Consider applying to be a Substitute with the Sioux Falls School District. Substituting allows for a very flexible work schedule, as many current substitute staff accept assignments that coordinate with their other employment, schooling, or family/community obligations. Once employed, substitutes must work a minimum of 8-days during the school year to remain employed for the following school year. The 8-day requirement will be prorated for those substitutes that start mid-year. View the full substitute staff job description here: [Substitute Staff Job Description](#)
