involvement for any accommodation plan meeting (IEP (Individual Education Plan), 504, BIP (Behavior Intervention Plan), etc.) in which the teacher's planning time and instructional time are disrupted as little as possible.

a) The principal may have up to one (1) of these 45-minute blocks per week designated for Collaborative Planning, Professional Learning Community (PLC), or Faculty Meetings (one (1) per month) or other data gathering/planning intended to increase student achievement.

b) The four (4) 45-minute planning periods for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule shall be used by the teacher solely for self-directed planning time. Recognizing that curriculum changes are inevitable throughout all areas of instruction, team/common planning may occur and is encouraged in order to meet the needs of the students. Teachers are responsible for the proper utilization of the self-directed portion of planning time.

c) Classroom teachers may volunteer to cover classes during their planning period. Teachers will be compensated at their regular hourly rate of pay for the equivalent of their school's scheduled planning period. Any non-classroom instructional staff who is directed to cover a classroom for the entire student contact day will be compensated at their regular hourly rate of pay for the equivalent of their school's scheduled planning period. Instructional staff will use the Special Activity Payroll reporting process.

**6.3-1** During weeks when there is a full Staff Development Day, or a shortened week, teachers will still have four (4) days of self-directed planning that week.

During weeks when there is a Student Early Dismissal Staff Development Day, a principal/ supervisor may hold a PLC/Collaborative Planning during this week. If a

PLC/Collaborative Planning is held by the principal/supervisor during a Student Early Dismissal Staff Development Week, the principal/supervisor will forfeit their PLC/Collaborative Planning period either the week before or the week after the scheduled Student Early Dismissal Staff Development Day as designated in the Board approved school calendar.

**NOW, THEREFORE, PEA and the District agree as follows:**

1. The May 16, 2025, Early Dismissal Staff Development Day will become a full student contact day.
2. March 14, 2025, will become an Early Dismissal Teacher Planning Day.
3. During the week of May 12-16, 2025, there will be no admin-directed PLC/Collaborative Planning/Faculty Meeting time. All 5-45-minute planning periods or block planning periods will be self-directed planning time for teachers.
