ARTICLE X ACADEMIC FREEDOM AND RESPONSIBILITY

The Board and the Association agree that Employees should have academic freedom in their assigned area in order to teach without undue interference. With the freedom to meet their obligations to teach the truth and facts of their lesson comes the responsibility to meet the requirements of the District education program. Accordingly, both parties agree as follows:

- A. <u>Basic Responsibilities</u> There are certain, basic responsibilities that all Employees must adhere to in all classroom situations. They are as follows:
 - 1. Employees will follow the Code of Ethics for Idaho Professional Educators, including but not limited to reporting requirements of suspected child abuse and suicidal tendencies to the Idaho Department of Health and Welfare and Law Enforcement (SRO).

(If an Employee makes an abuse or suicidal tendency report, the Employee shall likewise notify the Building Administrator, the Student Resource Officer or police department in their jurisdiction, and Building Counselor at the earliest time practical.)

- 3. Employees will present all sides of any controversial issue without bias or prejudice and without advocating personal views.

- 5. Employees will follow District policy, state and federal laws, rules and regulations.
- 6. Employees will respect the individual's sex, race, color, national origin, age, religious beliefs, ethnic background or disability of their students and community.
- B. <u>Controversial Material</u> –Employees shall be allowed freedom in classroom presentations and discussions to introduce political, religious, or otherwise controversial material without bias or prejudice and without advocating personal views, provided that said material is directly relevant to the current classroom study as well as course content, and aligns with the District curriculum.

(Should an Employee have knowledge that they are going to be raising a controversial issue during an upcoming class, it is advisable that the Employee confer with Building Administration and discuss any concerns they may have about the classroom activity.)

- C. <u>Student Grades</u> Employees have initial and primary responsibility for assigning student grades. The Employee, in collaboration with the Multidisciplinary Team (MDT), shall be responsible for determining and assigning grades for inclusion students. Students/parents may appeal a teacher's assigned grades through communication to the Building Administrator.
- D. Resolving Issues/Complaints When there are issues/problems between a parent and/or student and an Employee, every effort will be made to resolve the problem(s) at the lowest level. The lowest level is the parent and/or student and the Employee working together to solve the problem. However, it is understood and agreed that the District cannot force any parent/student to meet with an Employee to resolve a problem, and thus the lowest level in any given situation may be at an administrative level.
